### Important Information About Summer Tuition Payment

For the summer 2012 registration period, which begins on April 23, full payment of tuition and fees is required the same day as registration. Students have until 11:59 p.m. on the day of registration to pay in order to avoid cancelation of their classes later that night. Only those whose balances are less than $150 will be carried over and billed.

The college considers payment to consist of the following:

1. Payment in full using cash, check or credit card
2. Successful enrollment in the college's approved payment plan, NBS/FACTS, described later in this schedule
3. Use of available financial aid, as posted on the bill
4. Activation or continuation of Post 9/11 or Chapter 31 VA benefits
5. Third party payment vouchers or billing authorizations presented to the Cashier's Office on the day of registration

Students who have a pre-approved Disability Tuition Waiver will be held in their classes, as will all students age 60 or older.

The college strongly encourages those with not-yet-awarded financial aid to enroll in the college's payment plan rather than risk losing classes. Go to www.pgcc.edu and click on the quicklink “Paying for College” for important information about the payment plan.

See page 9.
How to Read Course Information in the Schedule of Classes

1. The first line for each course listed in the schedule contains the subject and the 4-digit course number, the course title and the number of Credits or Equivalent Hours (EHs) the course carries.

2. The next line, indicates what, if any, prerequisites the course may have. In other words, this is what you need to have completed or satisfied before you enroll in this course.

3. Individual course offerings are arranged according to various offering times and locations. This is done for your convenience only. You don’t need this information to register for the course.

4. Course sections indicate precisely the days/time/dates/location of one offering of the course.

You are actually going to register for one specific section of a particular course, so this is the information that is most important to you! See the box to the right for more information on what the section indicators actually mean. For example, the section indicator (LEO1) indicates this is the first evening section scheduled to meet on the Largo campus.

NOTE: You can register for any section of any course if you know the course subject (PHL), number (1010) and section (LEO1) identifier of the time/location you want.

You can also register for any section by indicating the 5-digit synonym (50056 in this case). You don’t need any other information if you use the synonym.

Registration Instructions

Students are encouraged to register themselves online using Owl Link and the class schedule to be found at www.pgcc.edu. But in-person registration is also available.

To Register for Classes in Person

Pick up a summer schedule in Bladen Hall or at the extension centers.

Use this schedule to:

1. Select the course—for example PHL-1010.
2. Select a general location and time frame.
3. Select the section—the specific day and time and location.
4. Write your choice on a registration form in one of two ways:
   * Use the 5-digit synonym number—for example 50056
   * OR Use the course/section designator combination—PHL-1010-LD01
5. Turn in your completed registration form to Bladen Hall, Room 126 or to a degree center staff member.

6. Immediately pay your tuition bill or sign up for the payment plan offered by the college.
   Failure to pay or to sign up for the college’s payment plan the same day you register will result in being dropped for nonpayment.

That’s all there is to it... select the synonym or select the course and section. Getting enrolled couldn’t be easier!!!

Course Descriptions

Course descriptions no longer appear in the class schedule. To read a description of the content of a course, go to Chapter 6 of the college catalog, either hard copy or online. Or, access the course through Owl Link. You do not need to sign in to see the descriptions.

GO TO “CREDIT STUDENTS” AND THEN SELECT AN OPTION UNDER “SEARCH FOR CREDIT COURSES.”

1. Select Summer, 2012 as the term.
2. Select the subject and course number.

CLICK ON ANY "SECTION NAME AND TITLE" ENTRY. THE DESCRIPTION WILL APPEAR ON THE RESULTING PAGE.
Students at Prince George’s Community College are encouraged to self-register for credit classes using Owl Link. Owl Link is accessible in two ways—through the College website at www.pgcc.edu or through My PGCC, a home page just for students at my.pgcc.edu. To access Owl Link, you must have a current e-mail address on record with the college. You must then follow the link for Credit Students and log in entering your Owl Link User ID and password.

Once in Owl Link, there are a variety of options under the heading of Credit Registration. Select the one that seems most appropriate for you. Or, under the heading Search for Credit Courses, you can search for course sections that are still available for registration. There are other functions available through Owl Link as well. Here is a sampling of what may be accomplished once you have logged in to this system:

**Under My Transcript, students may:**
- Request an official transcript.
- See a summary of placement test scores.

**Under My Financial Aid students can:**
- Accept or reject aid offered to you.
- See the status of paperwork submitted to the Financial Aid Office.
- Find out the amounts and types of financial aid offered to you.
- See how the financial aid awards are determined.
- View a current bill to see if there is an outstanding balance.
- Enroll in the NBS Tuition Payment plan.

**Under My Financial Information students can:**
- Access and print an unofficial transcript.
- View grades and GPA by term.

**Under My Credit Academic Records, students may:**
- Pay tuition bills using a savings or checking account or a credit card.
- Enroll in the NBS Tuition Payment plan.
- Move between the college faculty/staff and students will be sent only to this e-mail account. Owl Mail will be the only means available to interact electronically with faculty, to successfully take part in waitlisting a course, to participate in online courses, and to receive official notices and important announcements on a timely basis.

**To activate your Owl Mail account, you must have the following things:**
- An e-mail from the college to your home/personal e-mail address notifying you that an Owl Mail account has been created for you.
- An Owl Link account and User ID
- Your 7-digit Student ID number
- Current or upcoming semester enrollment
- Internet access

Notice of the creation of your Owl Mail account will be sent by e-mail to your personal e-mail address.

It is critical that you activate your account as soon as you are notified that it is available. Accounts not activated within 30 days will be made unavailable. So, if you have not yet activated your Owl Mail account, here is what you need to do:
- At a computer with Internet access, open a Web browser (Internet Explorer, Firefox, etc.)

**NOW YOU CAN WAITLIST A COURSE SECTION**

If you are a current student at the college, you can waitlist a course section that is full.

1. You must have a current e-mail address on file at the college. Your Owl Mail account is the preferred address for this process.
2. You can waitlist yourself if you are registering for courses through Owl Link by following the simple steps presented. Or, if you are registering in person, you can ask the registration assistant to put you on a waitlist.
3. You can waitlist as many different courses as you like.
   You cannot waitlist for more than one section of a particular course.
4. Check Owl Link or Owl Mail every day so that you don’t miss the notice of an available seat.
   E-mail notices of available seats are sent automatically and are generated between midnight and 1 a.m. If you receive an e-mail notice that a seat is available, you have exactly until 11:59 p.m. of the day you received the notice to enroll in the section. If you do not enroll in the section, your name will be automatically dropped from the list and the seat will be offered to the next person on the waitlist.
5. You can also manage your waitlisted courses through Owl Link, under “Manage My Waitlists.” Statuses change from “A” (actively on the waitlist) to “P” (permission granted) on the day a seat is offered. A status of “X” indicates the seat was offered but no action was taken and the offer has expired. Please remember to drop yourself off a waitlist if you no longer wish to enroll in that section so the seat can be offered to another student.
6. If you missed your e-mail message, or didn’t see the change of status on Owl Link, you can put yourself back on the waitlist, but your name will go to the bottom of the list.
7. Waitlists are terminated as soon as a course has begun. Students should not expect to receive an offer of a seat after that day.
8. Being on a waitlist does not allow you to attend a course. You must be officially registered first.
### Admission

Students who wish to enroll in any course found in this schedule of classes must first be formally admitted to Prince George's Community College. In addition, former students who have not attended the college in more than two years must apply for readmission prior to registration.

Students are strongly encouraged to apply online at www.pgcc.edu. Applications for admission may also be obtained from the Office of Admissions and Records, Bladen Hall, Room 126 or from any of the college's extension and degree centers.

A $25.00 non-refundable application fee must be paid at the time the application is submitted.

### Special Registration Procedures

**High school concurrent enrollment students:** You must be a high school senior or a junior 16 years of age or over. You must have a minimum high school GPA of 2.50 to enroll for summer classes. Bring an official high school transcript and written clearance from the principal to the Office of Admissions and Records when you come to register. You are also required to take relevant college placement tests before your first registration.

**Health science applicants:** Meet with an advisor regarding the special requirements for entry into the Health Science programs. Most of these programs have limited enrollment, petitioning deadlines and selection of students by pre-established criteria to be found in the current year's catalog.

**Transfer students:** If you wish to transfer credits from another institution, you must complete the Request for Evaluation of Transfer Credit form available online or at the Office of Admissions and Records. You must also have each former school send an official transcript to the Office of Admissions and Records. Bring unofficial transcripts or grade reports with you when you register for your first semester at Prince George's Community College. The advisors can use them for initial course placement.

**Students with prior degrees:** Students who wish to take classes at the college but who have already earned an associate's degree or higher from an accredited United States college or university are exempt from all placement tests. You must still file an application for admission and meet course prerequisites.

Students who enroll in a course based upon their prior degree assume full responsibility for possession of the background skills and knowledge required for success in the course. Use of this prerequisite exemption may not be used later as grounds for an exceptional refund or as the basis for challenging a grade.

The college reserves the right to limit the number of courses for which students may enroll using this exemption.

**International applicants:** If your official residence is outside the United States and you wish to attend using an F-1 student visa, call the Office of Admissions and Records for information on the special requirements for enrollment at 301-322-0815. The application for admission must be received by May 1 for fall semester enrollment and by October 1 for spring semester enrollment. The college does not admit F-1 students for the summer term. F-1 students who wish to transfer from another college in the United States must apply by July 1 for the fall semester and December 1 for the spring.

International applicants who do not wish to receive a student (F-1) visa should follow the procedure for permanent residents given below.

**Permanent residents:** If you are an official U.S. resident but not a U.S. citizen, bring your passport, alien registration or permanent resident card to the Office of Admissions and Records when you apply for admission. Non-citizens may not receive in-county tuition rates until such documentation is received. If your native language is not English, you must go to the Academic Advising Office, Bladen Hall, Room 124 to arrange for English proficiency testing.

### Registration Information

**Visiting Students:** Students taking a few summer classes for transfer back to their home institutions may do so in most cases without taking placement tests. Advisors are available via e-mail at advising@pgcc.edu to assist you with registration when necessary. An application for admission must be filed prior to registration for summer classes. It is strongly recommended that students get written authorization from their home school to take summer courses at another college before beginning the summer term.

**Veterans:** Please go to the Veterans Services Office in B-124 after you register in order to complete the required paperwork. Returning veteran students should bring a copy of their registration bill and of their current program regulation with them. Call 301-583-5282 for more information.

**Disabled students:** If you require special services (e.g., interpreters, recorded materials) you must register and submit a paid bill receipt to the Disability Support Services Office at least one month in advance of the anticipated registration date. Call 301-322-0838 or (TTY/TDD) 301-322-0122 for more information.

**Students on academic warning or restriction:** If you were put on academic warning at the end of your last semester here, whenever it was, you will be limited to a maximum of 13 credits. If you have been placed on academic restriction you must meet with an advisor in order to register. You will be limited to two courses to be selected according to the criteria listed in the college catalog. You cannot register via Owl Link.

**Students on dismissal:** If you were dismissed at the end of any semester prior to spring 2012, you must file a petition for readmission with an advisor before registering. No student dismissed in the spring semester may register for any summer session class unless special permission has been granted by the Academic Appeals Committee. Appeals for reinstatement must be completed in the Office of Advising and Transfer Services by Friday, June 1 to be considered for reinstatement for the summer terms, Bladen Hall, Room 124.

### Placement Tests

First-time college students and some transfer students are required by the college to take placement tests. The tests include basic skill assessments in reading comprehension, writing, and mathematics. A required orientation/academic advisement session is then scheduled in order for test results to be interpreted and an appropriate selection of classes made. The testing/advisement requirement applies whether students wish to attend full-time or part-time.

The placement tests are untimed and may be taken individually or all at one time. It is strongly recommended that you visit the Testing Office's Web page http://academic.pgcc.edu/sas to find out more about preparing for these tests before you take them.

**NOTE:** Students must present a picture ID in order to enter the Testing Center.

**Registration Dates (Largo Campus)**

In-person Registration begins April 23 and continues through the start of second 5-week classes on July 9. Students may register for any class that is seat available and has not passed its registration deadline.

- Monday–Thursday, 8:30 a.m.–8 p.m.
- Friday, 8:30 a.m.–5 p.m.
- Closed Saturday and Sunday

**Closed Monday–Wednesday, May 26–28, Memorial Day
Closed Wednesday, July 4, Independence Day
Web Registration (Owl Link) www.pgcc.edu Web registration system is available 7 a.m.–midnight. Seven days a week.

### Class Schedule Changes

You may adjust your schedule online anytime during the registration period. Or you may complete an add/drop form and submit it to the Office of Admissions and Records or to one of the extension centers. Do not ask an advisor or faculty member to do this for you!

**Late Registration/Drop-Add**

The deadlines for late enrollment in summer classes are as follows:

- First 5-week classes: Tuesday, June 5
- 10-week classes: Wednesday, June 6
- Second 5-week classes: Thursday, June 7
- Seven days a week.

**Exceptions to the Late Registration Policy**

In general, students will not be allowed to enroll in courses once the late registration deadlines have passed. In any instance that an exception must be made, the registration or schedule adjustment form must be signed by the dean responsible for the academic discipline under which the course falls. In addition, students will be required to complete a Late Registration Responsibility Form in which they acknowledge their forfeiture of all or part of the refund process for the course and in which they agree to accept full responsibility for the repercussions of registering after the class has begun. This form also must be signed by the Dean. Forms may not be completed by phone or over the Web. All such registrations will be processed one business day after the paperwork is completed by the academic department. Failure to pay at the time the late registration is processed will result in the student being dropped for nonpayment, with no further opportunity to enroll in the class.
Cancellation of Classes
The college reserves the right to cancel sections, change meeting places, or make other changes that the college deems appropriate and necessary. This right is made to include but not be limited to the cancellation of courses because of course cancellations by phone or by e-mail prior to the start of classes. If a class is canceled, all tuition and fees will be automatically refunded unless the student selects a comparable course to replace the canceled one. Students enrolled in a canceled course will receive an e-mail notifying them of the cancellation.

Course cancellations are immediately reflected in students’ class schedules and can be seen on Owl Link. Students should check their schedules if a cancellation notice is received to see which course was affected.

Room Assignments and Changes
Classrooms marked TBA (to be arranged) in the class schedule will be assigned before classes begin. In addition, some classrooms may need to be changed to accommodate class sizes or special needs. Room assignments and changes to room assignments are available on Owl Link as soon as they are made. Check Owl Link prior to the start of your class for the latest room assignment. In addition, room change lists are posted on the Portal, MyPGCC.edu. Read these notices carefully to be sure they apply to your specific class section.

College Closings
It is the practice of the college to hold all regular classes on all days scheduled on the college calendar. Should an emergency arise that requires the cancellation of classes and other activities, the following radio stations will be asked to announce the college’s closing shortly after the decision is made: WMAL, WRC, WTOP, WGGY, WAVA, WASH, WHUR, WPCC, and WWXM. The following TV stations will be asked to announce the college’s closing: WPTV (5), WJLA (7), WUSA (9), and NewsChannel 8. Information concerning the college closing also can be obtained on the college website at www.pgcc.edu as well as by calling 301-336-6000. Students can also receive direct notification of closures and other emergency information by signing up for Owl Alert. Notification can go directly to cell phones or to e-mail. Go to www.pgcc.edu to subscribe to Owl Alert.

In case of hazardous weather, extension center classes will be cancelled at local public school locations when the Prince George’s County Board of Education announces that the public schools will be closed. Other sites, such as Joint Base Andrews, the Laurel College Center and the University Town Center will follow the Largo campus weather schedule. If the Largo campus closes as a result of inclement weather, classes at extension centers and sites will be cancelled.

When the college announces a delayed opening, all classes with at least 45 minutes of class time remaining at the time of the announced delay will be held. For example, in the event of a 3:30 p.m. opening, a 9:30–10:45 a.m. class will be held. This procedure applies to all credit classes.

Child Care
The Childtime Children’s Center offers full day care, hourly care, and summer day camp child care services for the students, staff, and faculty of the college. ID Cards
Every student must have and carry a college photo ID card. Students should go to the library (Accokeek Hall) or to the Office of Admissions and Records, Bladen 126 to obtain a card along with a card holder and lanyard. ID cards may be obtained between the hours of 9 a.m. and 7:30 p.m., Monday–Thursday; 9 a.m. and 4:30 p.m. on Friday and 9:30 a.m. until 2:30 p.m. on Saturday (only in the library). Students who received their photo ID cards in a previous semester should go to either the Admissions and Records Office or the Library to obtain a card for the current semester. Students who lose their ID cards must pay a $10 replacement fee. Any ID cards lost during the summer semester will be replaced for a $10 replacement fee.

The College expects that students will be able to provide proper identification upon request and as a requirement prior to the registration of a student for classes. A student may request a new ID card and one other form of photo identification—a current driver’s license, a Maryland Motor Vehicle Identification Card, a military ID card or a current passport/work permit or permanent resident card.

Parking Permits
All students who intend to drive to the Largo campus are asked to obtain a parking sticker for each vehicle they intend to park in one of the college’s parking lots. This will identify a car to campus police officers as legitimately parked on campus and also will allow officers to contact the owner quickly in the event of an emergency. Stickers may be obtained from Campus Police in the Bladen Hall substation or at their main office in the Facilities Management Building.

Students must park in lots identified as available for student parking. Those who park in areas reserved for faculty and staff will be ticketed.

Career Services
The Career Services Office helps students with career exploration, selection of a career major, and preparation for work. Assistance with resume writing, interviewing techniques, and job seeking skills is available. In addition, students may obtain internships and supervised work experiences related to their majors and career goals. Current job and internship listings are maintained in the Career Center, Monday–Friday, Room 210. Call 301-336-0109 for more information.

Financial Aid
Financial aid awarded by Prince George’s Community College consists of federal grants and loans, scholarships from a variety of sources, and work-study opportunities.

If you have financial aid remaining for the summer, you should see the amount of aid for which you are eligible printed on your bill as “Financial Aid Awarded.” The aid must be accepted and activated through the college’s website. Your registration is not complete until you have accepted your aid!

If you think you have financial aid that is not appearing on your bill, please contact the Financial Aid Office, located in Bladen Hall, Room 121, before you make a payment. Students whose balances after all aid has been applied exceed $150 are subject to being dropped for nonpayment.

Senior Citizens
Maryland residents who are 60 or older at the start of the semester are exempt from the payment of tuition for courses for which state funding is received. In addition, they are exempt from payment of instructional services fees, but not application fees, registration fees and special instructional fees, e.g., applied music fees and telecom fees:

Notwithstanding the provisions for exemption contained herein, the college reserves the right to cancel classes for reasonable cause, which may include insufficient enrollment of regularly enrolled (nonexempt) students.

NOTE: Textbooks, course supplies and materials are not covered by this exemption. For more information, contact the Office of Admissions and Records, 101-336-6000.

Maryland Disabled Persons
Any Maryland resident who is out of the workforce because of a permanent disability as designated by the Social Security Act, the Railroad Retirement Act, or the Office of Personnel Management (in the case of former federal employees) may be eligible for a waiver of tuition, but not fees, upon enrollment in credit courses which normally have at least 10 regularly enrolled students. This waiver applies for up to 6 credits for non-regularly enrolled students in credit courses and up to 12 credits per semester for those enrolled in a degree program or a certificate certificate program that leads to employment. The college reserves the right to require specific documentation from the student in order to qualify for this waiver.

In order to qualify for this waiver, students must have applied for financial aid for the 2011–2012 academic year using the Free Application for Federal Student Aid (FAFSA) prior to requesting the waiver and must present confirmation of that fact with the application for the waiver.

If awarded, the tuition waiver is in effect for one academic year, beginning with the fall semester and ending with the following summer term, regardless of when it was awarded. Students who had the benefit for the spring 2012 semester may use it through the summer before re-applying for the next academic year. It will cover tuition charges remaining after all other forms of financial aid have been applied. Students must re-apply for the waiver each year they wish to attend the college.

Contact the Office of Admissions and Records, Bladen Hall, Room 126 to obtain the necessary forms to apply for this waiver and to obtain the full description of this benefit.

Employer-Paid Tuition
1. It is your responsibility to present the purchase order (two copies) and letter of intent to the college and is paid directly by the employer. If you are entitled to a reimbursement for books, you must obtain a separate purchase order, tuition assistance form, or letter of intent addressed to Prince George’s Community College bookstore.

2. The purchase order, tuition assistance form, or letter of intent must state your name, social security number or your D.O.B., amount to be borrowed, billing address, and original signature of person(s) authorizing payment.

3. The purchase order, tuition assistance form, or letter of intent will not be accepted after you have paid your tuition yourself. You must be reimbursed by your employer or agency in this case. The college will not bill in order to reimburse you.

Veterans with Education Benefits
Two groups of veteran students are excluded from the payment of tuition and fees at the time of registration:

1. Veterans participating in the VA Vocational Rehabilitation Program (Chapter 31) must complete the required paperwork with the Veterans Services Office in Bladen Hall, Room 124 and then take a copy of their bill and a copy of their form 28-1905 to the Cashier for processing the same day as registration.

2. Veterans eligible for benefits under the Post 9/11 GI Bill (Chapter 33) need to complete the required paperwork with the Veterans Services Office in Bladen Hall, Room 124 each semester. They will then be held in their classes until the VA has paid their portion of the tuition and fees. Any remaining amount will be billed to the student and must be paid prior to enrollment in a new semester. If the student fails to pay the remaining funds under this program drop any course they do not want to take prior to the refund deadline, in order to prevent an overpayment situation with the VA.

Veterans receiving benefits under any other VA program are expected to pay their tuition in full at the time of registration. The college will not hold students in their classes pending the student’s receipt of a monthly benefit check later.

Prince George’s Community College Employees
Full-time and regular part-time college employees who are eligible to enroll in classes while working at least 10 regularly enrolled students are exempt from payment of tuition but not fees. In addition, such employees may participate in the employee tuition reimbursement program. If an employee fails to pay the portion of the college bill $50 or less, the employee will be subject to being dropped for nonpayment, consistent with the college’s payment expectations for all other students.

Returned Checks
If the college receives final notice of the returned check being returned for any reason prior to the start of a semester, you will be dropped from all classes with no financial obligation other than the return check fee and registration fee. All checks are deposited twice.

If the college receives final notification of the returned check on or after the first day of the semester, you will not be dropped from classes. You will remain enrolled unless you personally withdraw or otherwise adjust your schedule.

Summer 2012 Schedule of Credit Classes

www.pgcc.edu
Payment Information

During the refund period. At the end of that period, you, the student, will be liable for tuition and fees for all remaining courses plus the return check fee, regardless of whose check was used to pay your tuition. No grades will be released or transcripts issued until the indebtedness has been paid.

Delinquent Accounts
Delinquency in payment of any amount due from a student or former student to the college or under any loan program administered by the college, or failure of financial aid recipients to complete an exit interview before leaving the college will result in denial of registration, exclusion from classes, withholding of grades and transcripts. The college employs the services of the State Central Collection Unit (SCCU). One of the SCCU measures is to refer delinquent accounts to the credit bureau. If your delinquent account is referred to the credit bureau, it will remain on your credit report for the next seven years. If your delinquent account is referred to a collection agency, you will be held liable for all collection costs incurred in addition to the delinquent amount due. These collection costs can add up to one-third additional expense to your indebtedness to the college.

PGCC Owl Debit Card
All credit students will receive a PGCC Owl Debit Card, issued through Higher One Bank. This card is very important and must be acted upon in order to set up a preference for the way refunds from the college will be delivered to you. This includes financial aid rebates. Students may choose to have refunds and rebates processed as deposits to their PGCC Owl Debit Card or they may choose to have refunds electronically deposited in another bank account specified on the Higher One/PGCC Owl Debit Card activation site. The college no longer issues paper checks.

Refund Policy
The college instituted a new refund policy, effective with the past academic year. All refunds are now calculated based upon the number of calendar days (not class days) that have elapsed since a class began, to include the first day of class. The deadline is therefore no longer a specific date for all courses; each section is refunded according to its own starting date. One set of rules applies to courses longer than five weeks in length; another applies to those of less than five weeks in duration.

For courses longer than five weeks in length, the following refund periods apply:
- Course dropped prior to the start of class: 100%
- Course dropped on the 1st or 2nd calendar day before midnight: 100%
- Course dropped on the 3rd through the 9th calendar day before midnight: 75%
- Course dropped on the 10th through the 14th calendar day before midnight: 50%
- Course dropped the 15th calendar day or later: No refund.

For courses five weeks or shorter, excluding one-week workshop format courses, the following refund periods apply:
- Course dropped prior to the start of class: 100%
- Course dropped on the 1st or 2nd calendar day before midnight: 100%
- Course dropped the 3rd calendar day before midnight: 75%
- Course dropped the 4th calendar day or later: No refund.

For courses taught in the one-week workshop format, the 100% refund deadline is the first day of class. No refunds will occur after that time. In addition, the following apply:
1. No refund of registration fee or late registration fee.
2. Tuition and related fees will be refunded 100 percent for courses dropped prior to the deadline dates listed in the refund schedule above.
3. One hundred percent (100%) refund if the class is canceled or rescheduled by the college.
4. No refunds will be given after the dates listed in the refund schedule.
5. Refunds of payments made by credit card will go back to that card as a credit.
6. All other refunds are issued electronically according to the preference set by the student when they activated their PGCC Owl Debit Card. No paper checks will be issued.

NOTE: No refunds after the dates or periods indicated. (The college reserves the right to make changes in the aforementioned schedule as required.) Please note that exchanging a course that is past its 100% refund deadline for another course in effect constitutes a refund. Students should be aware that dropping one course to add another one may not result in an even exchange of money, depending on the timing of the exchange.

Textbook Rental Program
The Prince George’s Community College Bookstore is pleased to provide a textbook rental option in order to help reduce the overall cost of textbooks.

Here is how the program works:

1. Rentable texts will be identified by a special “RENT ME” sticker and shelf signs.
2. The “rental price” of the textbooks will be up to 50% off the NEW retail price, regardless of whether the student rents a new book or a used book.
3. Students can either choose to buy the books at the regular price or they can choose to rent them. They must inform the cashier at the time of purchase if they want to rent any of their books which qualify.
4. Rented books will be tagged with special stickers which should not be removed by the student.
5. Students may pay for their purchase by any standard method currently accepted. However, they MUST present a valid credit card and a campus e-mail address at the time of purchase. This information is retained by the bookstore as protection against unreturned texts.
6. Rental purchases are subject to the same refund/exchange policies as all other books. You must keep your receipts for all refunds and exchanges.
7. All rented books must be returned to the bookstore by a specific date, typically the last day of final exams. Failure to do so will result in the student being charged the remaining cost of the text plus a 10% penalty fee.

Financial Aid

Financial aid awarded by Prince George’s Community College consists of Federal grants and loans, scholarships from a variety of sources, and work-study opportunities.

If you have financial aid remaining for the summer, you should see the amount of aid for which you are eligible printed on your bill as “Financial Aid Awarded.” The aid must be accepted and activated through the college’s website. Your registration is not complete until you have accepted your aid! If you think you have financial aid that is not appearing on your bill, please contact the Financial Aid Office, located in Bladen Hall, Room 121 before you make a payment. Students whose balances after all aid has been applied exceed $150 are subject to being dropped for nonpayment.

Weekend College

**What is the Weekend College?**
The Weekend College serves the needs of those who might not otherwise be able to participate in college credit study during the week. It offers busy adults a wide variety of courses in a weekend format.

**What are the Weekend Options?**
A number of options or course formats are available to students. In most instances, students will make their selection of course format on the basis of time schedule alone. However, a growing number of students are beginning to make their selection on the basis of their preferred learning style. For instance, courses offered in an intensive format on three weekends usually attract students who enjoy an active role and thrive on class discussion and participation. On the other hand, courses offered for three hours on 14 consecutive Saturdays or Sundays (Fall and Spring semesters only) tend to attract students who may enjoy a more moderate pace. Regardless of format or learning style, the Weekend College offers quality instruction on a convenient schedule.

**How many courses may a student take in the Weekend College?**
A student may take two or three courses per semester depending upon the schedule option. For instance, a student may choose to take courses sequentially and enroll for courses that meet normally on three alternating weekends. The three-weekend (Friday evening/all day Saturday) schedule enables a student to sequence three courses within one semester. As an alternate method, a student may choose to take two courses concurrently by enrolling for a course on Saturday mornings and a second course on Saturday afternoons or registering for one of our Sunday courses. These courses generally meet three hours for 14 class sessions; see the schedule for exceptions. For more information, call the Weekend College office at 301-322-0785.

Registration for most weekend courses is cut off some time prior to the beginning of each class so that the students who are registered for the course have enough time to receive an orientation letter from the instructor, purchase their textbooks, and complete any initial assignments that might be due at the first class meeting. Information will be sent to the student’s address on record. If you do not receive an orientation letter and/or syllabus from your instructor a week before your course begins, call the department to get the information.

**Weekend Courses**
Weekend Courses for Summer 2012 begin the weekend of June 8. For confirmation of course dates and times, course descriptions and prerequisites, please check under specific credit course headings inside this schedule.

Extension Center courses will list the center following the course title (AAFB = Joint Base Andrews, JHES = John Eager Howard Elementary School, UTC = University Town Center, LCC = Laurel College Center, and LAW = Law Library in Upper Marlboro).

All other courses meet at the main campus in Largo.

The Laurel College Center

The Laurel College Center (LCC) resulted from a unique joint effort between Prince George's Community College and Howard Community College to make higher education more accessible to the residents of Laurel and the surrounding area. Located at 312 Marshall Avenue in downtown Laurel near the Laurel Shopping Center and Laurel Center Mall, the LCC seeks to make higher education accessible to anyone over the age of 16 who works or lives in the Laurel area, especially those whose home residence is in either Prince George's County or Howard County. However, anyone can take classes at the LCC, whether you have never taken a college class before or already have a college degree, whether you want to pursue a degree program or just take a course or two for fun, and regardless of where you live.

At the LCC, you can take individual courses, credit and noncredit, or you can earn an associate's degree in business administration, general studies, teacher education or criminal justice.

Noncredit, continuing education courses, which are published in a separate schedule, are also offered at the LCC to help you upgrade your job skills in a variety of areas including computers, finance and management, or simply for your enjoyment.

Getting Started—Admissions Procedures

New students need to complete an application for admission to Prince George's Community College. The application may be submitted online, or submit it to the LCC or to the college's main campus located at 301 Largo Road, Largo, MD 20774.

There is a $25 application fee which must be submitted with the application. You may obtain an application from the LCC or from the Largo campus. You also may call 1-866-228-6110 to have one mailed to you.

Advisers from the main campus in Largo come to the LCC several times a week and can meet with you to discuss your interests, provide career information, and assist you with course planning and selection. They can also tell you about other services such as placement testing, financial aid, and support for students with disabilities. See inside back cover for a more complete list of services and contact information.

Registration for Classes

You may register in person at the LCC or on the Largo campus. Returning students also may be eligible to register through Owl Link, the college's online registration system. More information on this option may be found elsewhere in this schedule.

Registration for returning students and new students begins April 23. Students are encouraged to register early, since courses are filled on a first-come, first-served basis.

Tuition/Fee Information

Tuition bills are due by 11:59 p.m. the day of registration. Students will be dropped from their courses if the bill is not paid on that day. Payment can include application of approved financial aid or enrollment in the college's deferred payment plan, NBS/FACTS, described elsewhere in this schedule.

All students pay a $25.00 registration fee. All other charges are calculated according to the number of credits being taken. The charge for tuition differs according to your county and state of residence. For more information, call toll-free 1-866-228-6110.

Tuition Rates

- Prince George’s County Resident: $96.00 per credit
- Other Maryland County Resident: $167.00 per credit
- Out-of-state Resident: $255.00 per credit

In addition, each course is assessed an Instructional Service Fee, also charged per credit, of $38.00 per credit.

Financial Aid Information

You may apply for all forms of financial aid to support your credit coursework at the LCC. Due to the complexity of determining eligibility for financial aid, you are advised to work through the Financial Aid Office on the Largo campus. However, financial aid applications are available at the LCC along with general information on processing procedures and deadlines.

Students enrolling at the LCC also may participate in the college's deferred payment program, NBS/FACTS, which allows you to spread your tuition payments over several months. See page 7 of this schedule for more details about the NBS/FACTS program.
