More Options

OFFICIAL GED PRACTICE TEST

The Adult Education Program offers the Official GED Practice Test to the public. Taking the Practice Test can help you decide if you are ready for the GED Tests, or need more preparation. For information on the Official Practice Test class, please call (301) 322-0891, or email ged@pgcc.edu.

ONLINE CLASSES

The state of Maryland offers free online GED® test preparation classes for qualified adults and young adults. These classes are a good option for those who prefer to work independently and can demonstrate qualifying math and reading scores. Visit www.mdaeo.org for more information.

ANOTHER HIGH SCHOOL DIPLOMA OPTION

Did you know that there are two ways adults can earn a Maryland High School Diploma? One is by passing the GED® Tests. The other is the National External Diploma Program.

The NEDP is appropriate for mature adults who have significant life experience and can demonstrate academic competencies and life skills. Participants work one-on-one with an advisor to develop a portfolio which demonstrates mastery of the required skills.

The NEDP is a good option for adults who prefer a more confidential option, can pass a qualifying pre-test, and prefer working independently on a portfolio.

For more information or to request an NEDP orientation session, please call (301) 386 – 7509, Monday through Thursday evenings, or email nedp@pgcc.edu.
