**Important Information About Summer Tuition Payment**

For all summer session registrations full payment of tuition and fees is required the same day as registration, regardless of when a particular class may begin. Students have until 11:59 p.m. on the day of registration to pay in order to avoid cancelation of their classes later that night. Only those whose balances are less than $150 will be carried over and billed.

The college considers payment to consist of the following:

1. Payment in full using cash, check or credit card.
2. Successful enrollment in the college’s approved payment plan, NBS/FACTS, described later in this schedule.
3. Use of available financial aid, as posted on the bill.
4. Activation or continuation of Post 9/11 or Chapter 31 VA benefits.
5. Third party payment vouchers or billing authorizations presented to the Cashier’s Office on the day of registration.

Students who have a pre-approved Disability Tuition Waiver will be held in their classes, as will all students age 60 or older. The college strongly encourages those with pending financial aid to enroll in the college’s payment plan rather than risk losing classes. Go to www.pgcc.edu and click on the quick link “Paying for College” for important information about the payment plan.

How to Read Course Information in the Schedule of Classes

1. The first line for each course listed in the schedule contains the subject and the 4-digit course number, the course title and the number of credits or Equivalent Hours (EHs) the course carries.

   EGL = Subject 1010 = course number
   Comp I: Expository Writing = title 3 credits = credits

2. The next line, indicates what, if any, prerequisites the course may have. In other words, this is what you need to have completed before you enroll in this course.

3. Individual course offerings are arranged according to various locations.

4. Course sections line indicates precisely the days/time/dates/location of one offering of the course.

   You are actually going to register for one specific section of a particular course.

   You can register for any section of a course if you know the course subject (EGL), number (1010) and section (LD04) identifier you desire.

5. You can also register for any section by indicating the five-digit synonym (77807 in this case). You don’t need any other information if you use the synonym.

6. Additionally, the date, time and location has been conveniently spelled out for you below each course section line.

7. Additional information about the course is provided in the Notes section.

1. Select the course—for example EGL-1010.
2. Select a general location and time frame.
3. Select the section—the specific day and time and location.

5. Turn in your completed registration form to Bladen Hall, Room 126 or an extension center coordinator.

That’s all there is to it... Select the reference number or the course and section. Getting enrolled couldn’t be easier!

**Register Online Using Owl Link!**

To register through Owl Link, the college must have your current active e-mail address. Students at Prince George’s Community College are encouraged to self-register for credit classes using Owl Link. Owl Link is accessible in two ways—through the College website at www.pgcc.edu or through My PGCC, a home page just for students at my.pgcc.edu. To access Owl Link, you must have a current e-mail address on record with the college. You must then follow the link for Credit Students and log in entering your Owl Link User ID and password.

Once in Owl Link, there are a variety of options under the heading of Credit Registration. Select the one that seems most appropriate for you. Or, under the heading Search for Credit Courses, you can search for course sections that are still available for registration for the summer 2014 semester.

There are other functions available through Owl Link as well. Here is a sampling of what may be accomplished once you have logged in to this system:

**Under My Financial Information students can:**
- Pay tuition bills using a savings or checking account or a credit card.
- View a current bill to see if there is an outstanding balance.
- Enroll in the NBS Tuition Payment plan.

**Under My Financial Aid students can:**
- See the status of paperwork submitted to the Financial Aid Office.
- Find out the amounts and types of financial aid offered to you.
- See how the financial aid awards are determined.
- Accept or reject aid offered to you.

**Under My Credit Academic Records, students may:**
- View grades and GPA by term.
- See a copy of their class schedule for a term.
- Complete an Academic Program Evaluation to see what is still needed in their program of study or in an academic program being considered for the future.
- See a summary of placement test scores.

**Under My Transcript, students may:**
- Access and print an unofficial transcript.
- Request an official transcript.
- Request an official transcript.

If students are reluctant to try this system because they aren’t sure of their User ID or password, there is even a section to help solve that problem. And there are Help files attached to every function to assist when using each feature for the first time.

Owl Mail
Prince George's Community College assigns all students a secure student e-mail account called Owl Mail. After a student has registered for the semester, all electronic communication between the college faculty/staff and students will be sent only to this e-mail account. Owl Mail will be the only means available to interact electronically with faculty, to participate in online courses, and to receive official notices and important announcements on a timely basis.

To activate your Owl Mail account, you must have the following things:
- An e-mail from the college to your home/personal e-mail address notifying you that an Owl Mail account has been created for you.
- An Owl Link account and User ID
- Your 7-digit Student ID number
- Current or upcoming semester enrollment
- Internet access

Notice of the creation of your Owl Mail account will be sent by e-mail to your personal e-mail address. It is critical that you activate your account as soon as you are notified that it is available. Accounts not activated within 30 days will be made unavailable. So, if you have not yet activated your Owl Mail account, here is what you need to do:
- At a computer with Internet access, open a Web browser (Internet Explorer, Firefox, etc.)
- In the address line at the top, enter http://live.pgcc.edu/ (Do not include www.)
- Read and follow the directions on the page that appears at the above Web address.

Please share your Owl Link online registration experience with us by e-mailing pgccares@pgcc.edu.

Admission
Students who wish to enroll in any course found in this schedule of classes must first be formally admitted to Prince George's Community College. In addition, former students who have not attended the college in more than two years may need to apply for readmission prior to registration.

Students are encouraged to apply online at www.pgcc.edu. A $25.00 non-refundable application fee must be paid at the time the application is submitted.

Special Admission/Registration Procedures
High school dual enrollment: You must be a high school senior or a junior 16 years of age or older at the time the semester begins and attending a public school in Prince George's County. Admission to this program is under the control and coordination of the Prince George's County Public School system. You must meet with your high school counselor to begin the admission process.

High school concurrent enrollment: You must be a high school senior or a junior 16 years of age or older at the time the semester begins and attending a school other than a Prince George's County public high school. You must have a minimum high school GPA of 2.50 to enroll. Bring an official high school transcript and written clearance from your principal to the Office of Admissions and Records when you come to apply for admission. You are also required to take relevant college placement tests before your first registration. Students who test into developmental courses cannot participate in the concurrent enrollment program.

Health Science applicants: Arrange to meet with an advisor regarding the special requirements for entry into the Health Science programs by calling 301-322-0829. Most of these programs have limited enrollment and students are selected by pre-established criteria.

Transfer students: If you wish to transfer credits from another United States institution, you must complete the Request for Evaluation of Transfer Credit form available at the Office of Admissions and Records. You must also have each former school send an official transcript to the Office of Admissions and Records. Please allow 4–6 weeks for a formal evaluation to be completed. You may bring unofficial transcripts or grade reports with you when you register for your first semester at Prince George's Community College. The college will also evaluate military transcripts and work-related training approved by the American Council on Education. Transcripts from non-United States colleges must be evaluated by an external provider of this service before being submitted for evaluation. Contact transfercredit@pgcc.edu for more information.

Students with prior degrees: Students who wish to take classes at the college but who have already earned an associate's degree or higher from an accredited United States college or university are exempt from all placement tests. Be sure to indicate that you are a college graduate on the application for admission.

Students who enroll in a course based upon their prior degree assume full responsibility for possession of the background skills and knowledge required for success in the course.

Use of this prerequisite exemption may not be used later as grounds for an exceptional refund or as the basis for challenging a grade. The college reserves the right to limit the number of courses for which students may enroll using this exemption.

International applicants: If your official residence is outside the United States and you wish to attend using an F-1 student visa, call the Office of Admissions and Records for information on the special requirements for enrollment at 301-336-6000. The application for admission must be received by May 1 for fall semester enrollment and by October 1 for spring semester enrollment. F-1 students who wish to transfer from another college in the United States must apply by June 15 for the fall semester and Dec. 1 for the spring. The college does not admit F-1 students to begin in the summer terms. International applicants who do not wish to receive a student (F-1) visa should follow the procedure for permanent residents given below.

Permanent residents: If you are an official U.S. resident but not a U.S. citizen, bring your passport, alien registration or permanent resident card to the Office of Admissions and Records when you apply for admission. Non-citizens will not receive in-county tuition rates until such documentation is received. If your native language is not English, you must go to the Office of Advising and Transfer Services, Bladen Hall, Room 124 to arrange for English proficiency testing. Students who fail to provide documentation of visa status or who are undocumented will be charged as non-Maryland residents.

Veterans: Visit the Veterans Services Office in Bladen Hall, Room 124 after you register in order to complete the required paperwork. You can also complete and submit the forms online. Contact 301-583-5282 or veterans@pgcc.edu for more information.

Disabled students: If you require special services (e.g., interpreters, recorded materials) you must register and submit a paid bill receipt to the Disability Support Services Office one month or more before the start of classes to assure provision of those services. Contact 301-322-0838 or (TTY/TDD) 301-322-0122 or dss@pgcc.edu for more information.

Note: Students in need of sign language interpreters for advisement and registration MUST schedule this service through the Disability Support Services (DSS) Office at least one month in advance of the anticipated registration date. Contact 301-322-0838 or (TTY/TDD) 301-322-0122 or e-mail dss@pgcc.edu to make an appointment.

The schedule of classes is subject to change. Visit Owl Link for the latest course updates at www.pgcc.edu.
Students on academic warning or restriction:
If you were dismissed on academic warning at the end of your last semester, you will be limited to enrollment in a maximum of 13 credits. If you have been placed on academic restriction you must meet with an advisor and complete a “Petition for Academic Reinstatement” form if you wish to enroll as a full-time student. Otherwise, you will be limited to two courses to be selected according to the criteria listed in the college catalog. You may not register using Owl Link.

Students on dismissal:
If you were dismissed at the end of any semester prior to spring, 2014, you must see an advisor to complete the “Petition for Academic Reinstatement” form before registering. No student dismissed in the spring, 2014 semester may register for the summer semester unless special permission has been granted by the Academic Appeals Committee. Appeals must be submitted in writing by completing the “Petition for Academic Reinstatement” form with an academic advisor. The form must be completed by May 28 to qualify for reinstatement for the summer sessions which begin in June. The deadline for appeals to enroll in the second half-semester session is June 21. Contact advising@pgcc.edu or 301-322-0829 for more information.

Placement Tests
First-time college students and some transfer students are required by the college to take placement tests. The tests include basic skill assessments in reading comprehension, writing, and mathematics. These tests are given electronically, are untimed, and may be taken separately or all at one time. Students who are not proficient in English will be given a different, paper-based examination that includes a writing sample. A required orientation/academic advising session is then scheduled after completion of all examinations in order for test results to be interpreted and an appropriate selection of classes made. The testing/advising requirement applies whether students wish to attend full-time or part-time. The college strongly recommends that you review sample tests on the Student Assessment Services page and study the questions prior to taking the actual examinations.

Students who feel they did not perform to their full ability on one or more of the placement tests may meet with an academic advisor to request permission to repeat one or all of them. Only one repeat is allowed for each test, and the second testing session cannot occur on the same day as the first one. Students repeating the English placement exam should know that a writing sample will be required as the second attempt and will take several days to evaluate.

Note: Students must present a picture ID in order to enter the Testing Center.

Class Schedule Changes
You may adjust your schedule online anytime during the registration period. Or you may complete an add/drop form and submit it to the Office of Admissions and Records or to one of the extension centers. Please remember that you must adhere to the registration deadlines given below.

Registration/Drop-Add Deadlines
The college’s registration policy states that:
- The last day on which you may add or register for a particular course is 11:59 p.m. the day before its published start date. There will be no registration for any class on the day it begins or anytime thereafter.
- Online and Hybrid courses begin on the first day of the 10-week session unless a different start date is published. They will therefore have the same registration cutoff date as any other course which begins on the first day of the session.

These deadlines apply to all courses regardless of when they begin. Late-starting courses will remain available until full or until their registration deadline. Courses taught in the weekender format have start dates two weeks prior to the first on-campus meeting date. No registration will be allowed on or after that start date.

Note: Some courses taught in an accelerated format (i.e., 5-week courses) may have published registration deadlines which prohibit registration after the published date. Check the class schedule under the specific course and section you wish to take to see if this applies. In such instances, no registrations will be accepted after that deadline.

Exceptions to the Late Registration Policy
In general, students will not be allowed to enroll in courses once the registration deadlines have passed. In any instance that an exception must be made, the registration or schedule adjustment form must be signed by the Dean responsible for the academic discipline under which the course falls. In addition, students will be required to complete an Exceptional Registration Responsibility Form, available only from the academic deans’ offices. This form acknowledges students’ forfeiture of all or part of the refund period for the course and agreement to accept full responsibility for the repercussions of registering after the class has begun. This form also must be signed by the Dean. Forms may not be completed by phone, online, or via e-mail. All such registrations will be processed one business day after the paperwork is completed by the Dean.

Students will then have until the end of that day to pay for the class to avoid having it dropped for nonpayment.
Cancellation of Classes
The college reserves the right to cancel sections, change meeting places, or make other changes that it deems appropriate. Every effort is made to notify students of course cancellations by phone and by e-mail prior to the start of classes. If a class is cancelled, all tuition and fees will be automatically refunded unless the student selects a comparable course to replace the cancelled one.

Room Assignments and Changes
Classrooms marked TBA (to be arranged) in the class schedule will be assigned before classes begin. In addition, some classrooms need to be changed to accommodate class sizes or special needs. Room assignments and changes to room assignments are available on Owl Link as soon as they are made. Check Owl Link prior to the start of your class for the latest room assignment for your classes. In addition, all room assignments are posted on the portal, mypgcc.edu.

College Closings
It is the practice of the college to hold all regular classes on all days scheduled on the college calendar. Should an emergency arise that requires the cancellation of classes and activities, the following radio stations will be asked to announce the college’s closing shortly after the decision is made: WMAL, WRC, WTOP, WGY, WAVY, WASH, WHUR, WPBC, AND WWMX. The following TV stations will be asked to announce the closing: WRC (4), WTTG (5), WJLA (7), WUSA (9), and NewsChannel 8. Information concerning the college closing also can be obtained on the college website at www.pgcc.edu as well as by calling 301-336-6000. Students can also receive direct notification of closures and other emergency information by signing up for Owl Alert. Notification can go directly to cell phones or to e-mail. Go to www.pgcc.edu to subscribe to Owl Alert.

In case of hazardous weather, extension center classes will be cancelled at local public school locations when the Prince George’s County Board of Education announces that the public schools will be closed. Other sites, such as Joint Base Andrews, the Laurel College Center, and the University Town Center will follow the Largo campus weather schedule. If the Largo campus closes as a result of inclement weather, classes at extension centers and sites will also be cancelled.

When the college announces a delayed opening, all classes with at least 45 minutes of class time remaining at the time of the opening will be held. For example, in the event of a 10 a.m. opening, a 9:30–10:45 a.m. class will be held. This procedure applies to all credit classes.

ID Cards
Every student must have a college photo ID card while on campus/extension centers. Students should go to the library (Accokeek Hall) or to the Office of Admissions and Records to obtain a card. A time schedule for the availability of this service is listed on the inside back cover of this schedule under “ID Card Services.” ID cards may also be created at the University Town Center, the Laurel College Center, and the Joint Base Andrews degree center. Check each center’s portion of this schedule for the times this service is available at that location.

Students who received their photo ID cards in a previous semester should go to either the Admissions and Records Office, Bladen Hall, Room 126, or to the library in Accokeek Hall to have their ID cards validated for the summer, 2014 semester. You must verify spring registration to receive your validation sticker. All other returning students must follow the procedure for new students given in the first paragraph. ID cards may also be validated at the University Town Center, the Laurel College Center, and the Joint Base Andrews degree center. Check each center’s section of this schedule for their hours of availability for this service.

ID cards must be carried at all times and are required for use of the library and computer labs, access to campus services and events, and in the bookstore and cafeteria. Students who lose their ID card must pay a $10 replacement fee.

The College expects that students will display their college ID cards and provide other proper photo identification upon request as it is a requirement prior to the use of college facilities. Such identification will include a properly validated college ID card and one other form of photo identification—a current driver’s license, a Maryland Motor Vehicle Identification Card, a military ID card, or a current passport/work permit or permanent resident card.

Parking Permits
All students who intend to drive to the Largo campus are asked to obtain a parking sticker for each vehicle they intend to park in one of the college’s parking lots. This will identify a car to campus police officers as legitimately parked on campus and also will allow officers to contact the owner quickly in the event of an emergency. Stickers may be obtained from Campus Police in the Bladen Hall substation or at their main office in the Facilities Management Building.

Students must park in lots identified as available for student parking. Those who park in areas reserved for faculty and staff will be ticketed.

Workforce Development and Continuing Education
Workforce Development and Continuing Education offers noncredit courses to help county residents further their educational, cultural, career, or recreational goals. Classes may be taken in semester-long or short courses, intensive one- or two-day seminars, instructional clinics, or special interest programs.

Workforce Development and Continuing Education class schedules are published separately and distributed four times throughout the year. They are available on the college’s website, www.pgcc.edu. Or call 301-322-0875 to receive a copy of the latest schedule of offerings. You may also obtain a copy from the Office of Admissions and Records in Bladen Hall, Room 126.

One who believes oneself or any specific class of individual to be subject to prohibited discrimination may, by themselves or through a representative, file a written complaint with the Office of Civil Rights of the Department of Education or with the college president, or both. Alonia C. Sharps, Room 130, Kent Hall, 301-322-0170, coordinates the college’s program of nondiscrimination.

You must submit to the director of admissions and records a written request that identifies the record(s) you wish to inspect. The director will make arrangements for access and notify you of the time and place where the records may be inspected. If the records are not maintained by the Office of Admissions and Records, the director will advise you of the college official to whom the request should be addressed.

2. The right to request the amendment of education records that you believe are inaccurate or misleading. You must write the college official responsible for the record, clearly identify the part of the record you want changed, and specify why it is inaccurate or misleading.

Directory information includes, but is not limited to, name, address, telephone number, e-mail address, place of birth, dates of attendance, degrees earned, and previous colleges attended. While the college does not routinely release such information to anyone who inquires, it may legally do so if the third party demonstrates a legitimate need to know such information. **Special Payment Procedures**

**Tuition Payment Plan (NBS/FACTS)**
This deferred payment plan is payable in installments based on the NBS/FACTS application date. Follow the schedule of deadlines below. Pay the initial deposit and/or set up your payments under a scheduled automatic payment plan from a checking or savings account, Visa, MasterCard, Discover, or American Express according to the plan due dates. The processing fee is $35.00. You must enroll in the NBS/FACTS program through the Web. Go to the college’s website, www.pgcc.edu, and access the Quick Link to the NBS/FACTS tuition payment plan. You must have your NBS/FACTS application approved and processed before your bill is considered paid.

**Payment Plan Due Dates**
All NBS applications must be completed online by 11:59 p.m. the day of registration in order for classes to be held. If the completed application is processed online on or before:
- June 5—50 percent deposit required.
- 2 monthly payments (June 20 and July 20)
- July 7—50 percent deposit required.
- 1 additional payment (July 20)

**Note:** No NBS/FACTS applications will be accepted after July 7, 2014. For more information, pick up an NBS/FACTS brochure outside the college’s Financial Aid Office or at the cashier’s window in Bladen Hall or call NBS/FACTS at 1-800-609-8056.

**Financial Aid**
Financial aid awarded by Prince George’s consists of Federal and State grants, loans, and scholarships from a variety of sources, and word-study opportunities.

If you have financial aid remaining for the summer, you should see the amount of aid for which you are eligible printed on your bill as “Financial Aid Awarded.” The aid must be accepted and activated through the college’s website. Your registration is not complete until you have accepted your aid! If you think you have financial aid that is not appearing on your bill, please contact the Financial Aid Office, located in Bladen Hall, Room 121, before you make a payment. Students whose balances after all aid has been applied exceed $150 are subject to being dropped from all classes for nonpayment.

**NOTE:** Students who do not meet SAP (Satisfactory Academic Progress) criteria will not see aid posted on their tuition bills. Contact the Financial Aid Office if you have questions about this action.

**Senior Citizens**
Maryland residents who are age 60 or older at the start of the semester are exempt from the payment of tuition for courses for which state funding is received. In addition, they are exempt from application fees, registration fees and special instructional fees, e.g., applied music fees and telecredit fees.

Notwithstanding the provisions for exemption contained herein, the college reserves the right to cancel classes for reasonable cause, which may include insufficient enrollment of regularly enrolled (nonexempt) students.

**Note:** Textbooks, course supplies and materials are not covered by this exemption. For more information, contact the Office of Admissions and Records, 301-336-6000.

**Maryland Disabled Persons**
Any Maryland resident who is out of the workforce because of a permanent disability as designated by the Social Security Act, the Railroad Retirement Act, or the Office of Personnel Management (in the case of former federal employees) may be eligible for a waiver of tuition, but not fees, upon enrollment in credit courses which normally have at least 10 regularly enrolled students. This waiver applies for up to 6 credits for non-degree seeking students in credit courses and up to 12 credits per semester for those enrolled in a degree program or a credit certificate program that leads to employment.

The college reserves the right to remove specific courses from the list available under the tuition waiver.

In order to qualify for this waiver, students must have applied for 2013-14 financial aid using the Free Application for Federal Student Aid.
### Employer-Paid Tuition

1. It is your responsibility to present the purchase order (two copies), tuition assistance form, or letter of intent at the time you pay your tuition.

2. The purchase order, tuition assistance form, or letter of intent must state your name, social security number or student I.D., amount to be paid, billing address, and original signature of person(s) authorizing payment.

   **Note:** The bookstore is an independent entity from the college and is paid directly by the employer. If you are entitled to a reimbursement for books, you must obtain a separate purchase order, tuition assistance form, or letter of intent addressed to PGCC bookstore.

3. The purchase order, tuition assistance form, or letter of intent will not be accepted after you have paid your tuition yourself. You must be reimbursed by your employer or agency in this case. The college will not bill in order to reimburse you.

4. In the event the employer refuses to pay after receipt of the bill, the student becomes immediately responsible for all tuition and fees.

### Payment Information

If there are any questions regarding this procedure, please contact the Student Accounting Office in Bladen Hall, Room 120, 301-322-0684.

**Prince George's Community College Employees**

Full-time and regular part-time college employees who enroll during non-working hours in any class that has at least 10 regularly enrolled students are exempt from payment of tuition. In addition, such employees may participate in the employee tuition reimbursement program.

### Veterans with Education Benefits

Two groups of veterans are excluded from the payment of tuition and fees at the time of registration:

1. Veterans participating in the VA Vocational Rehabilitation Program must complete the required paperwork with the Veterans Services Office in Bladen Hall, Room 124 and then take a copy of their bill and a copy of their form 28-1905 to the Cashier for processing. The college will then bill the Veterans Administration for tuition and fees for all approved courses. These same forms may be taken to the bookstore to be used to purchase books and approved supplies.

2. Veterans eligible for benefits under the Post 9/11 GI Bill need to complete the required paperwork with the Veterans Services Office in Bladen Hall, Room 124 each semester. They will then be held in their classes until the VA has paid its portion of the tuition and fees. Any remaining amount will be billed to the student and must be paid prior to enrollment in a future semester. It is important that veterans under this program drop any course they do not want prior to its refund deadline, since the college will not drop them for nonpayment, in order to prevent an overpayment situation with the VA.

### Delinquent Accounts

Delinquency in payment of any amount due from a student or former student to the college or under any loan program administered by the college, or failure of financial aid recipients to complete an exit interview before leaving the college will result in denial of registration, exclusion from classes, withholding of grades and transcripts. The college employs the services of the State Central Collection Unit (SCCU).

One of the SCCU measures is to refer delinquent accounts to the credit bureau. If your delinquent account is referred to the credit bureau, it will remain on your credit report for the next seven years. If your delinquent account is referred to a collection agency, you will be held liable for all collection costs incurred in addition to the delinquent amount due. These collection costs can add up to one-third additional expense to your indebtedness to the college.

### PGCC Owl Debit Card

All credit students will receive a PGCC Owl Debit Card, issued through Higher One Bank. This card is very important and must be acted upon in order to set up a preference for the way refunds from the college will be delivered to you. This includes financial aid rebates. Students may choose to have refunds and rebates processed as deposits to their PGCC Owl Debit Card or they may choose to have refunds electronically deposited in another bank account specified on the Higher One/PGCC Owl Debit Card activation site. The college no longer issues paper checks.

### Refund Policy

**Refund Deadlines**

All refunds are calculated based upon the number of calendar days (not class days) that have elapsed since a class began, to include the first day of class. The deadline is therefore no longer a specific date for all courses; each section is refunded according to its own starting date. One set of rules applies to courses longer than five weeks in length; another applies to those of less than five weeks in duration.

---

The schedule of classes is subject to change. Visit Owl Link for the latest course updates at www.pgcc.edu.
PAYMENT INFORMATION

For courses longer than five weeks in length, the following refund periods apply:

1. No refund of registration fee or late registration fee.
2. One hundred percent (100%) refund if the class is canceled or rescheduled by the college.
3. No refunds will be given after the deadlines listed in the refund schedule above.
4. Refunds of payments made by credit card will go back to that card as a credit if payment was made directly to the college. Students on the NBS Payment Plan whose payments are being taken from a credit card will have refunds follow the preference chosen when they activated their PGCC Owl Debit Card. No paper checks will be issued.
5. All other refunds are issued electronically according to the preference set by the student when they activated their PGCC Owl Debit Card. No paper checks will be issued.

The effective date for calculation of a refund for a credit course shall be the date the withdrawal form is filed in the Office of Admissions and Records or the date the transaction is successfully completed through Owl Link. Refund processing will begin for the summer 2014 semester after June 20 and occur weekly thereafter for late-starting classes. In addition, the following apply:

1. No refund of registration fee or late registration fee.
2. One hundred percent (100%) refund if the class is canceled or rescheduled by the college.
3. No refunds will be given after the deadlines listed in the refund schedule above.
4. Refunds of payments made by credit card will go back to that card as a credit if payment was made directly to the college. Students on the NBS Payment Plan whose payments are being taken from a credit card will have refunds follow the preference chosen when they activated their PGCC Owl Debit Card. No paper checks will be issued.
5. All other refunds are issued electronically according to the preference set by the student when they activated their PGCC Owl Debit Card. No paper checks will be issued.

Payment Due Dates Enforced During Registration
Students must pay all tuition and fees they day of registration, regardless of when the summer semester class begins. Payment can include enrolling in the college’s payment plan, application of financial aid or processing of third-party payment paperwork at the Cashier’s Office in Bladen Hall. Students who fail to pay their bills in full by 11:59 p.m. the day they register will be dropped for nonpayment.

NOTE: Students who, after all financial aid or other forms of payment have been applied to their bill, have an outstanding balance of $150.00 or less will not be dropped for nonpayment. They will be held in their classes and expected to pay the balance.

WHAT ARE HYBRID/ONLINE CLASSES?
A Hybrid/Online course combines classroom meetings and online instruction. Students enrolled in a Hybrid/Online course come to campus at scheduled times during the semester to meet face-to-face with their professor and fellow students. Other coursework, assignments, and discussions are accomplished through the internet. Students interact online to receive information about assignments, submit homework, participate in class discussions and conduct research. For class times and locations, see the course schedule.

WHAT IS THE WEEKEND COLLEGE?
The Weekend College serves the needs of those who might not otherwise be able to participate in college credit study during the week. The college also offers Weekend courses that meet Friday evening and all day Saturday on three or four alternating weekends. Regardless of format or learning style, the Weekend College course offerings provide you with college courses when it may be more convenient for you.

REGISTRATION DEADLINES FOR WEEKENDER COURSES
The registration deadline for weekender courses (those courses that meet on three to four alternating weekends) is two weeks prior to the first face-to-face meeting of the course. This deadline is firm because students will be required to complete coursework prior to the first face-to-face meeting of the class.

To ensure that all students have access to necessary materials and assignments, all weekender courses will have a Blackboard course site available three days before the class begins, which is seventeen days before the class meets face-to-face to access the syllabus and any course assignments to complete before the first face-to-face meeting.

Go to pgcconline.blackboard.com.

Example of weekend class:
• Date course Blackboard site is open to view syllabus and assignments: Mon., May 26. (go to pgcconline.blackboard.com)
• First face-to-face meeting of Weekender course: Fri., Jun. 13, 2014
• Registration deadline for weekend course with first face-to-face on Fri., Jun. 13 is 11:59 p.m. on May 29.

Official course start date (two weeks prior to face-to-face class meeting): May 30

*The refund schedule for these courses begins on the official course start date.

REGISTRATION DEADLINES FOR SATURDAY COURSES
The registration deadline for Saturday-only courses will be 11:59 p.m. the day prior to the first class meeting.

HOW MANY COURSES MAY A STUDENT TAKE IN THE WEEKEND COLLEGE?
A student may take two or three courses per semester depending upon the schedule option. For instance, a student may choose to take courses sequentially and enroll for courses that meet normally on three alternating weekends. The three-weekend schedule enables a student to sequence three courses within one semester. As an alternate method, a student may choose to take two courses concurrently by enrolling for a course on Saturday mornings and a second course on Saturday afternoons or registering for one of our Sunday courses. These courses generally meet three hours for 15 class sessions; see the schedule for exceptions. For more information, call the Weekend College office at 301-322-0785.

If you do not see your orientation letter and/or syllabus from your instructor on blackboard two weeks before your course begins, call the department.

For confirmation of course dates, times, and prerequisites, please check under specific course headings in this schedule. Please visit the college’s website at pgcc.edu to view the course descriptions.

AAFB = Joint Base Andrews
JHES = John Eager Howard Elementary School,

A Partnership of Prince George’s Community College and Howard Community College

Laurel College Center, 312 Marshall Avenue, Laurel, MD 20707, 1-866-228-6110

The Laurel College Center (LCC) resulted from a unique joint effort between Prince George’s Community College and Howard Community College to make higher education more accessible to the residents of Laurel and the surrounding area. Located at 312 Marshall Avenue in downtown Laurel, near the Laurel Shopping Center, the LCC seeks to make higher education accessible to anyone over the age of 16 who works or lives in the Laurel area, especially those whose home residence is in either Prince George’s County or Howard County. However, anyone can take classes at the LCC, whether you have never taken a college class before or already have a college degree, whether you want to pursue a degree program or just take a course or two for fun, and regardless of where you live.

At the LCC, you can take individual courses, credit and noncredit, or you can earn an associate’s degree in business administration, general studies, teacher education or criminal justice.

Noncredit, continuing education courses, which are published in a separate schedule, are also offered at the LCC to help you upgrade your job skills in a variety of areas including computers, finance and management, or simply for your enjoyment.

Getting Started—Admissions Procedures

New students need to complete an application for admission to Prince George’s Community College. The application may be submitted online, or submit it to the LCC or to the college’s main campus located at 301 Largo Road, Largo, MD 20774.

There is a $25 application fee which must be submitted with the application. You may obtain an application from the LCC or from the Largo campus.

Advisers are available at LCC and can meet with you to discuss your interests, provide career information, and assist you with course planning and selection. They can also tell you about other services such as placement testing, financial aid, and support for students with disabilities. See inside back cover for a more complete list of services and contact information.

Registration for Classes

You may register in person at the LCC or on the Largo campus. Returning students also may be eligible to register through Owl Link, the college’s online registration system. More information on this option may be found elsewhere in this schedule.

Registration for all students begins April 21. Students are encouraged to register early, since courses are filled on a first-come, first-served basis.

Registration ends on Wednesday, May 28 for classes at Laurel College Center. Summer semester classes begin on Thursday, May 29, 2014.

Tuition/Fee Information

Tuition and fees for all summer classes must be paid by 11:59 p.m. the day of registration or classes will be dropped later that night. This is true regardless of when the classes actually begin.

All students pay a $25.00 registration fee. All other charges are calculated according to the number of credits being taken. The charge for tuition differs according to your county and state of residence. For more information, call toll-free 1-866-228-6110.

Tuition Rates

Prince George’s County Resident
$100.00 per credit
Other Maryland County Resident
$185.00 per credit
Out-of-state Resident
$280.00 per credit

In addition, each course is assessed an Instructional Service Fee, also charged per credit, of $45.00 per credit.

Financial Aid Information

Students may use any remaining financial aid to support credit coursework at the LCC. Due to the complexity of determining eligibility for financial aid, you are advised to work through the Financial Aid Office on the Largo campus.

Students enrolling at the LCC also may participate in the college’s deferred payment program, NBS/FACTS, which allows you to spread your tuition payments over two months. See page 10 of this schedule for more details about the NBS/FACTS program.

Access Procedures for Civilians
www.pgcc.edu/Campus_Info/Extension_Centers/Joint_Base_Andrews/Joint_Base_Andrews.aspx

Request for a Long-Term Badge form must be requested in person. Present your documentation at the location and on the days and hours listed below to get your form.

Civilians, faculty or staff without military affiliation accessing Joint Base Andrews must follow base security clearance procedures in order to obtain a Long-Term Badge. Badges are issued at the Base Visitor Center by Security Police just inside the main gate at Allentown Road. Badges are valid only for the days and times noted on the badge.

1. Non-drivers are discouraged since classrooms are about 1.5 miles from the main gate. There is no bus service on base.

2. Badges will be issued only to faculty, staff, and registered students; Badges will not be issued to non-students (including ‘chauffeurs’) for any reason if you are a non-driver.

3. In order to receive this badge, you must have the following:
   - valid driver’s license or state-issued ID
   - Vehicle registration card for the car you will be driving on base, including license plate number.
   - Proof of current car insurance.
   - If a student, a Registration Statement showing your class at JBA, and
   - If a non-citizen, your Permanent Resident Card and Social Security Card.

4. You must return the badge to the Andrews office at the end of the semester, or immediately after you withdraw or drop a class before the end of the semester. You will be denied future access if you fail to turn-in your badge.

Procedures to Access Joint Base Andrews for Summer 2014

Step One: Get your “Request for a Long Term Badge Request Form” from a JBA representative at the Prince George’s Community College main campus, Largo Student Center, first floor lobby, during the following dates and times:

- May 27 Tues. 5:30–7 p.m.
- May 28 Wed. 1:30–3 p.m.
- May 29 Thurs. 5:30–7 p.m.
- May 30 Fri. 1:30–3 p.m.

Step Two: Take the Request for Long-Term Badge form, with the other documents listed above to the JBA Visitor Center, 1832 Robert M. Bond Dr., located inside the main gate at Allentown Road to obtain your base photo ID. Visitor Center hours of operation are 6 a.m. to 6:00 p.m. Mon.-Fri. Please call ahead to confirm badge processing hours: 301-981-0689. The Center is closed weekends and holidays.

NOTE: Joint Base Andrews representatives will be at the Largo Campus ONLY on the dates stated above. If you need access for Summer II classes beginning the week of Monday, Jul. 7, and did not get a long term badge on one of the dates listed above, a PGCC representative will be at the Base Visitor Center at the main gate from 4:00–5:30 p.m., Monday–Thursday, Jul. 7–10. Bring the documents listed above with you at that time. If you do not meet with the representative on any of these specified dates, call the JBA Office (301-981-5949) at least 24 hours before your class begins. We will help you receive your Long Term Badge Request Form through an alternative procedure. DO NOT assume you will be able to access the base without the Long Term Badge.

You will be digitally fingerprinted for the badge. If a non-citizen, your Permanent Resident Card and Social Security Card must be presented. If you are a citizen, but born outside the U.S., call the Base Visitor’s Center (301-981-0689) regarding additional documentation.

The schedule of classes is subject to change. Visit Owl Link for the latest course updates at www.pgcc.edu.
