Important College Registration Policy

The policy of Prince George’s Community College is to prohibit enrollment in multiple classes meeting at the same time, on the same day and dates.

Students MUST choose the classes they want to attend and make sure there are no conflicts of time/day/date on the schedules. This may mean registering for a different section of a desired class.

Teachers are instructed not to allow students to attend classes for which they are not officially registered. Please be careful to register for all classes—but be mindful of others.***

NEW NOTE

***While we know that the SAGE Program is a great value, please do not register for classes that you might not attend. It takes up a seat that someone else who really wants to take the class could have.

***AGE RESTRICTION***

Although the SAGE Program permits students under 60 years old to pay tuition and participate in some classes, at many senior class sites there is an age restriction. Therefore, anyone under the age of 60 wanting to enroll in a SAGE class must first get permission from the class site manager to make sure he or she meets the age participation requirements. Some site limitations are listed in the SITE Directory beginning on page 6.
3 Ways to Register for SAGE Classes

1) **Online through Owl Link**
   It’s PGCC’s online registration system and the fastest, safest, easiest way to get the classes you want. **You must register no later than one day before class begins.**

   A. Go to the college’s Home Page at [www.pgcc.edu](http://www.pgcc.edu).

   B. **Click on “Owl Link”** which is in small print at the top of the page. This will take you to Owl Link’s **MAIN MENU**.

   **NEW STUDENT:** You have never attended a PGCC program or class.
   To register, follow the steps below. You will be emailed an Owl Link Username/ID and temporary password (which you modify to become your permanent password). Please retain them to facilitate all future Owl Link transactions.
   1) **From the MAIN MENU, click on Workforce Development & Cont. Ed. Students.**
   2) Under Cont. Ed. Registration click on Enroll and Register for Courses.
   3) Click on Create a student account.
   4) On the Personal Identification screen, fill in all required fields (indicated by an * asterisk). **Check the box at the bottom of page** and click SUBMIT.
   5) On the Confirm Personal Info screen, **check the box at the bottom of the page** and click SUBMIT.
   6) **For security, you will receive two separate e-mails; one with your Owl Link Username/ID and another with your temporary password.**
   7) **With this information, return to MAIN MENU and click LOG IN.**
   Login using the Username/ID and exact password sent to you in your e-mails.

   **ALERT:** You will immediately see the message “Your password has expired!”
   Don’t panic! This is expected!

   8) You now have to reset your password. **The password you create must have exactly 8 (eight) characters and must include at least one capitalized letter, one lowercase, and at least one character has to be a number. No special characters are permitted!**
   9) Once you have successfully logged into Owl Link, you will be returned to the MAIN MENU. You can now proceed to section “C” of these directions to register for your classes. (First, however, you might want to make a note of your Student ID number. To do this click on the gold-colored bar “Workforce Development and Cont. Ed. Students”. Go to “Profile Update” (the last item) under User Account-Returning Students and note your Student ID—the 7-digit number at the upper left hand corner.) Retain your Student ID for future reference in case you have to contact the help desk *for example, if you forget your username/ID or password*.

   **RETURNING STUDENT:** You have previously enrolled in any course at PGCC. You will need to LOG IN to Owl Link in order to register.
   1) If you have received a Username/ID and password previously but do not remember your login information, follow the appropriate links on the login screen to retrieve your Username/ID and/or password.
   2) If you have registered for any PGCC classes before but have never received a Username/ID and password, you must contact the Help Desk at 301-322-0637 or e-mail helpdesk@pgcc.edu to receive them. You must have your Student ID# available when you contact the Help Desk.
C. To register for classes: From the MAIN MENU

1) Click on LOG IN and complete your login information and click SUBMIT which returns you to the MAIN MENU.

2) Click on Workforce Development & Cont. Ed Students.

3) Click on Enroll and Register for Courses and on the next screen, click on Register for courses.

4) Using this booklet or your site-specific registration form, find the classes you want to take and note the 5-digit synonym numbers that identify their dates, times, and locations.

5) IMPORTANT — In the box for Course Code Number, enter the 5-digit synonym number only for your first class and click SUBMIT. (See diagram below) Do not enter any other information on this page!

6) Click in the box next to the course information, which displays the time, date, location and seat availability and click SUBMIT.

7) Fill in any optional Additional Registration Information and click SUBMIT.

8) The course for which you have registered and amount due will display on the screen. Go to Choose of the following: From the drop down box choose of the following three options: Register Now (check out); Search for more courses; or Recalculate total amount. Repeat steps 5, 6, and 7 if choosing additional courses. While your SAGE registration is still $50, there is an increase in the works. At this time, we do not know how much the increase will be or when it will be implemented, but we do know that it will still be the best deal around.

We thank you for you understanding and support when this price change takes effect! It is the first price increase in over 20 years!

**Seniors Helping Seniors Grants**

**Change A Life**

SAGE will officially sponsor our fund-raising effort during the week of March 16, 2015.

SAGE students are asked to donate loose change in each class in which they are enrolled in order to change a life for fellow students who cannot afford to register.

During **Change A Life** week, remind teachers to collect, and fellow students to donate, change and/or bills in every class they take.

Larger donations—cash or checks made out to PGCC/SHS—are most welcome. All donations go directly to SAGE students in need of help. Each trimester, grants are awarded to students with a short-term demonstrated need.

Checks should be made out to Prince George’s Community College with “Seniors Helping Seniors” written on the memo line.

They can be mailed to the following address: PGCC Seniors Helping Seniors
Kent Hall, Room 201
301 Largo Road
Largo, MD 20774-2199

Our heartfelt thanks to everyone who has contributed.
