### Important Information About Summer Tuition Payment

For all summer session registrations, full payment of tuition and fees is required the same day as registration, regardless of when a particular class may begin. Students have until 11:59 p.m. on the day of registration to pay in order to avoid cancelation of their classes later that night. Only those whose balances are less than $150 will be carried over and billed.

The college considers payment to consist of the following:

1. Payment in full using cash, check or credit card.
2. Successful enrollment in the college’s approved payment plan, NBS/FACTS, described later in this schedule.
3. Use of available financial aid, as posted on the bill.
4. Activation or continuation of Post 9/11 or Chapter 31 VA benefits.
5. Third party payment vouchers or billing authorizations presented to the Cashier’s Office on the day of registration.

Students who have a pre-approved Disability Tuition Waiver will be held in their classes, as will all students age 60 or older. The college strongly encourages those with pending financial aid to enroll in the college’s payment plan rather than risk losing classes. Go to www.pgcc.edu and click on the quick link “Paying for College” for important information about the payment plan.

How to Read Course Information in the Schedule of Classes

1. The first line for each course listed in the schedule contains the subject and the 4-digit course number, the course title and the number of Credits or Equivalent Hours (EHs) the course carries.

PSY = Subject  1010 = course number
General Psychology = title  3 credits = credits

2. The next line, indicates what, if any, prerequisites the course may have. In other words, this is what you need to have completed before you enroll in this course.

3. Individual course offerings are arranged according to various locations.

4. Course sections line indicates precisely the days/time/dates/location of one offering of the course.

You are actually going to register for one specific section of a particular course.

You can register for any section of any course if you know the subject (PSY), number (1010) and section (LD02) identifier you desire.

5. You can also register for any section by indicating the five-digit synonym (91876 in this case). You don’t need any other information if you use the synonym.

6. Additionally, the date, time and location has been conveniently spelled out for you below each course section line.

7. Additional information about the course is provided in the Notes section.

Here is what letters in the section designators mean:

DL: Distance Learning Section
HY: Hybrid Section—includes both classroom and online teaching
IN: Independent Study
LD: Largo campus Daytime Section
LE: Largo campus Evening Section
LS: Largo campus Saturday Section
LU: Largo campus Sunday Section
LW: Largo campus Weekender Section (Friday night and all day Saturday)
TV: Television or Telecredit
XD: Extension Center Day Section
XE: Extension Center Evening Section
XS: Extension Center Saturday Section
XU: Extension Center Sunday Section
XW: Extension Weekend (Friday night and all day Saturday)

Course Descriptions

Course descriptions no longer appear in the class schedule. To read a description of the content of a course, go to Chapter 9 of the college catalog, either hard copy or online. Or, access the course through Owl Link. You do not need to sign in to see the descriptions. Go to “credit students” and then select an option under “search for credit courses.” Select Summer 2016 as the term. Select the subject and course number. Click on any “Section Name and Title” entry. The description will appear on the resulting page.

Register Online Using Owl Link!

To register through Owl Link, the college must have your current active e-mail address. Students at Prince George’s Community College are encouraged to self-register for credit classes using Owl Link. Owl Link is accessible in two ways—through the College website at www.pgcc.edu or through My PGCC, a home page just for students at my.pgcc.edu. To access Owl Link, you must have a current e-mail address on record with the college. You must then follow the link for Credit Students and log in entering your Owl Link User ID and password.

Once in Owl Link, there are a variety of options under the heading of Credit Registration. Select the one that seems most appropriate for you. Or, under the heading Search for Credit Courses, you can search for course sections that are still available for registration for the summer 2016 semester.

There are other functions available through Owl Link as well. Here is a sampling of what may be accomplished once you have logged in to this system:

Under My Financial Information students can:
- Pay tuition bills using a savings or checking account or a credit card.
- View a current bill to see if there is an outstanding balance.
- Enroll in the NBS Tuition Payment plan.

Under My Financial Aid students can:
- See the status of paperwork submitted to the Financial Aid Office.
- Find out the amounts and types of financial aid offered to you.
- See how the financial aid awards are determined.
- Accept or reject aid offered to you.

Under My Credit Academic Records, students may:
- View grades and GPA by term.
- See a copy of their class schedule for a term.
- Complete an Academic Program Evaluation to see what is still needed in their program of study or in an academic program being considered for the future.
- See a summary of placement test scores.

Under My Transcript, students may:
- Access and print an unofficial transcript.
- Request an official transcript.

If students are reluctant to try this system because they aren’t sure of their User ID or password, there is even a section to help solve that problem. And there are Help files attached to every function to assist when using each feature for the first time.
Owl Mail
Prince George’s Community College assigns all students a secure student e-mail account called Owl Mail. After a student has registered for the semester, all electronic communication between the college faculty/staff and students will be sent only to this e-mail account. Owl Mail will be the only means available to interact electronically with faculty, to participate in online courses, and to receive official notices and important announcements on a timely basis.

To activate your Owl Mail account, you must have the following things:

• An e-mail from the college to your home/personal e-mail address notifying you that an Owl Mail account has been created for you.
• An Owl Link account and User ID
• Your 7-digit Student ID number
• Current or upcoming semester enrollment
• Internet access

Notice of the creation of your Owl Mail account will be sent by e-mail to your personal e-mail address.

It is critical that you activate your account as soon as you are notified that it is available. Accounts not activated within 30 days will be made unavailable. So, if you have not yet activated your Owl Mail account, here is what you need to do:

• At a computer with Internet access, open a Web browser (Internet Explorer, Firefox, etc.)

In the address line at the top, enter http://live.pgcc.edu/ (Do not include www.)

• Read and follow the directions on the page that appears at the above Web address.

Please share your Owl Link online registration experience with us by e-mailing pgccares@pgcc.edu.

Admission
Students who wish to enroll in any course found in this schedule of classes must first be formally admitted to Prince George’s Community College. In addition, former students who have not attended the college in more than two years may need to apply for readmission prior to registration.

Students are encouraged to apply online at www.pgcc.edu.

A $25.00 non-refundable application fee must be paid at the time the application is submitted.

Special Admission/Registration Procedures
High school dual enrollment: You must be a high school senior or a junior 16 years of age or older at the time the semester begins and attending a public school in Prince George’s County. Admission to this program is under the control and coordination of the Prince George’s County Public School system. You must meet with your high school counselor to begin the admission process.

High school concurrent enrollment: You must be a high school senior or a junior 16 years of age or older at the time the semester begins and attending a school other than a Prince George’s County public high school. You must have a minimum high school GPA of 2.50 to enroll. Bring an official high school transcript and written clearance from your principal to the Office of Admissions and Records when you come to apply for admission. You are also required to take relevant college placement tests before your first registration. Students who test into developmental courses cannot participate in the concurrent enrollment program.

Health science applicants: Arrange to meet with an advisor regarding the special requirements for entry into the Health Science programs by calling 301-546-0829. Most of these programs have limited enrollment and students are selected by pre-established criteria.

Transfer students: If you wish to transfer credits from another United States institution, you must complete the Request for Evaluation of Transfer Credit form available at the Office of Admissions and Records. You must also have each former school send an official transcript to the Office of Admissions and Records. Please allow three weeks for a formal evaluation to be completed. You may bring unofficial transcripts or grade reports with you when you register for your first semester at Prince George’s Community College. The college will also evaluate military transcripts and work-related training approved by the American Council on Education. Transcripts from non-United States colleges must be evaluated by an external provider of this service before being submitted for evaluation. Contact transfercredit@pgcc.edu for more information.

Students with prior degrees: Students who wish to take classes at the college but who have already earned an associate's degree or higher from an accredited United States college or university are exempt from all placement tests. Be sure to indicate that you are a college graduate on the application for admission.

Students who enroll in a course based upon their prior degree must assume full responsibility for possession of the background skills and knowledge required for success in the course. Use of this prerequisite exemption may not be used later as grounds for an exceptional refund or as the basis for challenging a grade. The college reserves the right to limit the number of courses for which students may enroll using this exemption.

International applicants: If your official residence is outside the United States and you wish to attend using an F-1 student visa, call the Office of Admissions and Records for information on the special requirements for enrollment at 301-546-7422. The application for admission must be received by May 1 for fall semester enrollment and by October 1 for spring semester enrollment. International applicants who do not wish to receive a student (F-1) visa should follow the procedure for permanent residents given below.

Permanent residents: If you are an official U.S. resident but not a U.S. citizen, bring your passport, alien registration or permanent resident card to the Office of Admissions and Records when you apply for admission. Non-citizens will not receive in-county tuition rates until such documentation is received. If your native language is not English, you must go to the Office of Advising and Transfer Services, Bladen Hall, Room 124 to arrange for English proficiency testing. Students who fail to provide documentation of visa status or who are undocumented will be charged as non-Maryland residents.

Veterans: Visit the Veterans Services Office in Bladen Hall, Room 124 after you register in order to complete the required paperwork. You can also complete and submit the forms online. Contact 301-546-0838 or veterans@pgcc.edu for more information.

Disabled students: If you require special services (e.g., interpreters, recorded materials) you must register and submit a paid bill receipt to the Disability Support Services Office one month or more before the start of classes to assure provision of those services. Contact 301-546-0838 or (TTY/TDD) 301-546-0122 or dss@pgcc.edu for more information.

Note: Students in need of sign language interpreters for advisement and registration MUST schedule this service through the Disability Support Services (DSS) Office at least one month in advance of the anticipated registration date. Contact 301-546-0838 or (TTY/TDD) 301-546-0122 or dss@pgcc.edu to make an appointment.

Students on academic warning or restriction: If you were placed on academic warning at the end of your last semester, you will be limited to enrollment in a maximum of 13 credits. If you have been placed on academic restriction you must meet with an advisor and complete a “Petition for Academic Reinstatement” form if you wish to enroll as a full-time student. Otherwise, you will be limited to two courses to be selected according to the criteria listed in the college catalog. You may not register using Owl Link.

Students on dismissal: If you were dismissed at the end of any semester prior to spring 2016, you must see an advisor to complete
the “Petition for Academic Reinstatement” form before registering. No student dismissed in the spring 2015 semester may register for the summer semester unless special permission has been granted by the Academic Appeals Committee. Appeals must be submitted in writing by completing the “Petition for Academic Reinstatement” form with an academic advisor. The form must be completed by May 27 to qualify for reinstatement for the summer semester. Contact advising@pgcc.edu or 301-546-0829 for more information.

Placement Tests
First-time college students and some transfer students are required by the college to take placement tests. The tests include basic skill assessments in reading comprehension, writing, and mathematics. These tests are given electronically, are untimed, and may be taken separately or all at one time. Students who are not proficient in English will be given a different, paper-based examination that includes a writing sample. A required orientation/academic advising session is then scheduled after completion of all examinations in order for test results to be interpreted and an appropriate selection of classes made. The testing/advising requirement applies whether students wish to attend full-time or part-time.

The college strongly recommends that you review sample tests on the Student Assessment Services page and study the questions prior to taking the actual examinations. Students who feel they did not perform to their full ability on one or more of the placement tests may meet with an academic advisor to request permission to repeat one or all of them. Only one repeat is allowed for each test, and the second testing session cannot occur on the same day as the first one. Students repeating the English placement exam should know that a writing sample will be required as the second attempt and will take several days to evaluate.

Note: Students must present a picture ID in order to enter the Testing Center.

Class Schedule Changes
You may adjust your schedule online anytime during the registration period. Or you may complete an add/drop form and submit it to the Office of Admissions and Records or to one of the extension centers. Please remember that you must adhere to the registration deadlines given below.

Registration/Drop-Add Deadlines
The college’s registration policy states that:
- The last day on which you may add or register for a particular course is 11:59 p.m. the day before its published start date. There will be no registration for any class on the day it begins or anytime thereafter.
- Online courses begin on the first day of the semester unless a different start date is published. They will therefore have the same registration cutoff date as any other course which begins on the first day of the semester.
- These deadlines apply to all courses regardless of when they begin. Late-starting courses will remain available until full or until their registration deadline. Courses taught in the weekender format have start dates two weeks prior to the first on-campus meeting date. No registration will be allowed on or after that start date.
- Note: Some courses taught in an accelerated format (i.e., 5-week courses) may have published registration deadlines which prohibit registration after the published date. Check the class schedule under the specific course and section you wish to take to see if this applies. In such instances, no registrations will be accepted after that deadline.

Exceptions to the Late Registration Policy
In general, students will not be allowed to enroll in courses once the registration deadlines have passed. In any instance that an exception must be made, the registration or schedule adjustment form must be signed by the Dean responsible for the academic discipline under which the course falls. In addition, students will be required to complete an Exceptional Registration Responsibility Form, available only from the academic deans’ offices. This form acknowledges students’ forfeiture of all or part of the refund period for the course and agreement to accept full responsibility for the repercussions of registering after the class has begun. This form also must be signed by the Dean. Forms may not be completed by phone, online, or via e-mail. All such registrations will be processed one business day after the paperwork is completed by the Dean.

Students will then have until the end of that day to pay for the class to avoid having it dropped for nonpayment.
Cancellation of Classes
The college reserves the right to cancel sections, change meeting places, or make other changes that it deems appropriate. Every effort is made to notify students of course cancellations by phone and by e-mail prior to the start of classes. If a class is cancelled, all tuition and fees will be automatically refunded unless the student selects a comparable course to replace the cancelled one.

Room Assignments and Changes
Classrooms marked TBA (to be arranged) in the class schedule will be assigned before classes begin. In addition, some classrooms need to be changed to accommodate class sizes or special needs. Room assignments and changes to room assignments are available on Owl Link as soon as they are made. Check Owl Link prior to the start of your class for the latest room assignment for your classes. In addition, all room assignments are posted on the portal, mpgcc.edu.

College Closings
It is the practice of the college to hold all regular classes on all days scheduled on the college calendar. Should an emergency arise that requires the cancellation of classes and activities, the following radio stations will be asked to announce the college’s closing shortly after the decision is made: WMAL, WRC, WTOP, WGAN, WAVY, WASH, WHUR, WPNC, and WWMM. The following TV stations will be asked to announce the closing: WRC (4), WTTG (5), WJLA (7), WUSA (9), and NewsChannel 8. Information concerning the college closing also can be obtained on the college website at www.pgcc.edu as well as by calling 301-546-7422. Students can also receive direct notification of closures and other emergency information by signing up for Owl Alert. Notification can go directly to cell phones or to e-mail. Go to www.pgcc.edu to subscribe to Owl Alert.

In case of hazardous weather, extension center classes will be cancelled at local public school locations when the Prince George’s County Board of Education announces that the public schools will be closed. Other sites, such as Joint Base Andrews, the Laurel College Center, and the University Town Center will follow the Largo campus weather schedule. If the Largo campus closes as a result of inclement weather, classes at extension centers and sites will also be cancelled.

When the college announces a delayed opening, all classes with at least 45 minutes of class time remaining at the time of the opening will be held. For example, in the event of a 10 a.m. opening, a 9:30–10:45 a.m. class will be held. This procedure applies to all credit classes.

ID Cards
Every student must have a college photo ID card while on campus/extension centers. Students should go to the library (Accokeek Hall) or to the Office of Admissions and Records to obtain a card. A time schedule for the availability of this service is listed on the inside back cover of this schedule under “ID Card Services.” ID cards may also be created at the University Town Center, the Laurel College Center, and the Joint Base Andrews degree center. Check each center’s portion of this schedule for the times this service is available at that location.

Students who received their photo ID cards in a previous semester should go to either the Admissions and Records Office, Bladen Hall, Room 126, or to the library in Accokeek Hall to have their ID cards validated for the spring semester. You must verify spring registration to receive your validation sticker. All other returning students must follow the procedure for new students given in the first paragraph. ID cards may also be validated at the University Town Center, the Laurel College Center, and the Joint Base Andrews degree center. Check each center’s section of this schedule for their hours of availability for this service.

ID cards must be carried at all times and are required for use of the library and computer labs, access to campus services and events, and in the bookstore and cafeteria. Students who lose their ID card must pay a $10 replacement fee.

The College expects that students will display their college ID cards and provide other proper photo identification upon request as it is a requirement prior to the use of college facilities. Such identification will include a properly validated college ID card and one other form of photo identification—a current driver’s license, a Maryland Motor Vehicle Identification Card, a military ID card, or a current passport, Work permit or permanent resident card.

Parking Permits
All students who intend to drive to the Largo campus are asked to obtain a parking sticker for each vehicle they intend to park in one of the college’s parking lots. This will identify a car to campus police officers as legitimately parked on campus and also will allow officers to contact the owner quickly in the event of an emergency. Stickers may be obtained from Campus Police in the Bladen Hall substation or at their main office in the Facilities Management Building.

Students must park in lots identified as available for student parking. Those who park in areas reserved for faculty and staff will be ticketed.

Smoke and Tobacco-Free Campus
Prince George’s Community College is a smoke and tobacco-free college and workplace. The purpose of this policy is to create a safe, clean, and healthy environment for students, faculty, staff, and visitors. Smoke and tobacco products, including e-cigarettes, are not permitted on the Largo campus or at applicable extension centers. For additional information, visit www.pgcc.edu/go/STFree.

Workforce Development and Continuing Education
Workforce Development and Continuing Education offers noncredit courses to help county residents further their educational, cultural, career, or recreational goals. Classes may be taken in semester-long or short courses, intensive one- or two-day seminars, instructional clinics, or special interest programs.

Workforce Development and Continuing Education class schedules are published separately and distributed four times throughout the year. They are available on the college’s website, www.pgcc.edu. Or call 301-546-0159 to receive a copy of the latest schedule of offerings. You may also obtain a copy from the Office of Admissions and Records in Bladen Hall, Room 126.

Nondiscrimination Information
Prince George’s Community College is committed to a policy of equal opportunity for all persons to the end that no person, on the grounds of sex, age, race, color, religion, national origin, ancestry, marital status, sexual orientation, or status as a qualified individual with a disability, qualified disabled veteran or Vietnam-era veteran, shall be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity of this institution. Under this policy, this institution will not discriminate against any person on the ground of sex, race, age, color, religion, veteran’s status, disability, ancestry, marital status, sexual orientation, or national origin in its admission policies and practices or any other policies or practices of the institution relating to the treatment of students and other individuals, including employment, the provision of services, financial aid and other benefits, and including the use of any building, structure, room space, materials, equipment, facility, or any other property. One who believes oneself or any specific class of individual to be subject to prohibited discrimination may, by themselves or through a representative, file a written complaint with the Office of Civil Rights of the Department of Education or with the college president, or both. Alonia C. Sharps, Room 130, Kent Hall, 301-546-0170, coordinates the college’s program of nondiscrimination.

The schedule of classes is subject to change. Visit Owl Link for the latest course updates at www.pgcc.edu.
Title IX
Prince George’s Community College, as a recipient of federal financial assistance, is subject to Title IX of the Education Amendment of 1972, as amended. It is college policy not to discriminate on the basis of sex in the educational programs or activities that it operates. This policy not to discriminate in educational programs and activities extends to admission to the college. Indeed, the college actively encourages the enrollment of interested students, regardless of race, sex, national origin, age, color, ancestry, religion, marital status, veteran’s status, or disability, in all of its educational programs, and fully supports student access to all programs without regard to sex stereotyping or other such limitations. Inquiries concerning the application of Title IX may be referred to the director of the Office of Civil Rights of the Department of Education or to Alonia C. Sharps, executive assistant to the president, Room 130, Kent Hall, 301-546-0170. Further information is also available on the college’s website at https://www.pgcc.edu/Title IX.

At Prince George’s Community College every effort is made to increase students’ awareness of issues involving their safety and security. While the college is located in an attractive suburban environment, it is within the proximity of two metropolitan areas and not isolated from safety issues of society in general. Relative to the Campus Security Act of 1990, Prince George’s Community College provides information regarding the safety and security of college community members. This information can be obtained from the Campus Police Substation located in Bladen Hall. FERPA
Notification of Rights under the Family Educational Rights and Privacy Act (FERPA) for Postsecondary Institutions
The Family Educational Rights and Privacy Act (FERPA) affords you, the student, rights with respect to your education records. They are:

1. The right to inspect and review the education records within 45 days of the day Prince George’s Community College receives your request for access. You must submit to the director of admissions and records a written request that identifies the record(s) you wish to inspect. The director will make arrangements for access and notify you of the time and place where the records may be inspected. If the records are not maintained by the Office of Admissions and Records, the director will advise you of the college official to whom the request should be addressed.

2. The right to request the amendment of education records that you believe are inaccurate or misleading. You must write the college official responsible for the record, clearly identify the part of the record you want changed, and specify why it is inaccurate or misleading. If the college decides not to amend the record as requested, the college will notify you of the decision and advise you of your right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to you at that time.

3. The right to consent to disclosures of non-directory, personally identifiable information contained in your education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the college in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the college has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Directory information is information which may be released to a third party without your written consent. Directory information includes, but is not limited to, name, address, telephone number, e-mail address, place of birth, dates of attendance, degrees earned, and previous colleges attended. While the college does not routinely release such information to anyone who inquires, it may legally do so if the third party demonstrates a legitimate need to know such information. You may refuse to permit such disclosure without your written consent by notifying the director of admissions and records in writing of your wish to be excluded from such a release of information. This information is also available on the college’s website at http://www.pgcc.edu/About_PGCC/Consumer_Info/Consumer_Information.aspx.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the college to comply with the requirements of FERPA. FERPA is administered by the Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-4605.

Special Payment Procedures

Tuition Payment Plan (NBS/FACTS)
This deferred payment plan is payable in installments based on the NBS/FACTS application date. Follow the schedule of deadlines below. Pay the initial deposit and/or set up your payments under a scheduled automatic payment plan from a checking or savings account, Visa, MasterCard, Discover, or American Express according to the plan due dates. The processing fee is $35.00. You must enroll in the NBS/FACTS program through the Web. Go to the college’s website, www.pgcc.edu, and access the Quick Link to the NBS/FACTS tuition payment plan. You must have your NBS/FACTS application approved and processed before your bill is considered paid.

Payment Plan Due Dates
All applications must be made online by 11:59 p.m. the day of registration in order for classes to be held. If the completed application is processed online on or before:
- Jun. 2—50 percent deposit required.
  Two monthly payments
- (Jun. 20—Jul. 20)
- Jul. 5—50 percent deposit required.
  One additional payment (Jul. 20)

Note: No NBS/FACTS applications will be accepted after Jul. 5, 2016. For more information, pick up an NBS/FACTS brochure outside the college’s Financial Aid Office or at the cashier’s window in Bladen Hall or call NBS/FACTS at 1-800-609-8056.

Financial Aid
Financial aid awarded by Prince George’s consists of Federal and State grants, loans, and scholarships from a variety of sources, and work-study opportunities.

If your financial aid has been processed you should see the amount of aid for which you are eligible printed on your bill as Financial Aid Awarded. If you believe you have financial aid that does not appear on your bill, please contact the Financial Aid Office, located in Bladen Hall, Room 121 before you make payment.

All applications and supporting documents for the determination of a financial aid award must be submitted as early as possible to www.sscwp.org, our verification service. Missing or incomplete paperwork will delay the determination of financial aid eligibility. Students whose eligibility determination is delayed should be prepared to pay all tuition and fees themselves or sign up for the tuition payment plan. Such payments may later be reimbursed once financial aid is authorized.

Note: Students who do not meet SAP (Satisfactory Academic Progress) criteria will not see aid posted on their tuition bill. Contact the Financial Aid Office if you have questions about this action.

Senior Citizens
Maryland residents who are age 60 or older at the start of the semester are exempt from the payment of tuition for courses which state funding is received. In addition, they are exempt from payment of instructional services fees, but not application fees, registration fees and special instructional fees, e.g., applied music fees and telecredit fees.

Notwithstanding the provisions for exemption contained herein, the college reserves the right to cancel classes for reasonable cause, which may include insufficient enrollment of regularly enrolled (nonexempt) students.

Note: Textbooks, course supplies and materials are not covered by this exemption. For more information, contact the Office of Admissions and Records, 301-336-6000.

Maryland Disabled Persons
Any Maryland resident who is out of the workforce because of a permanent disability as designated by the Social Security Act, the Railroad Retirement Act, or the Office of Personnel Management (in the case of former federal employees) may be eligible for a waiver of tuition, but not fees, upon enrollment in credit courses which normally have at least 10 regularly enrolled students.

Note: Textbooks, course supplies and materials are not covered by this exemption. For more information, contact the Office of Admissions and Records, 301-336-6000.
In order to qualify for this waiver, students must apply for 2015-2016 financial aid using the Free Application for Federal Student Aid (FAFSA) prior to requesting the waiver and must present confirmation of that fact with the application for the waiver.

If awarded, the tuition waiver is in effect for one academic year, Jul. 1–Jun. 30, regardless of when it was awarded. It will cover tuition charges remaining after all other forms of financial aid have been applied. Students must re-apply for the waiver each year they wish to use it to attend the college.

Contact the Office of Admissions and Records at admissions@pgcc.edu or in Bladen Hall, Room 126 to obtain the necessary application forms and the full description of this benefit.

For those who also will need accommodations arranged through the college’s Disability Services Office, all documentation supporting the application for this waiver must be on file with the Office of Admissions and Records by close of business on June 2.

Notwithstanding the provisions for exemption contained herein, the college reserves the right to cancel classes for reasonable cause, which may include insufficient enrollment of regularly enrolled (nonexempt) students.

Note: Textbooks, course supplies and materials are not covered by this exemption. For more information, contact the Office of Admissions and Records, 301-546-7422.

**Employer-Paid Tuition**

1. It is your responsibility to present the purchase order (two copies), tuition assistance form, or letter of intent at the time you pay your tuition.

2. The purchase order, tuition assistance form, or letter of intent must state your name, social security number or student I.D., amount to be paid, billing address, and original signature of person(s) authorizing payment.

   Note: The bookstore is an independent entity from the college and is paid directly by the employer. If you are entitled to a reimbursement for books, you must obtain a separate purchase order, tuition assistance form, or letter of intent addressed to PGCC Bookstore.

3. The purchase order, tuition assistance form, or letter of intent will not be accepted after you have paid your tuition yourself. You must be reimbursed by your employer or agency in this case. The college will not bill in order to reimburse you.

4. In the event the employer refuses to pay after receipt of the bill, the student becomes immediately responsible for all tuition and fees. If there are any questions regarding this procedure, please contact the Student Accounting Office in Bladen Hall, Room 120, 301-546-0688.

**Prince George’s Community College Employees**

Full-time and regular part-time college employees who enroll during non-working hours in any class that has at least 10 regularly enrolled students are exempt from payment of tuition. In addition, such employees may participate in the employee tuition reimbursement program.

**Veterans with Education Benefits**

Two groups of veterans are excused from the payment of tuition and fees at the time of registration:

1. Veterans participating in the VA Vocational Rehabilitation Program must complete the required paperwork with the Veterans Services Office in Bladen Hall, Room 124 and then take a copy of their bill and a copy of their form 28-1905 to the Cashier for processing. The college will then bill the Veterans Administration for tuition and fees for all approved courses. These same forms may be taken to the bookstore to be used to purchase books and approved supplies.

2. Veterans eligible for benefits under the Post 9/11 GI Bill need to complete the required paperwork with the Veterans Services Office in Bladen Hall, Room 124 each semester. They will then be held in their classes until the VA has paid its portion of the tuition and fees. Any remaining amount will be billed to the student and must be paid prior to enrollment in a future semester. It is important that veterans under this program drop any course they do not want prior to its refund deadline, since the college will not drop them for nonpayment, in order to prevent an overpayment situation with the VA.

   Veterans receiving benefits under any other VA program are expected to pay their tuition in full by the deadline indicated on the registration statement. The college will not hold students in their classes pending the student’s receipt of a monthly benefit check later. Call 301-546-5282 or e-mail veterans@pgcc.edu for more information.

**Returned Checks**

If the college receives final notice of a check being returned for any reason prior to the start of a semester, you will be dropped from all classes with no financial obligation other than the return check fee and registration fee. All checks are first deposited twice.

If the college receives final notification of the returned check on or after the first day of the semester, you will not be dropped from classes. You will remain enrolled unless you personally withdraw or otherwise adjust your schedule during the refund period. At the end of that period, you, the student, will be liable for tuition and fees for all remaining courses plus the return check fee, regardless of whose check was used to pay your tuition. No grades will be released or transcripts issued until the indebtedness has been paid.

**Delinquent Accounts**

Delinquency in payment of any amount due from a student or former student to the college or under any loan program administered by the college, or failure of financial aid recipients to complete an exit interview before leaving the college will result in denial of registration, exclusion from classes, withholding of grades and transcripts. The college employs the services of the State Central Collection Unit (SCCU).

One of the SCCU measures is to refer delinquent accounts to the credit bureau. If your delinquent account is referred to the credit bureau, it will remain on your credit report for the next seven years. If your delinquent account is referred to a collection agency, you will be held liable for all collection costs incurred in addition to the delinquent amount due. These collection costs can add up to one-third additional expense to your indebtedness to the college.

**PGCC Owl Debit Card**

All credit students will receive a PGCC Owl Debit Card, issued through Higher One Bank. This card is very important and must be acted upon in order to set up a preference for the way refunds from the college will be delivered to you. This includes financial aid rebates. Students may choose to have refunds and rebates processed as deposits to their PGCC Owl Debit Card or they may choose to have refunds electronically deposited in another bank account specified on the Higher One/PGCC Owl Debit Card activation site. The college no longer issues paper checks.

**Refund Policy**

**Refund Deadlines**

All refunds are calculated based upon the number of calendar days (not class days) that have elapsed since a class began, to include the first day of class. The deadline is therefore no longer a specific date for all courses; each section is refunded according to its own starting date. One set of rules applies to courses longer than five weeks in length; another applies to those of less than five weeks in duration.

For courses longer than five weeks in length, the following refund periods apply:

- Course dropped prior to start of class: 100%
- Course dropped on the first or second calendar day before midnight: 100%
- Course dropped on the third through the 9th calendar day before midnight: 75%
- Course dropped on the tenth through the fourteenth calendar day before midnight: 50%
- Course dropped on the fifteenth calendar day or later: No refund.

For courses five weeks or shorter, the following refund periods apply:

- Course dropped prior to start of class: 100%
- Course dropped on the first or second calendar day before midnight: 100%
- Course dropped on the third calendar day before midnight: 75%
- Course dropped the fourth calendar day or later: No refund.

All refunds are calculated based upon the length, the following refund periods apply:

1. No refund of registration fee or late registration fee.
2. One hundred percent (100%) refund if the class is canceled or rescheduled by the college.
3. No refunds will be given after the deadlines listed in the refund schedule above.
4. Refunds of payments made by credit card will go back to that card as a credit if payment was made directly to the college. Students on the NBS Payment Plan whose payments are being taken from a credit card will have refunds follow the preference chosen when they activated their Owl Debit Card.
5. All other refunds are issued electronically according to the preference set by the student when they activated their PGCC Owl Debit Card. No paper checks will be issued.

**Note:** No refunds after the periods indicated. (The college reserves the right to make changes in the aforementioned schedule as required.) Please note that exchanging a course that is past its refund deadline for another course in effect constitutes a refund. This will not be done after the refund deadline except to correct placement in sequential courses.

**Payment Due Dates Enforced During Registration**

Students must pay all tuition and fees the day of registration, regardless of when the summer semester class begins. Payment can include enrolling in the college’s payment plan, application of financial aid or processing of third-party payment paperwork at the Cashier’s Office in Bladen Hall. Students who fail to pay their bills in full by 11:59 p.m. on the day they register will be dropped for non-payment.

**Note:** Students who, after all financial aid or other forms of payment have been applied to their bill, have an outstanding balance of $150.00 or less will not be dropped for non-payment. They will be held in the class and expected to pay the balance.

A Partnership of Prince George's Community College and Howard Community College
Laurel College Center, 312 Marshall Avenue, Laurel, MD 20707, 1-866-228-6110

The Laurel College Center (LCC) resulted from a unique joint effort between Prince George's Community College and Howard Community College to make higher education more accessible to the residents of Laurel and the surrounding area. Located at 312 Marshall Avenue in downtown Laurel, near the Laurel Shopping Center, the LCC seeks to make higher education accessible to anyone over the age of 16 who works or lives in the Laurel area, especially those whose home residence is in either Prince George's County or Howard County. However, anyone can take classes at the LCC, whether you have never taken a college class before or already have a college degree, whether you want to pursue a degree program or just take a course or two for fun, and regardless of where you live.

At the LCC, you can take individual courses, credit and noncredit, or you can earn an associate's degree in business administration, general studies, teacher education or criminal justice.

Noncredit, continuing education courses, which are published in a separate schedule, are also offered at the LCC to help you upgrade your job skills in a variety of areas including computers, finance and management, or simply for your enjoyment.

Getting Started—Admissions Procedures
New students need to complete an application for admission to Prince George's Community College. The application may be submitted online, or submit it to the LCC or to the college's main campus located at 301 Largo Road, Largo, MD 20774.

There is a $25 application fee which must be submitted with the application. You may obtain an application from the LCC or from the Largo campus.

Advisers are available at LCC and can meet with you to discuss your interests, provide career information, and assist you with course planning and selection. They can also tell you about other services such as placement testing, financial aid, and support for students with disabilities. See inside back cover for a more complete list of services and contact information.

Registration for Classes
You may register in person at the LCC or on the Largo campus. Returning students also may be eligible to register through Owl Link, the college’s online registration system. More information on this option may be found elsewhere in this schedule.

Registration for all students begins Mar. 28. Students are encouraged to register early, since courses are filled on a first-come, first-served basis.

Registration ends on Wednesday, June 1 for classes at Laurel College Center. Summer semester classes begin on Thursday, June 2, 2016.

Tuition/Fee Information
Tuition must be paid by 11:59 p.m. the day of registration or classes will be dropped later that night.

All students pay a $25.00 registration fee. All other charges are calculated according to the number of credits being taken. The charge for tuition differs according to your county of residence and state of residence. For more information, call toll-free 1-866-228-6110.

Tuition Rates
Prince George's County Resident
$105.00 per credit
Other Maryland County Resident
$193.00 per credit
Out-of-state Resident
$290.00 per credit

In addition, each course is assessed an Instructional Service Fee, also charged per credit, of $45.00 per credit.

Financial Aid Information
You may apply for all forms of financial aid to support your credit coursework at the LCC. Due to the complexity of determining eligibility for financial aid, you are advised to work through the Financial Aid Office on the Largo campus.

Students enrolling at the LCC also may participate in the college's deferred payment program, NBS/FACTS, which allows you to spread your tuition payments over several months. See page 10 of this schedule for more details about the NBS/FACTS program.
