Ways To Give

Cash

You can make cash contributions to the Foundation at any time. Checks should be made payable to the Prince George’s Community College Foundation, Inc.

Non-Cash

Non-cash gifts, such as equipment and furnishing, are welcome. Please contact the Foundation Office to determine if your gift would be appropriate for the College.

Securities

Stocks and bonds are excellent ways of giving. Your tax deduction will be based on the value of the securities at the time of the gift.

Life Insurance

Giving life insurance to the Prince George’s Community College Foundation is another way you can make a difference and a variety of options exist for you to do so. Many people give policies they already own, naming the Foundation as a beneficiary. Some give policies that are no longer needed, enabling them to make large gifts at little or no new cost. Still others purchase new policies for charitable gift purposes. Life insurance gifts offer economical, flexible, and discreet ways to support the College.

Real Estate

Appreciated property is another good way to make a gift. The value of the gift is deductible, and your profit will not be taxable as a capital gain.

Retirement Plans

You might consider naming the Prince George’s Community College Foundation the first, second, or last beneficiary of a retirement plan, such as 401(k) plans, SEPs, KEOGs, IRAs, or tax-sheltered annuities. Or, you might use a retirement plan to fund a Charitable Remainder Trust (CRT).
