INTERSESSION

Prince George's Community College offers a variety of courses that begin and end between the fall and spring semesters. These intensive, accelerated courses offer an excellent opportunity to get a head start on the spring semester or to make up credits not earned during the fall semester. The amount of material covered in this short time is comparable to what is included during a regular semester so students should be prepared to devote full-time attention to the Intersession course or courses attempted during this time.

Intersession courses have their own payment, refund and withdrawal deadlines. Courses taught in the intersession must be processed as a separate registration from those taught in the spring semester. A registration fee will be charged. Financial aid students should check with that office to determine whether their financial aid funds can be applied to intersession courses.

Grades

Intersession grades will be posted on or about February 1.

Payment Schedule

All Intersession bills are due in full on the day of registration. Unpaid registrations will be dropped.

Refund Deadlines

The refund deadline for most intersession classes is the first day of class. Check the listing below for your specific course.

Withdrawal Deadlines

The last day to withdraw from intersession classes is usually the day before the last class meeting. Check the listing below for your specific course.

Inclement Weather

Each class scheduled for the intersession has an inclement weather make-up day listed. Please leave that day open for possible class attendance in the event that bad weather forces cancellation of a regularly scheduled class day.

Course Information

See the body of this schedule for course prerequisites. Course descriptions may be found in the catalog or on Owl Link when you search for intersession classes that are available.

Laurel College Center, 312 Marshall Avenue, Laurel, MD 20707, 1-866-228-6110

The Laurel College Center (LCC) resulted from a unique joint effort between Prince George’s Community College and Howard Community College to make higher education more accessible to the residents of Laurel and the surrounding area. Located at 312 Marshall Avenue in downtown Laurel near the Laurel Shopping Center and Laurel Center Mall, the LCC seeks to make higher education accessible to anyone over the age of 16 who works or lives in the Laurel area, especially those whose home residence is in either Prince George’s County or Howard County. However, anyone can take classes at the LCC, whether you have never taken a college class before or already have a college degree, whether you want to pursue a degree program or just take a course or two for fun, and regardless of where you live.

At the LCC, you can take individual courses, credit and noncredit, or you can earn an associate’s degree in business administration, general studies, teacher education or criminal justice.

Noncredit, continuing education courses, which are published in a separate schedule, are also offered at the LCC to help you upgrade your job skills in a variety of areas including computers, finance and management, or simply for your enjoyment.
