## Important Information About Summer Tuition Payment

For all summer session registrations full payment of tuition and fees is required the same day as registration, regardless of when a particular class may begin. Students have until 11:59 p.m. on the day of registration to pay in order to avoid cancelation of their classes later that night. Only those whose balances are less than $150 will be carried over and billed.

The college considers payment to consist of the following:

1. Payment in full using cash, check or credit card
2. Successful enrollment in the college's approved payment plan, NBS/FACTS, described later in this schedule
3. Use of available financial aid, as posted on the bill
4. Activation or continuation of Post 9/11 or Chapter 31 VA benefits
5. Third party payment vouchers or billing authorizations presented to the Cashier's Office on the day of registration

Students who have a pre-approved Disability Tuition Waiver will be held in their classes, as will all students age 60 or older. The college strongly encourages those with pending financial aid to enroll in the college's payment plan rather than risk losing classes. Go to www.pgcc.edu and click on the quicklink “Paying for College” for important information about the payment plan.

### How to Read Course Information in the Schedule of Classes

1. The first line for each course listed in the schedule contains the subject and the 4-digit course number, the course title and the number of credits or Equivalent Hours (EHs) the course carries.

   - **INT** = Subject
   - 1010 = course number
   - **Intro. to Information Technology** = title
   - 3 credits = credits

2. The next line indicates what, if any, prerequisites the course may have. In other words, this is what you need to have completed before you enroll in this course.

3. Individual course offerings are arranged according to various locations.

4. Each course section line indicates precisely the days/time/dates/location of one offering of the course.

   - You are actually going to register for one section of any course if you know the course subject (INT), number (1010) and section (LD02) identifier you desire.

5. You can also register for any section by indicating the 5-digit synonym (64652 in this case). You don't need any other information if you use the synonym.

6. Additionally, the date, time and location has been conveniently spelled out for you below each course section line.

7. Additional information about the course is provided in the Notes section.

**Register Online Using Owl Link!**

Students at Prince George’s Community College are encouraged to self-register for credit classes using Owl Link. Owl Link is accessible in two ways—through the College website at www.pgcc.edu or through My PGCC, a home page just for students at my.pgcc.edu. To access Owl Link, you must have a current e-mail address on record with the college. You must then follow the link for Credit Students and log in entering your Owl Link User ID and password.

Once in Owl Link, there are a variety of options under the heading of Credit Registration. Select the one that seems most appropriate for you. Or, under the heading Search for Credit Courses, you can search for course sections that are still available for registration for the summer, 2013 semester. There are other functions available through Owl Link as well. Here is a sampling of what may be accomplished once you have logged in to this system:

**Under My Financial Information students can:**

- Pay tuition bills using a savings or checking account or a credit card.
- View a current bill to see if there is an outstanding balance.
- Enroll in the NBS Tuition Payment plan.

**Under My Financial Aid students can:**

- See the status of paperwork submitted to the Financial Aid Office.
- Find out the amounts and types of financial aid offered to you.
- See how the financial aid awards are determined.
- Accept or reject aid offered to you.

**Under My Credit Academic Records, students may:**

- View grades and GPA by term
- See a copy of their class schedule for a term
- Complete an Academic Program Evaluation to see what is still needed in their program of study or in an academic program being considered for the future.
- See a summary of placement test scores.

**Under My Transcript, students may:**

- Access and print an unofficial transcript.
- Request an official transcript.
If students are reluctant to try this system because they aren’t sure of their User ID or password, there is even a section to help solve that problem. And there are Help files attached to every function to assist when using each feature for the first time.

Owl Mail
Prince George's Community College assigns all students a secure student e-mail account called Owl Mail. After a student has registered for the semester, all electronic communication between the college faculty/staff and students will be sent only to this e-mail account. Owl Mail will be the only means available to interact electronically with faculty, to participate in online courses, and to receive official notices and important announcements on a timely basis.

To activate your Owl Mail account, you must have the following things:

- An e-mail from the college to your home/personal e-mail address notifying you that an Owl Mail account has been created for you.
- An Owl Link account and User ID
- Your 7-digit Student ID number
- Current or upcoming semester enrollment
- Internet access

Notice of the creation of your Owl Mail account will be sent by e-mail to your personal e-mail address. It is critical that you activate your account as soon as you are notified that it is available. Accounts not activated within 30 days will be made unavailable. So, if you have not yet activated your Owl Mail account, here is what you need to do:

- At a computer with Internet access, open a web browser (Internet Explorer, Firefox, etc.)
- In the address line at the top, enter http://live.pgccc.edu/ (Do not include www.)
- Read and follow the directions on the page that appears at the above web address.

Please share your Owl Link online registration experience with us by e-mailing pgccares@pgccc.edu

Admission
Students who wish to enroll in any course found in this schedule of classes must be formally admitted to Prince George’s Community College prior to registration for classes. In addition, former students who have not attended the college in more than two years may need to apply for re-admission prior to registration.

Students are encouraged to apply online at www.pgccc.edu. Applications for admission may also be obtained from the Office of Admissions and Records, Bladen Hall, Room 126 or from any of the college's extension and degree centers.

A $25.00 non-refundable application fee must be paid at the time the application is submitted.

Special Admission/Registration Procedures

High school concurrent enrollment and dual enrollment students: You must be a high school senior or a junior 16 years of age or older at the time the semester begins. You must have a minimum high school GPA of 2.50 to enroll. Bring an official high school transcript and written clearance from the principal to the Office of Admissions and Records when you come to register. You are also required to take relevant college placement tests before your first registration. Students who test into developmental courses cannot participate in either of these programs.

Health science applicants: Meet with an advisor regarding the special requirements for entry into the Health Science programs. Most of these programs have limited enrollment and students are selected by pre-established criteria.

Visiting students: Students from other colleges who wish to take a course during their summer break are welcome to do so provided they have been admitted. Reading and English placement tests are waived for visiting students and no formal evaluation of transfer credit is required. Students who wish to enroll in upper level courses or in math courses must verify that they have completed the listed prerequisites. Email advising@pgccc.edu to begin this process.

Transfer students: If you wish to transfer credits from another United States institution, you must complete the Request for Evaluation of Transfer Credit form available at www.pgccc.edu or at the Office of Admissions and Records. You must also have each former school send an official transcript to the Office of Admissions and Records. Please allow 4–6 weeks for a formal evaluation to be completed and posted to your college transcript. Bring unofficial transcripts or grade reports with you when you register for your first semester at Prince George’s Community College. The college will also evaluate military transcripts and work-related training approved by the American Council on Education. Transcripts from non-United States colleges must be evaluated by an external provider of this service before being submitted to the college for evaluation. Contact Transfercredit@pgccc.edu for more information.

Students with prior degrees: Students who wish to take classes at the college but who have already earned an associate’s degree or higher from an accredited United States college or university are exempt from all placement tests. Be sure to indicate that you are a college graduate on the application for admission.

Students who enroll in a course based upon their prior degree assume full responsibility for possession of the background skills and knowledge required for success in the course. Use of this prerequisite exemption may not be used later as grounds for an exceptional refund or as the basis for challenging a grade. The college reserves the right to limit the number of courses for which students may enroll using this exemption.

International applicants: If your official residence is outside the United States and you wish to attend using an F-1 student visa, call the Office of Admissions and Records for information on the special requirements for enrollment at 301-336-6000. Note that the college does not admit F-1 students to begin their studies in the summer semester. The application for admission must be received by May 1 for fall semester enrollment and by October 1 for spring semester enrollment. F-1 students who wish to transfer from another college in the United States must apply by June 15 for the fall semester and December 1 for the spring.

International applicants who do not wish to receive a student (F-1) visa should follow the procedure for permanent residents given below.

Permanent residents: If you are an official U.S. resident but not a U.S. citizen, bring your passport, alien registration or permanent resident card to the Office of Admissions and Records when you apply for admission. Non-citizens will not receive in-county tuition rates until such documentation is received. If your native language is not English, you must go to the Academic Advising Office, Bladen Hall, Room 124 to arrange for English proficiency testing. Students who fail to provide documentation of visa status will be charged as non-Maryland residents. This includes undocumented students until eligibility for the Dream Act Tuition Reduction is established. Go to the college’s web site to learn more about applying for this tuition reduction.

Veterans: Go to the Veterans Services Office in B-124 after you register in order to complete the required paperwork. You can also complete and submit the forms online. Call 301-583-5282 or email veterans@pgccc.edu for more information.

Disabled students: If you require special services (e.g., interpreters, recorded materials) you must register and submit a paid bill receipt to the Disability Support Services Office one month or more before the start of classes to assure provision of those services. Call 301-322-0838 or (TTY) 301-322-0122 for more information.

Note: Students in need of sign language interpreters for advisement and registration MUST schedule this service through the Disability Support Services (DSS) Office at least one month in advance of the anticipated registration date. Call 301-322-0838 or (TTY) 301-322-0122 to make an advisement/registration appointment.

The schedule of classes is subject to change. Visit Owl Link for the latest course updates at www.pgccc.edu.
REGISTRATION INFORMATION

Students on academic warning or restriction:
If you were put on academic warning at the end of your last semester here, whenever it was, you will be limited to enrollment in a maximum of 13 credits. If you have been placed on academic restriction you must meet with an advisor and complete a “Petition for Academic Reinstatement” form if you wish to enroll as a full-time student. Otherwise, you will be limited to two courses to be selected according to the criteria listed in the college catalog. You cannot register using Owl Link.

Students on dismissal:
If you were dismissed at the end of any semester prior to spring, 2013, you must see an advisor to complete the “Petition for Academic Reinstatement” form before registering. No student dismissed in the spring 2013 semester may register for the summer or fall semesters unless special permission has been granted by the Academic Appeals Committee. Appeals must be submitted in writing by completing the “Petition for Academic Reinstatement” form with an academic advisor. The form must be completed by May 24 to qualify for reinstatement for the summer semester and by August 16 to qualify for reinstatement for the fall semester. Call 301-322-0151 for more information. Or e-mail advising@pgcc.edu.

Placement Tests
First-time college students and some transfer students are required by the college to take placement tests. The tests include basic skill assessments in reading comprehension, writing, and mathematics. These tests are given electronically, are untimed, and may be taken separately or all at one time. Students who are not proficient in English will be given a different, paper-based examination that includes a writing sample. A required orientation/academic advisement session is then scheduled after completion of all examinations in order for test results to be interpreted and an appropriate selection of classes made. The testing/advisement requirement applies whether students wish to attend full-time or part-time.

It is suggested that you look at sample tests on the Student Assessment Services web page found on the College’s Website and study the questions prior to taking the actual examinations.

Students who feel they did not perform to their full ability on one or more of the placement tests may meet with an academic advisor to request permission to repeat one or all of them. Only one repeat is allowed for each test, and the second testing session cannot be on the same day as the first one. Students repeating the English placement exam should know that a writing sample will be required as the second attempt and it will take several days for the results to be recorded.

Note: Students must present a picture ID in order to enter the Testing Center.

Registration Dates (Largo Campus)

In-person Registration Dates
- Apr. 22 – June 2 for 10-week and first 5-week classes
- Apr. 22 - July 7 for second 5-week classes

Register for a particular course is 11:59 p.m. the day before its published start date. There will be no registration for any class on the day it begins or anytime thereafter.

Online courses begin on the first day of the semester unless they have a different start date published. They will therefore have the same registration cutoff date as any other course which begins on the first day of the semester.

Exceptions to the Late Registration Policy
In general, students will not be allowed to enroll in courses once the registration deadlines have passed. In any instance that an exception must be made, the registration or schedule adjustment must be approved by the Dean responsible for the academic discipline under which the course falls. In addition, students will be required to complete an Exceptional Registration Responsibility Form, available only from the academic deans’ offices, in which they acknowledge their forfeiture of all or part of the refund period for the course and in which they agree to accept full responsibility for the repercussions of registering after the class has begun. This form also must be signed by the Dean. Forms may not be completed by phone or over the Web. All such registrations will be processed one business day after the paperwork is completed by the Dean.

Students will then have until the end of that day to pay for the class to avoid having it cancelled for nonpayment.

Cancellation of Classes
The college reserves the right to cancel sections, change meeting places, or make other changes that the college deems appropriate. Every effort is made to notify students of course cancellations by phone and by e-mail prior to the start of classes. If a class is cancelled, all tuition and fees will be automatically refunded unless the student selects a comparable course to replace the cancelled one.

Web Registration (Owl Link)
www.pgcc.edu Web registration system is available 7 a.m.–midnight, seven days a week during the time periods listed above.

Note: Some courses taught in an accelerated format may have earlier published registration deadlines which prohibit registration after the published date. Check the class schedule under the specific course and section you wish to take to see if this applies. In such instances, no registrations will be accepted after that deadline.

Web Registration Dates (Largo Campus)

- Apr. 22 – June 2 for 10-week and first 5-week classes
- Apr. 22 - July 7 for second 5-week classes

Web registration system is available 7 a.m.–midnight, seven days a week during the time periods listed above.

Class Schedule Changes
You may adjust your schedule online anytime during the registration period. Or you may complete an add/drop form and submit it to the Office of Admissions and Records or to one of the extension centers. Do not ask an advisor or faculty member to do this for you! And you must adhere to the registration deadlines given below.

Registration/Drop-Add Deadlines
The registration policy states the following:

The last day on which you may add or register for a particular course is 11:59 p.m. the day before its published start date. There will be no registration for any class on the day it begins or anytime thereafter.

Online courses begin on the first day of the semester unless they have a different start date published. They will therefore have the same registration cutoff date as any other course which begins on the first day of the semester.

These deadlines apply to all courses regardless of when they begin. Late-starting courses will remain available until they fill or until they reach their registration deadline. Courses taught in the weekender format have start dates two weeks prior to the first on-campus meeting date. Registration will be allowed once that start date has been reached.

Note: Some courses taught in an accelerated format may have earlier published registration deadlines which prohibit registration after the published date. Check the class schedule under the specific course and section you wish to take to see if this applies. In such instances, no registrations will be accepted after that deadline.
Room Assignments and Changes
Classrooms marked TBA (to be arranged) in the class schedule will be assigned before classes begin. In addition, some classrooms need to be changed to accommodate class sizes or special needs. Room assignments and changes to room assignments are available on Owl Link as soon as they are made. Check Owl Link prior to the start of your class for the latest room assignment. In addition, changes are posted on the Portal, MyPGCC.edu. Read these notices carefully to be sure they apply to your specific course section!

College Closings
It is the practice of the college to hold all regular classes on all days scheduled on the college calendar. Should an emergency arise that requires the cancellation of classes and activities, the following radio stations will be asked to announce the college’s closing shortly after the decision is made: WMAL, WRC, WTOP, WGAY, WAVA, WASH, WHUR, WPGC, AND WWXM. The following TV stations will be asked to announce the closing: WRC (4), WTGT (5), WJLA (7), WUSA (9), and NewsChannel 8. Information concerning the college closing also can be obtained on the college website at www.pgcc.edu as well as by calling 301-336-6000. Students can also receive direct notification of closures and other emergency information by signing up for Owl Alert. Notification can go directly to cell phones or to e-mail. Go to www.pgcc.edu to subscribe to Owl Alert.

In case of hazardous weather, extension center classes will be cancelled at local public school locations when the Prince George’s County Board of Education announces that the public schools will be closed. Other sites, such as Joint Base Andrews, the Laurel College Center and the University Town Center will follow the Largo campus weather schedule. If the Largo campus closes as a result of inclement weather, classes at extension centers and sites will be cancelled.

When the college announces a delayed opening, all classes with at least 45 minutes of class time remaining at the time of the opening will be held. For example, in the event of a 10 a.m. opening, a 9:30-10:45 a.m. class will be held. This procedure applies to all credit classes.

Child Care
The Childtime Children’s Center offers full day care, hourly care, and summer day camp child care services for the students, staff, and faculty of the college. The center is an independent facility that leases its campus location. For additional information, call the Childtime Children’s Center, 301-336-7740.

ID Cards
All students, including visiting students, must have a college photo ID card created. Students should go to the library (Accokeek Hall) or to the Office of Admissions and Records to obtain a card. A time schedule for the availability of this service is listed on the inside back cover of this schedule under “ID Card Services.” ID cards may also be created at the University Town Center, the Laurel College Center and the Joint Base Andrews degree center. Check each center’s portion of this schedule for the times this service is available at that location.

Students who received their photo ID cards in a previous semester should go to either the Admissions and Records Office, Bladen Hall, Room 126, or to the library in Accokeek Hall to have their ID cards validated for the summer, 2013 semester. You must verify summer registration and tuition payment to receive your validation sticker. All other returning students must follow the procedure for new students given in the first paragraph. ID cards may also be validated at the University Town Center, the Laurel College Center and the Joint Base Andrews degree center. Check each center’s section of this schedule for their hours of availability for this service.

ID cards must be displayed at all times and are required for use of the library and computer labs, access to campus services and events, and in the bookstore and cafeteria. Students who lose their ID card must pay a $10 replacement fee.

The College expects that students will display their college ID cards and provide other proper photo identification upon request as it is a requirement prior to the use of college facilities. Such identification will include a properly validated college ID card and one other form of photo identification—a current driver’s license, a Maryland Motor Vehicle Identification Card, a military ID card or a current passport/work permit or permanent resident card.

Parking Permits
All students who intend to drive to the Largo campus are asked to obtain a parking sticker for each vehicle they intend to park in one of the college’s parking lots. This will identify a car to campus police officers as legitimately parked on campus and also will allow officers to contact the owner quickly in the event of an emergency. Stickers may be obtained from Campus Police in the Bladen Hall substation or at their main office in the Facilities Management Building.

Students must park in lots identified as available for student parking. Those who park in areas reserved for faculty and staff will be ticketed.

Workforce Development and Continuing Education
Workforce Development and Continuing Education offers noncredit courses to help county residents further their educational, cultural, career, or recreational goals. Classes may be taken in semester-long or short courses, intensive one-or two-day seminars, instructional clinics, or special interest programs.

Workforce Development and Continuing Education class schedules are published separately and distributed four times throughout the year. They are available on the college’s website, www.pgcc.edu. Or, call 301-322-0875 to receive a copy of the latest schedule of offerings. You may also obtain a copy from the Office of Admissions and Records in Bladen Hall, Room 126.

Nondiscrimination Information
Prince George’s Community College is committed to a policy of equal opportunity for all persons to the end that no person, on the ground of sex, age, race, color, religion, national origin, ancestry, marital status, sexual orientation, or status as a qualified individual with a disability, qualified disabled veteran or Vietnam-era veteran, shall be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity of this institution. Under this policy, this institution will not discriminate against any person on the ground of sex, race, age, color, religion, veteran’s status, disability, ancestry, marital status, sexual orientation, or national origin in its admission policies and practices or any other policies or practices of the institution relating to the treatment of students and other individuals, including employment, the provision of services, financial aid and other benefits, and including the use of any building, structure, room space, materials, equipment, facility, or any other property. One who believes oneself or any specific class of individual to be subject to prohibited discrimination may, through themselves or through a representative, file a written complaint with the Office of Civil Rights of the Department of Education or with the college president, or both. Alonia C. Sharps, Room 130, Kent Hall, 301-322-0170, coordinates the college’s program of nondiscrimination.

Title IX
Prince George’s Community College, as a recipient of federal financial assistance, is subject to Title IX of the Education Amendment of 1972, as amended. It is college policy not to discriminate on the basis of sex in the educational programs or activities that it operates. This policy not to discriminate in educational programs and activities extends to admission to the college. Indeed, the college actively encourages the enrollment of interested students, regardless of race, sex, national origin, age, color, ancestry, religion, marital status, veteran’s status, or disability, in all of its educational programs, and fully supports student access to all programs without regard to sex stereotyping or other such limitations. Inquiries concerning the application of Title IX may be referred to the director of the Office of Civil Rights of the Department of Education or to Alonia C. Sharps, executive assistant to the president, Room 130, Kent Hall, 301-322-0170.
Student Right to Know Act
Relative to the Student Right to Know Act of 1990, Prince George’s Community College provides information regarding the graduation/persistence rates of designated student population groups in degree and/or certificate programs. This information can be obtained from the Office of Planning and Institutional Research, Kent Hall, Room 231.

Campus Security Act
At Prince George’s Community College every effort is made to increase students’ awareness of issues involving their safety and security. While the college is located in an attractive suburban environment, it is within the proximity of two metropolitan areas and not isolated from safety issues of society in general.

Relative to the Campus Security Act of 1990, Prince George’s Community College provides information regarding the safety and security of college community members. This information can be obtained from the Campus Police Substation located in Bladen Hall.

FERPA
Notification of Rights under the Family Educational Rights and Privacy Act (FERPA) for Postsecondary Institutions
The Family Educational Rights and Privacy Act (FERPA) affords you, the student, rights with respect to your education records. They are:

1. The right to inspect and review the education records within 45 days of the day Prince George’s Community College receives your request for access. You must submit to the director of admissions and records a written request that identifies the record(s) you wish to inspect. The director will make arrangements for access and notify you of the time and place where the records may be inspected. If the records are not maintained by the Office of Admissions and Records, the director will advise you of the college official to whom the request should be addressed.

2. The right to request the amendment of education records that you believe are inaccurate or misleading. You must write the college official responsible for the record, clearly identify the part of the record you want changed, and specify why it is inaccurate or misleading.

   If the college decides not to amend the record as requested, the college will notify you of the decision and advise you of your right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to you at that time.

3. The right to consent to disclosures of non-directory, personally identifiable information contained in your education records, except to the extent that FERPA authorizes disclosure without consent.

   One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the college in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the college has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees.

   A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

   Directory information is information which may be released to a third party without your written consent. Directory information includes, but is not limited to, name, address, telephone number, e-mail address, place of birth, dates of attendance, degrees earned, and previous colleges attended. While the college does not routinely release such information to anyone who inquires, it may legally do so if the third party demonstrates a legitimate need to know such information. You may refuse to permit such disclosure without your written consent by notifying the director of admissions and records in writing of your wish to be excluded from such a release of information.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the college to comply with the requirements of FERPA. FERPA is administered by the Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-4605.

Servicemember’s Opportunity College
Prince George’s Community College has been identified by the American Association of Community Colleges as a Servicemember’s Opportunity College (SOC) providing educational assistance to active-duty servicemembers. Call 301-583-5282 for more information.

Final Exam/Last Class Schedule
During the summer, final exams are normally held the last scheduled day of classes. Consult your course syllabus for specific dates and times. Faculty are expected to submit final grades within 48 hours of the final exam.

Disabled Students
If you require special services (e.g., interpreters, recorded materials), you must register and pay for your courses one month or more before the start of your class. Accommodation for the summer semester cannot be guaranteed if the request is made after May 17, 2013. Call 301-322-0838, (TTY/TDD) 301-322-0122 for more information. Disability documentation required.

Accessible transportation will be provided to accommodate handicapped persons on all school-sponsored trips. Requests for accommodations must be made a minimum of 15 days prior to any trip.

Alumni Association
The Prince George’s Community College Alumni Association is open to all former students of the college. Members of the Alumni Association receive identification cards that admit them to on-campus movies, the library, Novak Field House and discount use of the Natatorium. Alumni Association members who have received a degree from Prince George’s Community College are welcome to use Job Services. Membership in the association is open to all persons who have attended Prince George’s Community College and attained 15 credit hours or completed four noncredit courses. Call 301-322-0858 for more information.

Bookstore
The bookstore is located on the first floor of the Largo Student Center. Call 301-322-0912, or visit www.pgccbookstore.com.

Hours:
Monday–Wednesday, 8:30 a.m.–7 p.m.
Thursday, 8:30 a.m.–5 p.m.
Friday, 8:30 a.m.–4 p.m.
Saturday, 10 a.m.–4 p.m.
Hours are subject to change and are usually extended when credit classes first begin. See the Campus Services Directory on the inside back cover of this schedule for extended spring bookstore hours.

In addition to in-store purchases, students can purchase books via the telephone during regular business hours. The books can be charged to a credit card and picked up at the store or shipped to the customer via UPS (additional charge for shipping). Students also may purchase books online from the bookstore website (7 days a week, 24 hours a day). Books will be shipped via UPS (additional charge for shipping). Students taking classes at the University Town Center (UTC) may purchase their books there. Students taking classes at the Laurel College Center (LCC) can use the order form available at that center to order books. The books will be sent to LCC via the campus mail on Monday, Wednesday or Friday with no charge for shipping. Students may send checks or money orders or use credit cards for payment. The college is also pleased to offer a textbook rental program, described below.
Prince George's Community College
Owl Success Track—First Year Experience

Prince George's Community College recognizes that making the transition from high school to college is an exciting and challenging time in your life. Our goal is to ensure that your first year experience is positive, engaging, and rewarding. The First Year Experience can make a significant impact in terms of your overall level of performance, academic achievement, campus connection and advancement toward graduation.

Eligible students will be notified of the available days and times to sign up for S.O.A.R. (Student Orientation, Advising and Registration). Students new to the college experience and those with fewer than 20 credits are required to participate in the Owl Success Track at Prince George's Community College. This program offers incoming students an excellent way to make the most of their first year at the college.

Save the Date for the 21st Annual Bluebird Blues Festival

The 21st Bluebird Blues Festival is scheduled for September 21, 2013 at the Largo Campus.

In 1993, with the support of faculty, grant writers, and the community, Prince George's Community College led an effort to launch the Blues Project. The event was intended to introduce the blues to new listeners by increasing knowledge, enhancing understanding, and deepening appreciation of the genre for a wide and diverse audience. Entering its 21st year and known as the Bluebird Blues Festival, the community-based event features legendary blues performers and emerging talents. Guests experience the Largo campus and learn about the college and its mission to transform the lives of 44,000 students.

Jazz notables including Bobby "Blue" Bland, Clarence Carter, Bobby Parker, Cathy Ponton King, Memphis Gold, and the Legendary Orioles have performed at the event since its inception. Nbc4 and anchor Jim Handly have been perennial sponsors of the event for more than a decade. Previous corporate sponsors have included OneMain Financial, Comcast, WPFW, Maryland State Arts Council, Prince George's Arts Council, Allestate, Bank of America, Southern Management Corporation, The Pepsi Bottling Group, Thompson Hospitality, Holiday Inn Express, Prince George's Community College Foundation, Inc., Prince George's Community College Alumni Association and Prince George's Community College Bookstore. For more information about the 21st Annual Bluebird Blues Festival, call 301-322-0853.

Disclaimer

The provisions of this publication are not to be regarded as a contract between the student and Prince George's Community College. The college reserves the right to change any provision or requirement when such action will serve the interests of the college and its students. The college further reserves the right to ask a student to withdraw when it considers such action to be in the best interest of the college.

Textbook Rental Program

The Prince George’s Community College Bookstore is pleased to provide a textbook rental option in order to help reduce the overall cost of textbooks.

Here is how the program works:

1. Rentable texts will be identified by a special “RENT ME” sticker and shelf signs.
2. The “rental price” of the textbooks will be up to 50% off the NEW retail price, regardless of whether the student rents a new book or a used book.
3. Students can either choose to buy the books at the regular price or they can choose to rent them. They must inform the cashier at the time of purchase if they want to rent any of their books which qualify.
4. Rented books will be tagged with special stickers which should not be removed by the student.
5. Students may pay for their purchase by any standard method currently accepted. However, they MUST present a valid credit card and a campus email address at the time of purchase. This information is retained by the bookstore as protection against unreturned texts.
6. Rental purchases are subject to the same refund/exchange policies as all other books. You must keep your receipts for all refunds and exchanges.
7. All rented books must be returned to the bookstore by a specific date, typically the last day of final exams. Failure to do so will result in the student being charged the remaining cost of the text plus a 10% penalty fee.
Tuition (Subject to Change)
The college currently charges the following rates per credit hour:
- $98.00 per credit hour for county residents
- $172.00 per credit hour for out-of-county residents
- $265.00 per credit hour for out-of-state residents

Students who wish to petition for a change of residency status and a different tuition rate must do so by June 12, 2013 in order to have the change applied to the Summer semester. Contact the Admissions and Records Office for guidelines.

For more information about residency, see the current college catalog. All charges are levied per credit hour. There are no fixed charges for full-time students.

Fees (Subject to Change)
Required Fees
Application fee—$25.00 (nonrefundable)
Registration fee—$25.00 (nonrefundable)
Instructional Services Fee—$42 per credit

Example: A county resident student enrolling in a 3-credit, Level 1 class would pay the following:
- Class tuition ($98.00 per credit hour) $294.00
- Registration fee 25.00
- Instructional Services fee: ($42.00 per-credit-hour) 126.00

TOTAL $445.00

Other Charges/Fees
- Information Technology Certification fee $32.00 per credit
- Applied Music fee, per course $15 clock hours per semester $250.00
- Prior Learning fee, per credit $15.00
- Graduation fee $25.00
- Transcript fee, mailed/in-person requests $6.00 each
- Transcript fee, Web requests $8.00 each
- F-1 processing fee $25.00
- ID Card Replacement Fee $10.00
- NBSFACTS fee $35.00 per semester
- Returned check service fee $25.00
- Challenge Exam fee $35.00/$50.00

The Instructional Services Fee (ISF) is a mandatory per credit fee attached to all credit courses offered at the college. It is currently $42.00 per credit.

When to Pay
For the summer terms, payment in full is due by 11:59 p.m. the day of registration, regardless of when the course may begin. This can include enrollment in the college’s authorized payment plan and/or the application of approved financial aid or third-party payments. Any student who fails to pay the day of registration will be dropped for nonpayment.

NOTE: Students who have an outstanding balance of $150.00 or less after all financial aid and other payments have been applied to their bill will NOT be dropped from their classes and will be expected to pay the balance instead.

How to Pay
You may pay using the following methods:
- In person using cash, personal check, money order, or credit cards—MasterCard, Discover or VISA
- By mail with a check or money order.
- Online through the college’s website (www.pgcc.edu) linking to Owl Link, or through my.pgcc.edu
- By use of properly documented financial aid and scholarships
- By use of the college’s authorized payment plan, NBSFACTS, also available online.

Special Payment Procedures
Tuition Payment Plan (NBSFACTS)
This deferred payment plan is payable in installments based on the NBSFACTS application date. Follow the schedule of deadlines below. Pay the initial deposit and/or set up your payments under a scheduled automatic payment plan from a checking or savings account, Visa, MasterCard, Discover or American Express according to the plan due dates. The processing fee is $35.00. You must enroll in the NBSFACTS program through the Web. Go to the college’s website, www.pgcc.edu, and access the Quick Link to the NBSFACTS tuition payment plan. You must have your NBSFACTS application approved and processed before your bill is considered paid.

Payment Plan Due Dates
If the completed application is processed online on or before:
- June 3—50% deposit required.
- 2 monthly payments of remaining balance (June 20–July 20)
- July 5—50 percent deposit required.
- 1 monthly payment of remaining balance (July 20)

Note: No NBSFACTS applications will be accepted after July 5, 2013. For more information, pick up an NBSFACTS brochure at the college's Financial Aid Office or at the cashier’s window in Bladen Hall or call NBSFACTS at 1-800-609-8056.

Financial Aid
Financial aid awarded by PGCC consists of Federal and State grants, loans, and scholarships from a variety of sources, and word-study opportunities.

If you have financial aid remaining for the summer, you should see the amount of aid for which you are eligible printed on your bill as “Financial Aid Awarded.” The aid must be accepted and activated through the college’s website. Your registration is not complete until you have accepted your aid! If you think you have financial aid that is not appearing on your bill, please contact the Financial Aid Office, located in Bladen Hall, Room 121 before you make a payment. Students whose balances after all aid has been applied exceed $150 are subject to being dropped from all classes for nonpayment.

NOTE: Students who do not meet SAP (Satisfactory Academic Progress) criteria will not see aid posted on their tuition bill. Contact the Financial Aid Office if you have questions about this action.

Senior Citizens
Maryland residents who are age 60 or older at the start of the semester are exempt from the payment of tuition for courses for which state funding is received. In addition, they are exempt from payment of instructional services fees, but not application fees, registration fees and special instructional fees, e.g., applied music fees and telecredit fees.

Notwithstanding the provisions for exemption contained herein, the college reserves the right to cancel classes for reasonable cause, which may include insufficient enrollment of regularly enrolled (nonexempt) students.

Note: Textbooks, course supplies and materials are not covered by this exemption. For more information, contact the Office of Admissions and Records, 301-336-6000.

Maryland Disabled Persons
Any Maryland resident who is out of the workforce because of a permanent disability as designated by the Social Security Act, the Railroad Retirement Act, or the Office of Personnel Management (in the case of former federal employees) may be eligible for a waiver of tuition, but not fees, upon enrollment in credit courses which normally have at least 10 regularly enrolled students. This waiver applies for up to 6 credits for non-degree seeking students in credit courses and up to 12 credits per semester for those enrolled in a degree program or a credit certificate program that leads to employment. The college reserves the right to remove specific courses from the list available under the tuition waiver.

In order to qualify for this waiver, students must apply for financial aid using the Free Application for Federal Student Aid (FAFSA) for 2012-2013 prior to requesting the waiver and must present confirmation of that fact with the application for the waiver.

If awarded, the tuition waiver is in effect for one academic year, July 1 2012–July 15, 2013, regardless of when it was awarded. It will cover tuition charges remaining after all other forms of financial aid have been applied. Students must re-apply for the waiver each
year they wish to use it to attend the college.

Contact the Office of Admissions and Records, Bladen Hall Rm. 126 to obtain the necessary forms to apply for this waiver and to obtain the full description of this benefit. Or email your full name and address to enroll@pgcc.edu to have the necessary information sent to you. Be sure to put “Tuition Waiver Forms” in the subject line of your email.

Notwithstanding the provisions for exemption contained herein, the college reserves the right to cancel classes for reasonable cause, which may include insufficient enrollment of regularly enrolled (nonexempt) students.

Note: Textbooks, course supplies and materials are not covered by this exemption. For more information, contact the Office of Admissions and Records, 301-336-6000.

Employer-Paid Tuition

1. It is your responsibility to present the purchase order (two copies), tuition assistance form, or letter of intent at the time you register for classes.
2. The purchase order, tuition assistance form, or letter of intent must state your name, social security number or student I.D., amount to be paid, billing address, and original signature of person(s) authorizing payment.

Note: The bookstore is an independent entity from the college and is paid directly by the employer. If you are entitled to a reimbursement for books, you must obtain a separate purchase order, tuition assistance form, or letter of intent addressed to PGCC bookstore.
3. The purchase order, tuition assistance form, or letter of intent will not be accepted after you have paid your tuition yourself. You must be reimbursed by your employer or agency in this case. The college will not bill in order to reimburse you.
4. In the event the employer refuses to pay after receipt of the bill, the student becomes immediately responsible for all tuition and fees.

If there are any questions regarding this procedure, please contact the Student Accounting Office in Bladen Hall, Room 120, 301-322-0684.

Prince George’s Community College Employees

Full-time and regular part-time college employees who enroll during non-working hours in any class that has at least 10 regularly enrolled students are exempt from payment of tuition. In addition, such employees may participate in the employee tuition reimbursement program.

Veterans with Education Benefits

Two groups of veterans are excused from the payment of tuition and fees at the time of registration:

1. Veterans participating in the VA Vocational Rehabilitation Program must complete the required paperwork with the Veterans Services Office in Bladen Hall, Room 124 and then take a copy of their bill and a copy of their form 28-1905 to the Cashier for processing. The college will then bill the Veterans Administration for tuition and fees for all approved courses. These same forms may be taken to the bookstore to be used to purchase books and approved supplies.
2. Veterans eligible for benefits under the Post 9/11 GI Bill need to complete the required paperwork with the Veterans Services Office in Bladen Hall, Room 124 each semester. They will then be held in their classes until the VA has paid its portion of the tuition and fees. Any remaining amount will be billed to the student and must be paid prior to enrollment in a future semester. It is important that veterans under this program drop any course they do not want prior to its refund deadline, since the college will not drop them for nonpayment, in order to prevent an overpayment situation with the VA.

Veterans receiving benefits under any other VA program—Montgomery GI Bill, Survivors/Dependents, VRAP—are expected to pay their tuition in full by the deadline indicated on the registration statement. The college will not hold students in their classes pending the student’s receipt of a monthly benefit check later. Call (301) 583-5282 or email veterans@pgcc.edu for more information.

Returned Checks

If the college receives final notice of a check being returned for any reason prior to the start of a semester, you will be dropped from all classes without any financial obligation other than the return check fee and registration fee. All checks are deposited twice.

If the college receives final notification of the returned check on or after the first day of the semester, you will not be dropped from classes. You will remain enrolled unless you personally withdraw or otherwise adjust your schedule during the refund period. At the end of that period, you, the student, will be liable for tuition and fees for all remaining courses plus the return check fee, regardless of whose check was used to pay your tuition. No grades will be released or transcripts issued until the indebtedness has been paid.

Delinquent Accounts

Delinquency in payment of any amount due from a student or former student to the college or under any loan program administered by the college, or failure of financial aid recipients to complete an exit interview before leaving the college will result in denial of registration, exclusion from classes, withholding of grades and transcripts. The college employs the services of the State Central Collection Unit (SCCU).

One of the SCCU measures is to refer delinquent accounts to the credit bureau. If your delinquent account is referred to the credit bureau, it will remain on your credit report for the next seven years. If your delinquent account is referred to a collection agency, you will be held liable for all collection costs incurred in addition to the delinquent amount due. These collection costs can add up to one-third additional expense to your indebtedness to the college.

PGCC Owl Debit Card

All credit students will receive a PGCC Owl Debit Card, issued through Higher One Bank. This card is very important and must be acted upon in order to set up a preference for the way refunds from the college will be delivered to you. This includes financial aid rebates. Students may choose to have refunds and rebates processed as deposits to their PGCC Owl Debit Card or they may choose to have refunds electronically deposited in another bank account specified on the Higher One/PGCC Owl Debit Card activation site. The college no longer issues paper checks.

Refund Policy

Refund Deadlines

All refunds are calculated based upon the number of calendar days (not class days) that have elapsed since a class began, to include the first day of class. The deadline is therefore no longer a specific date for all courses; each section is refunded according to its own starting date. One set of rules applies to courses longer than five weeks in length; another applies to those of less than five weeks in duration.

For courses longer than five weeks in length, the following refund periods apply:

- Course dropped prior to start of class: 100%
- Course dropped on the 1st or 2nd calendar day before midnight: 100%
- Course dropped on the 3rd through the 9th calendar day before midnight: 75%
- Course dropped on the 10th through the 14th calendar day before midnight: 50%
- Course dropped the 15th calendar day or later: No refund.

For courses five weeks or shorter, the following refund periods apply:

- Course dropped prior to start of class: 100%
- Course dropped on the 1st or 2nd calendar day before midnight: 100%
- Course dropped the 3rd calendar day before midnight: 75%
- Course dropped the 4th calendar day or later: No refund.

The effective date for calculation of a refund for a credit course shall be the date the withdrawal form is filed in the Office of Admissions and Records or the date the transaction is successfully completed through Owl Link. Refund processing will begin for the Summer 2013 semester the week of June 17 and weekly thereafter for late-starting classes.
In addition, the following apply:

1. No refund of registration fee or late registration fee.
2. One hundred percent (100%) refund if the class is canceled or rescheduled by the college.
3. No refunds will be given after the deadlines listed in the refund schedule above.
4. Refunds of payments made by credit card will go back to that card as a credit if payment was made directly to the college. Students on the NBS Payment Plan whose payments are being taken from a credit card will have refunds follow the preference chosen when they activated their OwlDebit Card.

5. All other refunds are issued electronically according to the preference set by the student when they activated their PGCC Owl Debit Card. No paper checks will be issued.

Note: No refunds after the periods indicated. (The college reserves the right to make changes in the aforementioned schedule as required.) Please note that exchanging a course that is past its refund deadline for another course in effect constitutes a refund. This will not be done after the refund deadline except to correct placement in sequential courses.

Payment Due Dates Enforced During Registration
Prior to the start of the semester, classes must be paid for (which includes joining the College payment plan or applying approved financial aid) the day of registration. Failure to provide for payment of all tuition and fees will result in students being dropped from their classes.

NOTE: Students who, after all financial aid or other forms of payment have been applied to their bill, have an outstanding balance of $150.00 or less will not be dropped for nonpayment. They will be held in their classes and expected to pay the balance.

Hybrid/Online Classes

What are Hybrid/Online Classes?
A Hybrid/Online course combines classroom meetings and online instruction. Students enrolled in a Hybrid/Online course come to campus at scheduled times during the semester to meet face-to-face with their professor and fellow students. Other course work, assignments and discussions are accomplished through the Internet. Students interact online to receive information about assignments, submit homework, participate in class discussions and conduct research. For class times and locations, see the course schedule.

**What is the Weekend College?**
The Weekend College serves the needs of those who might not otherwise be able to participate in college credit study during the week. The college offers a wide range of Saturday-only or Sunday-only courses that meet in the morning and/or afternoon. The college also offers Weekender courses that meet Friday evening and all day Saturday on three or four alternating weekends. Regardless of format or learning style, the Weekend College course offerings provide you with college courses when it may be more convenient for you.

**Registration Deadlines for Weekender Courses**
The registration deadline for weekender courses (those courses that meet on three to four alternating weekends) **is two weeks prior to the first face-to-face meeting of the course**. This deadline is firm because students will be required to complete course work prior to the first face-to-face meeting of the class. **To ensure that all students have access to necessary materials and assignments, all weekender courses will have a Blackboard course site available three days before the class begins, which is seventeen days before the class meets face-to-face.**

Example:
First ONCAMPUS face-to-face meeting of Weekender Course: Friday, June 14
Registration Deadline for that Weekender Course: 11:59 p.m., May 30
Date Course Blackboard Site is Open to view syllabus and begin assignments: May 31 (go to pgcconnine.blackboard.com)

Official course start date for a weekend course is two weeks prior to the first ONCAMPUS face-to-face class meeting. **The refund schedule for these courses begins on the official course start date.**

**Registration Deadlines for Saturday or Sunday Courses**
The registration deadline for Saturday-only or Sunday-only courses will be 11:59 p.m. the day prior to the first class meeting.

**How many courses may a student take in the Weekend College?**
A student may take two or three courses per semester depending upon the schedule option. For instance, a student may choose to take courses sequentially and enroll for courses that meet normally on three alternating weekends. The three-weekend schedule enables a student to sequence courses within the semester. For more information, call the Weekend College office at 301-322-0785.

If you do not see a course syllabus on pgcconnine.blackboard.com on your official course start date, please call the Weekend College office so we can contact the department.

A Partnership of Prince George’s Community College and Howard Community College

Laurel College Center, 312 Marshall Avenue, Laurel, MD 20707, 1-866-228-6110

The Laurel College Center (LCC) resulted from a unique joint effort between Prince George’s Community College and Howard Community College to make higher education more accessible to the residents of Laurel and the surrounding area. Located at 312 Marshall Avenue in downtown Laurel near the Laurel Shopping Center and Laurel Center Mall, the LCC seeks to make higher education accessible to anyone over the age of 16 who works or lives in the Laurel area, especially those whose home residence is in either Prince George’s County or Howard County. However, anyone can take classes at the LCC, whether you have never taken a college class before or already have a college degree, whether you want to pursue a degree program or just take a course or two for fun, and regardless of where you live.

At the LCC, you can take individual courses, credit and noncredit, or you can earn an associate’s degree in business administration, general studies, teacher education or criminal justice.

Noncredit, continuing education courses, which are published in a separate schedule, are also offered at the LCC to help you upgrade your job skills in a variety of areas including computers, finance and management, or simply for your enjoyment.

Getting Started—Admissions Procedures

New students need to complete an application for admission to Prince George’s Community College. The application may be submitted online, or submit it to the LCC or to the college’s main campus located at 301 Largo Road, Largo, MD 20774.

There is a $25 application fee which must be submitted with the application. You may obtain an application from the LCC or from the Largo campus.

Advisers are available at LCC and can meet with you to discuss your interests, provide career information, and assist you with course planning and selection. They can also tell you about other services such as placement testing, financial aid, and support for students with disabilities. See inside back cover for a more complete list of services and contact information.

Registration for Classes

You may register in person at the LCC or on the Largo campus. Returning students also may be eligible to register through Owl Link, the college’s online registration system. More information on this option may be found elsewhere in this schedule.

Registration for returning students and new students begins April 22. Students are encouraged to register early, since courses are filled on a first-come, first-served basis.

Tuition/Fee Information

Tuition bills are due by 11:59 p.m. the day of registration. Students will be dropped from their classes if the bill is not paid on that day.

Payment can include application of approved financial aid or enrolling in the college’s deferred payment plan, NGS/FACTS, described elsewhere in this schedule.

All students pay a $25.00 registration fee. All other charges are calculated according to the number of credits being taken. The charge for tuition differs according to your county and state of residence. For more information, call toll-free 1-866-228-6110.

Tuition Rates

Prince George’s County Resident $98.00 per credit
Other Maryland County Resident $172.00 per credit
Out-of-state Resident $265.00 per credit

In addition, each course is assessed an Instructional Service Fee, also charged per credit, of $42.00 per credit.

Financial Aid Information

You may apply for all forms of financial aid to support your credit coursework at the LCC. Due to the complexity of determining eligibility for financial aid, you are advised to work through the Financial Aid Office on the Largo campus. However, financial aid applications are available at the LCC along with general information on processing procedures and deadlines.

Students enrolling at the LCC also may participate in the college’s deferred payment program, NBS/FACTS, which allows you to spread your tuition payments over several months. See page 10 of this schedule for more details about the NBS/FACTS program.

Room Locations

Classroom assignments will be posted in Suite 205 and at the elevator on the 2nd, 3rd, 4th and 5th floors of the Laurel College Center.

Placement Testing

For credit degree programs, a placement test is usually required to determine each first-time student’s math, reading and writing proficiency.
level as a part of the course selection and registration process. Transfer students with prior math and English courses may not need to take the placement tests. You should meet with an adviser to determine if a placement test is needed. You can schedule a placement test by calling 443-518-4162 or 1-866-228-6110 (toll free). The tests are not available at the LCC on a walk-in basis. They are available to all admitted students on the Largo campus without an appointment between the hours of 8:30 a.m. and 7 p.m., Mon.-Thurs., and 8:30 a.m.-5 p.m. on Friday. Students must present a picture ID to enter the Testing Center.

ID Cards
ID cards are created or validated from 10 a.m.-6 p.m., Monday–Thursday, and from 10 a.m.-2 p.m. on Friday

Services Available ONLY at the Largo Campus
A full-range of services, such as transcript evaluation, graduation audit and selective admissions (i.e., health sciences programs and international students) may require consultation with staff at the Largo campus. Call 301-336-6000 for more information about these services. You also may contact PGCC staff about course information and advising questions through e-mail at Laurel Student@pgcc.edu.

Students with Disabilities
Students with a documented disability who need special accommodation should identify themselves to the Laurel College Center site administrator and the Largo campus Disability Support Services office. Students must provide acceptable documentation, register and submit a paid bill receipt one month or more before the start of classes to the Largo campus Disability Support Services office. Additional information can be obtained by calling:

PGCC: 301-322-0838 or 301-322-0122 (TDD)
LCC: 443-518-4162 or TTY users call via MD Relay 7-1-1

Security
Security staff are present at the Laurel College Center and routinely patrol the site. Students who need assistance should contact the main administrative office, Room 205.

JOINT BASE ANDREWS

Building 1413, Arkansas Road
Joint Base Andrews, MD 20762
301-322-0778 or 301-981-5949

Prince George’s Community College at Andrews is a convenient location for those living in the southern part of Prince George’s County. Located on Joint Base Andrews since 1972, the college offers a full range of services, such as admission, placement testing, registration and academic advising, and at least 40-50 course offerings each fall and spring semester. Classes are small and personal. Civilians can easily access the base through the Visitor Center just outside the main gate off Allentown Road, although approximately 65% of Prince George’s Community College students on Andrews have a military ID.

BIOLOGY

BIO-1010 General Biology
outside the U.S., call the Base Visitor’s Center (301-981-0689) regarding additional documentation.

4) You must return the badge to the Andrews office at the end of the semester, or if you withdraw or drop a class before the end of the semester. You will be denied future access if you fail to turn-in your badge.

**Step One:** Obtain your Request Form from a representative at the Prince George’s Community College main campus, Largo Student Center, 1st floor lobby, during the following dates and times:

- May 29 Wed., 4:30-7:30 p.m.
- May 30 Thurs., 4:30-7:30 p.m.
- May 31 Fri., 1-4 p.m.

Bring vehicle and personal documents identified to get your Long Term Badge Request Form.

**Step Two:** Take the Request for Long Term Badge form, with the other documents mentioned above (see 3) to the Andrews Visitor Center, 1832 Robert M. Bond Dr., Andrews AFB, inside the main gate at Allentown Road to obtain your base photo ID. Visitor Center hours of operation are 6 a.m. to 6 p.m. Mon.-Fri. Call ahead to insure badges are being processed: 301-981-0689. The Center is closed weekends and holidays.

If you need access for Summer II classes beginning the week of Monday, July 8 you will obtain your form from a PGCC representative who will be at the Base Visitor Center at the main gate from 3:30–5:30 p.m. Monday–Thursday, July 8-11 or you may come to campus May 29-May 31 as stated above.

NOTE: If you do not meet with a representative on the specified dates, or are enrolled in a later class, call the Andrews Office at 301-322-0778 or 301-981-5949 and make arrangements to receive a request form.

**LAW LIBRARY**

Prince George’s County Courthouse
14735 Main Street, Room M1400, Upper Marlboro, MD 20772

For more information, call 301-322-0785

Several paralegal courses are held at the Circuit Court Law Library in Upper Marlboro to assist students in conducting legal research. The Law Library maintains numerous standard reference and serial subscriptions, and it provides access to several computer-assisted legal research services. Please note: The DuVall entrance on Main Street closes at 4:30 p.m. and the entrance on Water Street closes at 5:00 p.m. Students entering the courthouse on weekdays after 5:00 p.m. or anytime on the weekends must use the District Court Commissioner’s entrance on the northeast side of the Bourne Wing next to the parking garage. Students should also be prepared to present valid identification and undergo security screening upon entrance. For more information, please visit http://www.co.pg.md.us/courts/
