Only students enrolled in fall 2015 or spring 2016 are eligible to participate in advance registration for the upcoming fall semester.

The following cutoffs shall be in effect for participation in the week of advance registration. Total credits earned includes courses in progress.

- **Mon., Apr. 4**
  - Reserved for current students who have earned 36 or more credits at PGCC

- **Tues., Apr. 5**
  - Reserved for current students who have earned 24 or more credits at PGCC

- **Wed., Apr. 6**
  - Reserved for current students who have earned 12 or more credits at PGCC

- **Thurs.–Sun., Apr. 7–10**
  - Open to all current students Online registration only Apr. 9–10.

- **Mon., Apr. 11**
  - Registration open to everyone

  **Note:** For purposes of participation in advance registration, developmental course EH’s do not contribute to credits earned. They do, however, count as current enrollments if the courses are in the fall 2015 or spring 2016 semesters. These dates do not apply to registration for Workforce Development and Continuing Education courses.

How to Read Course Information in the Schedule of Classes

1. The first line for each course listed in the schedule contains the subject and the 4-digit course number, the course title and the number of Credits or Equivalent Hours (EHs) the course carries.

2. The next line, indicates what, if any, prerequisites the course may have. In other words, this is what you need to have completed before you enroll in this course. For ACC-2002, the prerequisite is ACC-2001 (formerly ACC-1010).

3. Individual course offerings are arranged according to various locations.

4. Course sections line indicates precisely the days/time/dates/location of one offering of the course.

5. You can register for any section of any course if you know the course subject (ACC), number (2002) and section (LD02) identifier you desire.

6. You can also register for any section by indicating the five-digit synonym (82308 in this case). You don’t need any other information if you use the synonym.

7. Additionally, the date, time and location has been conveniently spelled out for you below each course section line.

Here is what the letters in the section designators mean:

- DL: Distance Learning Section
- HY: Hybrid Section—includes both classroom and online teaching
- IN: Independent Study
- LD: Largo Campus Daytime Section
- LE: Largo Campus Evening Section
- LS: Largo Campus Saturday Section
- LU: Largo Campus Sunday Section
- LW: Largo Campus Weekender Section (Friday night & all day Saturday)
- TV: Television or Telecredit
- XD: Extension Center Day Section
- XE: Extension Center Evening Section
- XS: Extension Center Saturday Section
- XU: Extension Center Sunday Section
- XW: Extension Weekend (Friday night & all day Saturday)

Course Descriptions
Course descriptions no longer appear in the class schedule. To read a description of the content of a course, go to Chapter 9 of the college catalog, either hard copy or online. Or, access the course through Owl Link. You do not need to sign in to see the descriptions. Go to “credit students” and then select an option under “search for credit courses. Select Fall, 2016 as the term. Select the subject and course number. Click on any “Section Name and Title” entry. The description will appear on the resulting page.

Registration Instructions
To Register for Classes in Person
Pick up a registration form in Bladen Hall on the Largo campus or at one of the extension centers. Use this schedule to:

1. Select the course—for example ACC-2002.
2. Select a general location and time frame.
3. Select the section—the specific day and time and location.
4. Write your choice on the registration form in one of two ways:

   Use the five-digit synonym number—for example 94265 OR Use the course/section designator combination—ACC-2002-LD02

5. Turn in your completed registration form to Bladen Hall, Room 126 or an extension center coordinator. Be sure you do not have to meet with an advisor before presenting your registration form to staff in those offices.

That's all there is to it... Select the reference number or the course and section. Getting enrolled couldn't be easier!

Register Online Using Owl Link!
To register through Owl Link, the college must have your current active e-mail address. Students at Prince George's Community College are encouraged to self-register for credit classes using Owl Link. Owl Link is accessible in two ways—through the College website at www.pgcc.edu or through My PGCC, a home page just for students at my.pgcc.edu. To access Owl Link, you must have a current e-mail address on record with the college. You must then follow the link for Credit Students and log in entering your Owl Link User ID and password.

Once in Owl Link, there are a variety of options under the heading of Credit Registration. Select the one that seems most appropriate for you. Or, under the heading Search for Credit Courses, you can search for course sections that are still available for registration for the fall 2014 semester. Note that courses will not be listed if they are full, have been canceled, or if they have already begun.

There are other functions available through Owl Link as well. Here is a sampling of what may be accomplished once you have logged in to this system:

Under My Financial Information students can:

- Pay tuition bills using a savings or checking account or a credit card.
- View a current bill to see if there is an outstanding balance.
- View past 1098T Forms
- Enroll in the NBS Tuition Payment plan.

Under My Financial Aid students can:

- See the status of paperwork submitted to the Financial Aid Office.
- Find out the amounts and types of financial aid offered to you.
- See how the financial aid awards are determined.
- Accept or reject aid offered to you.

Under My Credit Academic Records, students may:

- View grades and GPA by term
- View and modify their Educational Plan
- Access Degree Works
- See a copy of their class schedule for a term
- Complete an Academic Program Evaluation to see what is still needed in their program of study or in an academic program being considered for the future.
- Apply for graduation.
- See a summary of placement test scores.

Prince George’s Community College ● Transforming Lives ● 301-546-7422 ● www.pgcc.edu
Under My Transcript, students may:

- Access and print an unofficial transcript.
- Request an official transcript.

If students are reluctant to try this system because they aren’t sure of their User ID or password, there is even a section to help solve that problem. And there are Help files attached to every function to assist when using each feature for the first time.

Please share your Owl Link online registration experience with us by e-mailing enrollmentservices@pgcc.edu.

Owl Mail
Prince George’s Community College assigns all students a secure student e-mail account called Owl Mail. After a student has registered for the semester, all electronic communication between the college faculty/staff and students will be sent only to this e-mail account. Owl Mail will be the only means available to interact electronically with faculty, to participate in online courses, and to receive official notices and important announcements on a timely basis.

To activate your Owl Mail account, you must have the following things:

- An e-mail from the college to your home/personal e-mail address notifying you that an Owl Mail account has been created for you.
- An Owl Link account and User ID
- Your seven-digit Student ID number
- Current or upcoming semester enrollment
- Internet access

Notice of the creation of your Owl Mail account will be sent by e-mail to your personal e-mail address. It is critical that you activate your account as soon as you are notified that it is available. Accounts not activated within 30 days will be made unavailable. So, if you have not yet activated your Owl Mail account, here is what you need to do:

- At a computer with Internet access, open a web browser (Internet Explorer, Firefox, etc.)

In the address line at the top, enter http://live.pgcc.edu/ (Do not include www.)

- Read and follow the directions on the page that appears at the above web address.

Admission
Students who wish to enroll in any course found in this schedule of classes must be formally admitted to Prince George’s Community College prior to registration for classes. In addition, former students who have not attended the college in more than two years need to apply for readmission prior to registration.

Students are encouraged to apply online at www.pgcc.edu. Applications for admission may also be obtained from the Office of Admissions and Records, Bladen Hall, Room 126 or from any of the college’s extension and degree centers. A $25.00 non-refundable application fee must be paid at the time the application is submitted. Students taking Workforce Development and Continuing Education courses do NOT need to complete a credit application or pay the $25.00 fee.

Special Admission/Registration Procedures
Advance registration: Currently enrolled students may register before new students.

High school dual enrollment: You must be a high school senior or a junior 16 years of age or older at the time the semester begins and attend a public high school in Prince George's County. Admission to this program is under the control and coordination of the Prince George's County Public School System. You must meet with your high school counselor to begin the admission process.

High school concurrent enrollment: You must be a high school senior or a junior 16 years of age or older at the time the semester begins and attending a school other than a Prince George's County public high school. You must have a minimum high school GPA of 2.50 to enroll. Bring an official high school transcript and written clearance from the principal to the Office of Admissions and Records when you come to register. You are also required to take relevant college placement tests before your first registration. Students who test into developmental courses cannot participate in this program.

Health science applicants: Arrange to meet with an advisor regarding the special requirements for entry into the Health Science programs by calling 301-546-0151. Most of these programs have limited enrollment and students are selected by pre-established criteria.

Transfer students: If you wish to transfer credits from another United States institution, you must complete the Request for Evaluation of Transfer Credit form available online or at the Office of Admissions and Records. You must also have each former school or training site send an official transcript to the Office of Admissions and Records. Please allow four to six weeks for a formal evaluation to be completed and posted to your college transcript. Bring unofficial transcripts or grade reports with you when you register for your first semester at Prince George's Community College. The college will also evaluate military transcripts and work-related training approved by the American Council on Education. Transcripts from non-United States colleges must be evaluated by an external provider of this service before being submitted for evaluation. Contact transfercredit@pgcc.edu for more information.

Students with prior degrees: Students who wish to take classes at the college but who have already earned an associate’s degree or higher from an accredited United States college or university are exempt from all placement tests. Be sure to indicate that you are a college graduate on the application for admission.

Students who enroll in a course based upon their prior degree assume full responsibility for possession of the background skills and knowledge required for success in the course. Use of this prerequisite exemption may not be used later as grounds for an exceptional refund or as the basis for challenging a grade.

The college reserves the right to limit the number of courses for which students may enroll using this exemption.

International applicants: If your official residence is outside the United States and you wish to attend using an F-1 student visa, call the Office of Admissions and Records for information on the special requirements for enrollment at 301-546-7422. The application for admission must be received by May 1 for fall semester enrollment and by October 1 for spring semester enrollment. International applicants who do not wish to receive a student (F-1) visa should follow the procedures for permanent residents given below.

Permanent residents: If you are an official U.S. resident but not a U.S. citizen, bring your passport, alien registration or permanent resident card to the Office of Admissions and Records when you apply for admission. Non-citizens will not receive in-county tuition rates until such documentation is received. If your native language is not English, you must go to the Academic Advising Office, Bladen Hall, Room 124 to arrange for English proficiency testing. Students who fail to provide documentation of visa status or who are undocumented and ineligible for DREAM Act consideration will be charged as non-Maryland residents.

Veterans: Go to the Veterans Services Office in Bladen Hall, Room 124 after you register in order to complete the required paperwork. You can also complete and submit the forms online. Call 301-546-5282 for more information.

Disabled students: If you require special services (e.g., interpreters, recorded materials) you must register and submit a paid bill receipt to the Disability Support Services Office one month or more before the start of classes to
assure provision of those services. Academic accommodations are determined on a case-by-case basis. Call 301-546-0838 or (TTY/TDD) 301-546-0122 for more information.

Note: Students in need of sign language interpreters for advisement and registration MUST schedule this service through the Disability Support Services (DSS) Office at least one month in advance of the anticipated registration date. Call 301-546-0838 or (TTY/TDD) 301-546-0122 to make an advisement/registration appointment.

Students on academic warning or restriction: If you were put on academic warning or restriction at the end of your last semester here, whenever it was, you will be limited to a maximum of 13 credits. If you have been placed on academic restriction you must meet with an advisor and complete a “Petition for Academic Reinstatement” form if you wish to enroll as a full-time student. The form must be submitted by August 22 for consideration. Otherwise, you will be limited to two courses to be selected according to the criteria listed in the college catalog. You cannot register using Owl Link.

Students on dismissal: If you were dismissed at the end of any semester prior to spring or summer 2016, you must see an advisor to complete the “Petition for Academic Reinstatement” form before registering. No student dismissed in the spring or summer 2016 semesters may register for the fall semester unless special permission has been granted by the Academic Appeals Committee. Appeals must be submitted in writing by completing the “Petition for Academic Reinstatement” form with an academic advisor form must be completed by August 22 to qualify for reinstatement for the fall semester. Call 301-546-0151 for more information.

Placement Tests
First-time college students and some transfer students are required by the college to take placement tests. The tests include basic skill assessments in reading comprehension, writing, and mathematics. These tests are given electronically, are untimed, and may be taken separately or all at one time. Students who are not proficient in English will be given a different, paper-based examination that includes a writing sample. A required orientation/academic advisement session is then scheduled after completion of all examinations in order for test results to be interpreted and an appropriate selection of classes made. The testing/advisement requirement applies whether students wish to attend full-time or part-time.

It is suggested that you look at sample tests on the Student Assessment Services Web page found on the College’s website and study the questions prior to taking the actual examinations.

Students who feel they did not perform to their full ability on one or more of the placement tests may meet with an academic advisor to request permission to repeat one or all of them. Only one repeat is allowed for each test, and the second testing session cannot be on the same day as the first one. Students repeating the English placement exam should know that a writing sample will be required as the second attempt and it will take several days for the results to be recorded.

Note: Students must present a picture ID in order to enter the Testing Center.

Class Schedule Changes
You may adjust your schedule online anytime during the registration period. Or you may complete an add/drop form and submit it to the Office of Admissions and Records or to one of the extension centers. Do not ask an advisor or faculty member to do this for you! And you must adhere to the registration deadlines given below.

Registration/Drop-Add Deadlines
The registration policy states the following: The last day on which you may add or register for a particular course is 11:59 p.m. the day before its published start date. There will be no registration for any class on the day it begins or anytime thereafter.

Online courses begin on the first weekday of the semester unless they have a different start date published. They will therefore have the same registration cutoff date as any other course which begins on the first weekday of the semester.

These deadlines apply to all courses regardless of when they begin. Late-starting courses will remain available until they fill or until they reach their registration deadline. Courses taught in the weekend format actually begin online two weeks prior to the first on-campus meeting date. No registration will be allowed once that online start date has been reached.

Note: Some courses taught in an accelerated format (i.e., five-week courses) may have published registration deadlines which prohibit registration after the published date. Check the class schedule under the specific course and section you wish to take to see if this applies. In such instances, no registrations will be accepted after that deadline.

Exceptions to the Late Registration Policy
Students are prevented from enrolling in courses once the registration deadlines have passed. In any instance that an exception must be made, the registration or schedule adjustment form must be signed by the Dean responsible for the academic discipline under which the course falls. In addition, students will be required to complete an Exceptional Registration Responsibility Form, available only from the academic deans’ offices, in which they acknowledge their forfeiture of all or part of the refund period for the course and in which they agree to accept full responsibility for the repercussions of registering after the class has begun. This form also must be signed by the Dean. Forms may not be completed by phone or over the Web. All such registrations will be processed one business day after the paperwork is completed by the Dean and submitted to the Admissions and Records Office.

Students will then have until the end of that day to pay for the class to avoid having it cancelled for nonpayment.
Cancellation of Classes
The college reserves the right to cancel sections, change meeting places, or make other changes that the college deems appropriate. Every effort is made to notify students of course cancellations by phone and by e-mail prior to the start of classes. If a class is cancelled, all tuition and fees will be automatically refunded unless the student selects a comparable course to replace the cancelled one.

Room Assignments and Changes
Classrooms marked TBA (to be arranged) in the class schedule will be assigned before classes begin. In addition, some classrooms need to be changed to accommodate class sizes or special needs. Room assignments and changes to room assignments are available on Owl Link as soon as they are made. Check Owl Link prior to the start of your class for the latest room assignment. In addition, changes are posted on the Portal, MyPGCC.edu. Read these notices carefully to be sure they apply to your specific course section!

College Closings
It is the practice of the college to hold all regular classes on all days scheduled on the college calendar. Should an emergency arise that requires the cancellation of classes and activities, the following radio stations will be asked to announce the college’s closing shortly after the decision is made: WMAL, WRC, WTOP, Wabay, WAVX, WASH, WHUR, WPCC, AND WMX. The following TV stations will be asked to announce the closing: WRC (4), WTTG (5), WULA (7), WUSA (9), and NewsChannel 8. Information concerning the college closing also can be obtained on the college website at www.pgcc.edu as well as by calling 301-546-7422. Students can also receive direct notification of closures and other emergency information by signing up for Owl Alert. Notification can go directly to cell phones or e-mail. Go to www.pgcc.edu to subscribe to Owl Alert.

In case of hazardous weather, extension center classes will be cancelled at local public school locations when the Prince George’s County Board of Education announces that the public schools will be closed. Other sites, such as Joint Base Andrews, the Laurel College Center and the University Town Center will follow the Largo campus weather schedule. If the Largo campus closes as a result of inclement weather, classes at extension centers and sites will be cancelled.

When the college announces a delayed opening, all classes with at least 45 minutes of class time remaining at the time of the opening will be held. For example, in the event of a 10 a.m. opening, a 9:30-10:45 a.m. class will be held. This procedure applies to all credit classes.

ID Cards
Every student must have a college photo ID card created. Students should go to the library (Accokeek Hall) or to the Office of Admissions and Records to obtain a card. A time schedule for the availability of this service is listed on the inside back cover of this schedule under “ID Card Services.” ID cards may also be created at the University Town Center, the Laurel College Center and the Joint Base Andrews degree center. Check each center’s portion of the schedule for the times this service is available at that location.

Students who received their photo ID cards in a previous semester should go to either the Admissions and Records Office, Bladen Hall, Room 126, or to the library in Accokeek Hall to have their ID cards validated and updated. Student ID cards will be validated for the fall, 2015 semester. You must verify fall registration to receive your validation sticker. All other returning students must follow the procedure for new students given in the first paragraph. ID cards may also be validated at the University Town Center, the Laurel College Center and the Joint Base Andrews degree center. Check each center’s section of this schedule for their hours of availability for this service.

ID cards must be carried at all times and are required for use of the library and computer labs, access to campus services and events, and in the bookstore and cafeteria. Students who lose their ID card must pay a $10 replacement fee.

The College expects that students will display their college ID cards and provide other proper photo identification upon request as it is a requirement prior to the use of college facilities. Such identification will include a properly validated college ID card and one other form of photo identification—a current driver’s license, a Maryland Motor Vehicle Identification Card, a military ID card or a current passport/work permit or permanent resident card.

Parking Permits
All students who intend to drive to the Largo campus are asked to obtain a parking sticker for each vehicle they intend to park in one of the college’s parking lots. This will identify a car to campus police officers as legitimately parked on campus and also will allow officers to contact the owner quickly in the event of an emergency. Stickers may be obtained from Campus Police in the Bladen Hall substation or at their main office in the Facilities Management Building.

Students must park in lots identified as available for student parking. Those who park in areas reserved for faculty and staff will be ticketed.

FERPA
Notification of Rights under the Family Educational Rights and Privacy Act (FERPA) for Postsecondary Institutions
The Family Educational Rights and Privacy Act (FERPA) affords you, the student, rights with respect to your education records. They are:

1. The right to inspect and review the education records within 45 days of the day Prince George’s Community College receives your request for access.
   You must submit to the Registrar a written request that identifies the record(s) you wish to inspect. The Registrar will make arrangements for access and notify you of the time and place where the records may be inspected. If the records are not maintained by the Office of Admissions and Records, the director will advise you of the college official to whom the request should be addressed.

2. The right to request the amendment of education records that you believe are inaccurate or misleading.
   You must write the college official responsible for the record, clearly identify the part of the record you want changed, and specify why it is inaccurate or misleading.
   If the college decides not to amend the record as requested, the college will notify you of the decision and advise you of your right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to you at that time.

3. The right to consent to disclosures of non-directory, personally identifiable information contained in your education records, except to the extent that FERPA authorizes disclosure without consent.
   One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the college in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the college has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees.

Directory information includes, but is not limited to, name, address, telephone number, e-mail address, place of birth, dates of attendance, degrees earned, and previous colleges attended. While the college does not routinely release such information to anyone who inquires, it may legally do so if the third party demonstrates a legitimate need to know such information.

You may refuse to permit such disclosure without your written consent by notifying the Registrar in writing of your wish to be excluded from such a release of information.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the college to comply with the requirements of FERPA. FERPA is administered by the Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-4605.

Any student who fails to pay within the prescribed time period will be dropped for nonpayment. This includes registration for late-starting classes.

How to Pay
You may pay using the following methods:

- in person using cash, personal check, money order, or credit cards—MasterCard, Discover or Visa
- by mail with a check or money order.
- online through the college’s website (www.pgccc.edu) linking to Owl Link, or through my.pgccc.edu
- by use of properly documented financial aid and scholarships
- by use of the college’s authorized payment plan, NBS/FACTS, also available online.

This deferred payment plan is payable in installments based on the NBS/FACTS application date. Follow the schedule of deadlines below. Pay the initial deposit and/or set up your payments under a scheduled automatic payment plan from a checking or savings account, Visa, MasterCard, Discover or American Express according to the plan due dates. The processing fee is $35.00. You must enroll in the NBS/FACTS program through the Web. Go to the college’s website, www.pgccc.edu, and access the Quick Link to the NBS/FACTS tuition payment plan. You must have your NBS/FACTS application approved and processed before your bill is considered paid.

Payment Plan Due Dates
All applications must be made online Jul. 12 for those registering prior to that date or by 11:59 p.m. the day of registration after that date. If the completed application is processed online on or before:

- Aug. 4—No deposit required. 4 monthly payments (Aug. 20–Nov. 20)

Financial Aid
Financial aid awarded by PGCC consists of Federal and State grants, loans, and scholarships from a variety of sources, and work-study opportunities.

If your financial aid has been processed you should see the amount of aid for which you are eligible printed on your bill as Financial Aid Awarded. If you believe you have financial aid that does not appear on your bill, please contact the Financial Aid Office, located in Bladen Hall, Room 121 before you make payment.

All applications and supporting documents for the determination of a financial aid award must be submitted as early as possible to www.sccwp.org, our verification service. Missing or incomplete paperwork will delay the determination of financial aid eligibility.

Students whose eligibility determination is delayed should be prepared to pay all tuition and fees themselves or sign up for the tuition payment plan. Such payments may later be reimbursed once financial aid is authorized.

Note: Students who do not meet SAP (Satisfactory Academic Progress) criteria will not see aid posted on their tuition bill. Contact the Financial Aid Office if you have questions about this action.

Senior Citizens
Maryland residents who are age 60 or older at the start of the semester are exempt from the payment of tuition for courses for which state funding is received. In addition, they are exempt from payment of instructional services fees, but not application fees, registration fees and special instructional fees, e.g., applied music fees and telecredit fees.

Note: Textbooks, course supplies and materials are not covered by this exemption. For more information, contact the Office of Admissions and Records, 301-546-7422.

Maryland Disabled Persons
Any Maryland resident who is out of the workforce because of a permanent disability as designated by the Social Security Act, the Railroad Retirement Act, or the Office of Personnel Management (in the case of former federal employees) may be eligible for a waiver of tuition, but not fees, upon enrollment in credit courses which normally
have at least 10 regularly enrolled students. This waiver applies for up to 6 credits for non-degree seeking students in credit courses and up to 12 credits per semester for those enrolled in a degree program or a credit certificate program that leads to employment. The college reserves the right to remove specific courses from the list available under the tuition waiver.

In order to qualify for this waiver, students must apply for financial aid for 2015-2016 using the Free Application for Federal Student Aid (FAFSA) prior to requesting the waiver and must present confirmation of that fact with the application for the waiver.

If awarded, the tuition waiver is in effect for one academic year, July 1, 2015–June 30, 2016 regardless of when it was awarded. It will cover tuition charges remaining after all other forms of financial aid have been applied (not including loans) for the fall, spring, and summer terms. Students must re-apply for the waiver each year they wish to use it to attend the college.

Contact the Office of Admissions and Records, Bladen Hall, Room 126 to obtain the necessary forms to apply for this waiver and to obtain the full description of this benefit. Or e-mail your full name and address to enroll@pgcc.edu to have the necessary information sent to you. Be sure to put “Tuition Waiver Forms” in the subject line of your e-mail.

Notwithstanding the provisions for exemption contained herein, the college reserves the right to cancel classes for reasonable cause, which may include insufficient enrollment of regularly enrolled (nonexempt) students.

Note: All fees, textbooks, course supplies and materials are not covered by this exemption. For more information, contact the Office of Admissions and Records, 301-546-7422.

Employer-Paid Tuition

1. It is your responsibility to present the purchase order (two copies), tuition assistance form, or letter of intent at the time you pay your tuition.

2. The purchase order, tuition assistance form, or letter of intent must state your name, social security number or student I.D., amount to be paid, billing address, and original signature of person(s) authorizing payment.

Note: The bookstore is an independent entity from the college and is paid directly by the employer. If you are entitled to a reimbursement for books, you must obtain a separate purchase order, tuition assistance form, or letter of intent addressed to PGCC bookstore.

3. The purchase order, tuition assistance form, or letter of intent will not be accepted after you have paid your tuition yourself. You must be reimbursed by your employer or agency in this case. The college will not bill in order to reimburse you.

4. In the event the employer refuses to pay after receipt of the bill, the student becomes immediately responsible for all tuition and fees.

If there are any questions regarding this procedure, please contact the Student Accounting Office in Bladen Hall, Room 120, 301-546-0688.

Prince George's Community College Employees

Full-time and regular part-time college employees who enroll during non-working hours in any class that has at least 10 regularly enrolled students are exempt from payment of tuition. In addition, such employees may participate in the employee tuition reimbursement program. Please note that failure to pay the required fees by the payment deadline will result in the classes being dropped.

Veterans with Education Benefits

Two groups of veterans are excused from the payment of tuition and fees at the time of registration:

1. Veterans participating in the VA Vocational Rehabilitation Program must complete the required paperwork with the Veterans Services Office in Bladen Hall, Room 124 and then take a copy of their bill and a copy of their form 28-1905 to the Cashier for processing. The college will then bill the Veterans Administration for tuition and fees for all approved courses. These same forms may be taken to the bookstore to be used to purchase books and approved supplies.

2. Veterans eligible for benefits under the Post 9/11 GI Bill need to complete the required paperwork with the Veterans Services Office in Bladen Hall, Room 124 each semester. They will then be held in their classes until the VA has paid its portion of the tuition and fees. Any remaining amount will be billed to the student and must be paid prior to enrollment in a future semester. It is important that veterans under this program drop any course they do not want prior to its refund deadline, since the college will not drop them for nonpayment, in order to prevent an overpayment situation with the VA.

Veterans receiving benefits under any other VA program are expected to pay their tuition in full by the appropriate deadline. The college will not hold students in their classes pending the student’s receipt of a monthly benefit check later. Call 301-546-5282 or e-mail veterans@pgcc.edu for more information.

Returned Checks

If the college receives final notice of a check being returned for any reason prior to the start of a semester, you will be dropped from all classes with no financial obligation other than the return check fee and registration fee. All checks are deposited twice.

If the college receives final notification of the returned check on or after the first day of the semester, you will not be dropped from classes. You will remain enrolled unless you personally withdraw or otherwise adjust your schedule during the refund period. At the end of that period, you, the student, will be liable for tuition and fees for all remaining courses plus the return check fee, regardless of whose check was used to pay your tuition. No grades will be released or transcripts issued until the indebtedness has been paid.

Delinquent Accounts

Delinquency in payment of any amount due from a student or former student to the college or under any loan program administered by the college, or failure of financial aid recipients to complete an exit interview before leaving the college will result in denial of registration, exclusion from classes, withholding of grades and transcripts. The college employs the services of the State Central Collection Unit (SCCU).

One of the SCCU measures is to refer delinquent accounts to the credit bureau. If your delinquent account is referred to the credit bureau, it will remain on your credit report for the next seven years. If your delinquent account is referred to a collection agency, you will be held liable for all collection costs incurred in addition to the delinquent amount due. These collection costs can add up to one-third additional expense to your indebtedness to the college.

The schedule of classes is subject to change. Visit Owl Link for the latest course updates at www.pgcc.edu.
PGCC Owl Debit Card

All credit students will receive a PGCC Owl Debit Card, issued through Higher One Bank. This card is very important and must be acted upon in order to set up a preference for the way refunds from the college will be delivered to you. This includes financial aid rebates.

Students may choose to have refunds and rebates processed as deposits to their PGCC Owl Debit Card or they may choose to have refunds electronically deposited in another bank account specified on the Higher One/PGCC Owl Debit Card activation site. The college no longer issues paper checks.

Refund Policy

Refund Deadlines

All refunds are calculated based upon the number of calendar days (not class days) that have elapsed since a class began, to include the first day of class. The deadline is therefore no longer a specific date for all courses; each section is refunded according to its own starting date. One set of rules applies to courses longer than five weeks in length; another applies to those of less than five weeks in duration.

For courses longer than five weeks in length, the following refund periods apply:

- Course dropped prior to start of class: 100%
- Course dropped on the 1st or 2nd calendar day before midnight: 100%
- Course dropped on the 3rd through the 9th calendar day before midnight: 75%
- Course dropped on the 10th through the 14th calendar day before midnight: 50%
- Course dropped the 15th calendar day or later: No refund.

For courses five weeks or shorter, the following refund periods apply:

- Course dropped prior to start of class: 100%
- Course dropped on the first or second calendar day before midnight: 100%
- Course dropped the third calendar day before midnight: 75%
- Course dropped the fourth calendar day or later: No refund.

The effective date for calculation of a refund for a credit course shall be the date the withdrawal form is filed in the Office of Admissions and Records or the date the transaction is successfully completed through Owl Link. Refund processing will begin for the fall 2015 semester the week of September 21 and weekly thereafter for late-starting classes.

In addition, the following apply:

1. No refund of application fee, registration fee or late registration fee.

2. One hundred percent (100%) refund if the class is canceled or rescheduled by the college.

3. No refunds will be given after the deadlines listed in the refund schedule above.

4. Refunds of payments made by credit card will go back to that card as a credit if payment was made directly to the college. Students on the NBS Payment Plan whose payments are being taken from a credit card will have refunds follow the preference chosen when they activated their Owl Debit Card.

5. All other refunds are issued electronically according to the preference set by the student when they activated their PGCC Owl Debit Card. No paper checks will be issued.

Note: No refunds after the periods indicated. (The college reserves the right to make changes in the aforementioned schedule as required.) Please note that exchanging a course that is past its refund deadline for another, later-starting course will not benefit from a transfer of payments to the new course. This will not be done after the refund deadline except to correct placement in sequential courses.

Payment Due Dates Enforced During Registration

Prior to the start of the semester, classes must be paid for (which includes joining the College payment plan or applying approved financial aid) by the dates indicated below. Failure to provide for payment of all tuition and fees will result in students being dropped from their classes.

- Tuesday, July 12—payment deadline for all registrations occurring July 12 or earlier.
- Payment by 11:59 p.m. the day of registration is required for all registrations or schedule adjustments occurring after July 12, 2016.

Note: Students who, after all financial aid or other forms of payment have been applied to their bill, have an outstanding balance of $150.00 or less will not be dropped for nonpayment. They will be held in the class and expected to pay the balance.

Financial Aid FAQ

(Frequently Asked Questions)

Does Prince George’s Community College offer financial aid to its students?

Yes. The college seeks to enroll a talented and diverse student body and to make an education possible for as many qualified students as possible. To this end, it offers Federal and state need-based aid to qualified applicants.

How do I apply for financial aid?

If you are applying for need-based aid, you must submit the 2016-2017 Free Application for Federal Student Aid (FAFSA).

To apply online, which we strongly recommend, first obtain a PIN for both the parent and the student at www.fafsa.gov. You may fill out the actual application at this site as well. There is no fee to do this.

Include Prince George’s Community College among schools to receive the application: Use school code 002089.

The completed application must be received by the processor by March 1st to ensure that your award is available to view by June 1. Note: applications received after this priority deadline will still be reviewed upon completion.

Be prepared to provide your own and your parent’s tax information if needed.

What if I missed the March 1st filing deadline?

We will still process your FAFSA and determine your eligibility for need-based aid. Please note however that the later your application is received the more we recommend that you prepare to pay for books yourself and to sign up for the college’s payment plan to allow ample time for our office to process your application. Please refer to this class schedule for tuition payment deadlines.

What happens after I turn in my application?

A preliminary expected family contribution, EFC, and student aid report will appear after the FAFSA on the Web is completed. If a valid e-mail address exists for you and your application was processed successfully, you will receive an e-mail notification with instructions on how to access your electronic Student Aid Report (SAR). You will also have the option to print a copy. If there is no valid e-mail address on file for you, you will receive a paper copy of your SAR in the mail. If you find you’ve made a mistake after submitting your application, you will have to wait until after your application has been processed to make corrections. Corrections can be made through Corrections on the Web at www.fafsa.gov. You must have your PIN to access your Corrections on the Web data. If your FAFSA is selected for verification (by the Federal processor or by the college), you will be required to submit additional documentation, including but not limited to income tax returns, to the Office of Student Financial Aid.

How do you determine my eligibility for need-based aid?

The process used to determine need for Federal funds is the same at every college in the United States, public or private. It is called a
“needs analysis” and it works this way: Using the information from your FAFSA, a formula, known as Federal Methodology, is used to determine your “Expected Family Contribution” (EFC), which is the estimated dollar amount that your family is expected to contribute toward college costs. The results of the calculations are forwarded to the financial aid offices at the colleges you indicated on the FAFSA. If the total cost to attend that college for one year is more than your EFC, you are determined to have financial need.

For example:

\[
\text{Cost of Education Budget} = $10,944 \\
- \text{Expected Family Contribution} = $2,500 \\
= \text{Financial Need: $8,444}
\]

**Will my aid package change if I receive aid from other sources?**

It might! As soon as possible, you must report to the Office of Student Financial Aid all aid you expect to receive. This includes: PGCC tuition waivers/remission, other employer tuition benefits, veterans benefits, vocational rehabilitation benefits, non-service fellowships, private and state scholarships, and scholarships not already included in your award package. Once you report your other resources, our policy is to repackage your award. Students receiving need-based assistance, however, cannot have a total aid package that exceeds their cost of attendance. Because students may sometimes be over-awarded need-based aid, merit-based awards or outside financial assistance may also reduce another part of the student’s aid package.

**What if my family’s financial situation changes?**

If your income has decreased, or if you have other special financial circumstances that were not taken into account on your FAFSA, you may qualify to have your financial need recalculated. For information on which types of circumstances qualify for recalculation, print a Professional Judgment Fact Sheet from the financial aid section of the PGCC website or e-mail the Office of Student Financial Aid.

**How do I find out what I have been awarded?**

Prince George’s Community College uses our student Web portal, Owl Link, to allow you to check the status of paperwork submitted to the Office of Student Financial Aid, find out amounts and types of financial aid awards offered to you, and to see how these awards are determined. You can access your Owl Link account by following the link from the financial aid page of the PGCC website or by typing https://webadvisor.pgcc.edu/WebAdvisor into your web browser. Use your PGCC assigned ID to set up your password. New students will receive their assigned ID by e-mail shortly after admission.

**How do I get Books?**

The best way is to plan and prepare for the expense of books using your summer earnings. If that is not an option, students can use up to $1,000 of transmitted financial aid to purchase books at the college bookstore. Print a copy of your bill and take it to the bookstore. Students who complete the financial aid process after March I may have a delay in getting books, especially during peak registration times.

**What is HigherOne?**

HigherOne is the vendor chosen by the college to process student refunds. All students are issued a debit card and refund amounts are credited to that card unless you stipulate otherwise on the HigherOne site. Special ATM machines are available on campus to access funds when available on the card. Please note that Student Accounting processes refunds only twice a week, usually on Wednesday and Friday. All financial aid must be transmitted before a refund will be issued. Late starting classes or awards that Student Accounting won’t process until an actual check has been received (i.e., third-party billing) could affect the timing of your refund.

**How do I keep my financial aid?**

Most need-based awards for full-time students require that you continue to demonstrate need, maintain full-time enrollment (a minimum of 12 credits per term), and continue to make satisfactory academic progress (SAP). The SAP policy defines minimum standards for grade-point average (GPA), ratios of completed credits to attempted credits, and the maximum time frame for completing a degree. The complete policy can be found in the college catalog, Chapter 4. It is very important that you read this policy.

State and Federal need-based aid is subject to government guidelines, which may permit pro-rated awards or partial refunds. You must contact the Office of Student Financial Aid if your enrollment changes to below full-time status and/or your GPA drops below 2.00.

**What happens if I drop or withdraw from a class? What about a late-starting class?**

It is important that you speak with the Office of Student Financial Aid before reducing your credit load or changing course grading options regardless of when the course begins. Your awards will be reduced or canceled if you fail to maintain required enrollment. Courses that are audited, canceled, dropped, or retroactively dropped do not count toward required enrollment levels.

**If I attend the college as a part-time student, can I still receive financial aid?**

Yes, but please note that most initial awards are based on the assumption that you will enroll full time for both semesters of the academic year. If you are considering enrolling as a part-time student, please contact the Office of Student Financial Aid immediately for guidance on what aid may be available to you.

**What are my financing options?**

Prince George’s Community College offers a convenient, affordable, no-interest alternative to lump sum tuition payments. Through NelNet you can spread out your semester payments. Enrollment for this option is only available online and is described elsewhere in this schedule. Or, contact the Automatic Payment Plan at 1-800-609-8056.

**Do you have any suggestions on locating sources of private scholarships?**

Please visit the financial aid webpage for links to several free scholarship sites and searches. Search your local library’s scholarship resource books and the Internet. You should also contact every group, club, union, church, business, sorority, fraternity, or other associations with which you or your family has some connection. Many of these groups offer scholarships to members, employees, and their dependents.

**I am an international student. Is there aid for me?**

If you are an international student who meets the criteria for Federal grants, then yes. However, Prince George’s Community College does not offer need-based assistance to international students who do not meet those requirements.

**I’m still confused. Is there someone I can talk to?**

Of course! Financial Aid staff is available Mon.–Thurs. from 8:30 a.m.–8:00 p.m. and Fri. from 8:30 a.m.–5:00 p.m. The office is located in Bladen Hall, Room 121.

Modularized and taught with Pearson software. Note: This section is taught in a hybrid format. A hybrid format combines classroom interaction with significant use of online instruction. Because much but not all of the instruction is online, the amount of class meeting time less than the traditional face-to-face version of the course. Students may use computers in one of the PGCC labs or home computers with Internet access to complete course activities. Students must attend every scheduled class session. Visit www.pgcconline.com for details.

## Hybrid/Online Classes

### What are Hybrid/Online Classes?

A Hybrid/Online course combines classroom meetings and online instruction. Students enrolled in a Hybrid/Online course come to campus at scheduled times during the semester to meet face-to-face with their professor and fellow students. Other coursework, assignments, and discussions are accomplished through the Internet. Students interact online to receive information about assignments, submit homework, participate in class discussions and conduct research. For class times and locations, see the course schedule.

WHAT IS THE WEEKEND COLLEGE?
The Weekend College serves the needs of those who might not otherwise be able to participate in college credit study during the week. The college offers a wide range of Saturday-only or Sunday-only courses that meet in the morning and/or afternoon. The college also offers Weekender courses that meet Friday evening and all day Saturday on three or four alternating weekends. Regardless of format or learning style, the Weekend College course offerings provide you with college courses when it may be more convenient for you.

REGISTRATION DEADLINES FOR WEEKENDER COURSES
The registration deadline for weekender courses (those courses that meet on three alternating weekends) is two weeks prior to the first face-to-face meeting of the course. This deadline is firm because students will be required to complete coursework prior to the first face-to-face meeting of the class.

To ensure that all students have access to necessary materials and assignments, all weekender courses will have a Blackboard course site available three days before the class begins, which is seventeen days before the class meets face-to-face to access the syllabus and any course assignments to complete before the first face-to-face meeting.

Go to pgcconline.blackboard.com.

SAMPLE OF WEEKEND CLASS:
- Registration deadline for weekend course with first face-to-face on Fri., Sept. 23 is 11:59 p.m. on Sept. 8.
- Course Blackboard site is open to view syllabus and assignments: Sept. 6 (go to pgcconline.blackboard.com)

Official course start date (two weeks prior to face-to-face class meeting): Sept. 9

*The refund schedule for these courses begins on the official course start date.

REGISTRATION DEADLINES FOR SATURDAY OR SUNDAY COURSES
The registration deadline for Saturday-only or Sunday-only courses will be 11:59 p.m. the day prior to the first class meeting.

HOW MANY COURSES MAY A STUDENT TAKE IN THE WEEKEND COLLEGE?
A student may take two or three courses per semester depending upon the schedule option. For instance, a student may choose to take courses sequentially and enroll for courses that meet normally on three alternating weekends. The three-weekend schedule enables a student to sequence three courses within a full semester. As an alternate method, a student may choose to take two courses concurrently by enrolling for a course on Saturday afternoons or registering for one of our Sunday courses. These courses generally meet three hours each class session. For more information, call the Weekend College Office at 301-546-0785.

If you do not see your orientation letter and/or syllabus from your instructor on blackboard two weeks before your first face-to-face meeting please call the appropriate department or the Weekend College Office at 301-546-0785.

WEEKEND COURSES
Weekend courses that begin on Saturday or Sunday will begin on August 27-28. Courses will not meet Labor Day weekend (Sept. 3-4) or Thanksgiving weekend (Nov. 26-27). For confirmation of course dates, times, and prerequisites, please check under specific course headings in this schedule. Please visit the college’s website at pgcc.edu to view the course descriptions.

Extension Center weekend courses will list the center following the course title:

AAFB = Joint Base Andrews
JHES = John Eager Howard Elementary School
UTC = University Town Center
LCC = Laurel College Center, and

All other courses meet at the main campus in Largo.

Access Procedures for Civilians

www.pgcc.edu/go/jba

Request for a Long-Term Badge form must be requested in person. Present your documentation at the location and on the days and hours listed below to get your form.

Civilian students, faculty or staff without military affiliation accessing Joint Base Andrews must follow base security clearance procedures in order to obtain a Long-Term Badge. Badges are issued at the Base Visitor Center by Security Police just inside the main gate at Allentown Road. Badges are valid only for the days and times noted on the badge.

1. Non-drivers are discouraged since classrooms are about 1.5 miles from the main gate. There is no bus service on base.
2. Badges will be issued only to faculty, staff, and registered students; Badges will not be issued to non-students (including ‘chauffeurs’) for any reason if you are a non-driver.
3. In order to receive this badge, you must have all of the following:
   - valid driver’s license or state-issued ID
   - car registration
   - social security number
   - proof of current car insurance,
   - paid tuition receipt
   - the request form

Prince George’s Community College is a convenient location for those living in the southern part of Prince George’s County. Located on Joint Base Andrews since 1972, the college offers a full range of services, such as admission, placement testing, registration and academic advising, and at least 40-50 course offerings each fall and spring semester. Classes are small and personal. Civilians can easily access the base through the Visitor Center just outside the main gate off Allentown Road, although approximately 65% of Prince George’s Community College students on Andrews have a military ID.
