PRINCE GEORGE'S COMMUNITY COLLEGE
ARE YOU LOOKING FOR A JOB WITH PURPOSE, PASSION AND A PAYCHECK?
COME BACK TO SCHOOL AT PRINCE GEORGE’S COMMUNITY COLLEGE AND
BE PART OF THE PLUS 50 ENCORE COMPLETION PROGRAM!

■ Completing a degree or certificate can be the key to opening new doors. Come back to school and earn a college degree or a certificate in the high demand fields of healthcare and social services to pave the way to opportunities for new jobs and career advancement. *

■ Earning a degree or certificate might be easier than you think. At PGCC you may not have to start at square one. As a mature student, you could gain credits for past education and work experience through our Prior Learning Assessment Network (PLAN). (E-mail: plan@pgcc.edu)

■ It is a great time to come back. As the economy recovers, getting a degree or certificate can help increase your earning potential. PGCC offers a tuition waiver to Maryland students over age 60 with many courses tailored to your needs, making it easier than ever to finish what you start.

■ You have support. PGCC offers the support and flexibility you need to reach your goals, from diverse courses of study and accommodating class schedules to help with financial aid.

■ Distinguish yourself from the competition. It takes older workers longer to find jobs than their younger counterparts, and workers with limited education have higher rates of unemployment and greater difficulty finding and securing employment. A degree or certificate from PGCC could give you the edge you need to succeed.

■ You’re not alone. Thousands of plus 50 adults are heading back to community colleges to gain additional training, learn new skills and complete their degrees or certificates, especially in health care, education and social services fields.

■ Give back to your community. Through rewarding careers in health care, education and social services, you can make a big difference in the lives of others by giving back to your community.

■ Put your passion to work. Encore careers allow you to find personal fulfillment in high-demand fields that create social impact for the greater good—all while earning a paycheck. Prince George’s Community College provides the guidance and support needed to pursue a valuable career that gives back.

Important College Registration Policy

The policy of Prince George’s Community College is to prohibit enrollment in multiple classes meeting at the same time, on the same day and dates.

Students MUST choose the classes they want to attend and make sure there are no conflicts of time/day/date on the schedules. This may mean registering for a different section of a desired class.

Teachers are instructed not to allow students to attend classes for which they are not officially registered. Please be careful to register for all classes.

***AGE RESTRICTION***

Although the SAGE Program permits students under 60 years old to pay tuition and participate in some classes, at many senior class sites there is an age restriction. Therefore, anyone under the age of 60 wanting to enroll in a SAGE class must first get permission from the class site manager to make sure he or she meets the age participation requirements. Some site limitations are listed in the SITE Directory beginning on page 6.
3 Ways to Register for SAGE Classes

1) **Online through Owl Link**
   It’s PGCC’s online registration system and the fastest, safest, easiest way to get the classes you want. **You must register no later than one day before class begins.**

   A. Go to the college’s Home Page at [www.pgcc.edu](http://www.pgcc.edu).

   B. Click on the icon (located under Class Schedules). You’re now at the MAIN MENU.

   **NEW STUDENT:** You have never attended a PGCC program or class.
   To register, follow the steps below. You will be emailed an Owl Link Username/ID and temporary password (which you modify to become your permanent password). Please retain them to facilitate all future Owl Link transactions.
   1) From the MAIN MENU, click on Workforce Development & Cont. Ed. Students.
   2) Under Cont. Ed. Registration click on Enroll and Register for Courses.
   3) Click on Create a student account.
   4) On the Personal Identification screen, fill in all required fields (indicated by an * asterisk). **Check the box at the bottom of page** and click SUBMIT.
   5) On the Confirm Personal Info screen, check the box at the bottom of the page and click SUBMIT.
   6) For security, you will receive two separate e-mails, the first with your Owl Link Username/ID and the second with your temporary password.
   7) With this information, return to MAIN MENU and click LOG IN.
   Login using the Username/ID and password provided to you in your e-mails. You will see the message, *Your password has expired!*
   8) You now have to reset your password. **The password you create must have exactly eight (8) characters and must include at least one capitalized letter, one in lowercase and at least one character has to be a number. No special characters are permitted!**
   9) Once you have successfully logged into Owl Link, you will be returned to the MAIN MENU. You can now proceed to “C” to register for your classes. First, however, click on **Profile Update** (the last item) under User Account-Returning Students and note your Student ID—the 7-digit number at the upper left hand corner. Retain your Student ID for future reference in case you have to contact the help desk (for example, if you forget your username/ID or password).

   **RETURNING STUDENT:** You have previously enrolled in any course at PGCC. You will need to LOG IN to Owl Link in order to register.

   1) If you have received a Username/ID and password previously but do not remember your login information, follow the appropriate links on the login screen to retrieve your Username/ID and/or password.
   2) If you have registered for any PGCC classes before but have never received a Username/ID and password, you must contact the Help Desk at 301-322-0637 or e-mail helpdesk@pgcc.edu to receive them. You must have your Student ID# available when you contact the help desk.
C. To register for classes: From the MAIN MENU

1) Click on **LOG IN** and complete your login information and click **SUBMIT** which returns you to the **MAIN MENU**.
2) Click on **Workforce Development & Cont. Ed Students**.
3) Click on **Enroll and Register for Courses** and on the next screen, click on **Register for classes**.
4) Using this booklet or your site-specific registration form, find the classes you want to take and note the 5-digit synonym numbers that identify their dates, times, and locations.
5) In the box for **Course Code Number**, enter the 5-digit synonym number only for your first class and click **SUBMIT**. *(See diagram below) Do not enter any other information on this page!*

Out of county Maryland residents will pay an additional $5 per course. Non-Maryland residents (including those who are 60 years old or older) will pay an additional $10 per course.

Payment
Payment is due at the time of registration. Please make your check or money order payable to Prince George’s Community College and attach it to your registration form. Cash is accepted only at the Cashier’s Office in Bladen Hall, Room 120, Monday-Thursday 8:30 am-8 pm and Friday, 8:30 am-5 pm.

Refund Policy
To receive a refund of the $50 registration fee, SAGE students must officially DROP all classes at least two (2) business days prior to the earliest start date. No exceptions! Refunds are automatically issued for classes canceled by the college. Allow 14 business days for processing.

Supplies, Books and Lab Fees
Students are responsible for purchasing their own supplies for all classes, e.g., art materials, craft supplies, tools, textbooks. (Information regarding a required text or other supplies will be made known at the first class.) Lab fees may be assessed for some courses.

Inclement Weather Policy
♦ The SAGE Program, except ATH-900/901 (Health and Fitness) and ATH-930 (Therapeutic Aquatic Exercise) classes, follows the Prince George’s County Public School System. Whenever Prince George’s County Schools are canceled due to bad weather, SAGE classes are canceled.

⇒ A one-hour delay doesn’t affect classes. If public schools are delayed for two hours, classes starting before 11 am will be canceled.

⇒ If public schools close two hours early because of predicted bad weather, all classes after 2 pm will be canceled.

♦ All SAGE classes (on and off campus including ATH-900/901 and ATH-930 classes) are canceled if Prince George’s Community College is closed due to bad weather.

♦ Saturday class students should listen to Public Service Announcements on radio and television to determine if a site is open for classes.

Seniors Helping Seniors Grants

Change A Life

SAGE will officially sponsor our fund raising effort during the week of March 4, 2013.

SAGE students are asked to donate loose change in each class in which they are enrolled in order to change a life for fellow students who cannot afford to register.

During Change A Life week, remind teachers to collect, and fellow students to donate, change and/or bills in every class they take. Larger donations—cash or checks made out to PGCC/SHS—are most welcome. All donations go directly to SAGE students in need of help. Each trimester grants are awarded to students with a short-term demonstrated need.

Our heartfelt thanks to everyone who has contributed.

Donations can be mailed to:
