SECTION III
Article 2. EVALUATION PROCESS

1. Qualifying Proposals.

1.1 Procurement Officer Review: **The Procurement Officer shall first review each Technical Proposal for compliance with the mandatory requirements of this RFP (i.e., susceptibility of award). Failure to comply with any mandatory requirements will normally disqualify a Proposal. The College reserves the right to waive a mandatory requirement when it is in its best interest to do so.**

Offerors responding to this solicitation must meet all requirements contained herein. If a Proposer does not meet all technical proposal submission requirements, the College may classify the Proposers' bid as unresponsive/unacceptable. Should a proposal be found unacceptable or if an offeror is found not responsible, the proposal will neither be scored nor considered further.

1.2 Evaluation and Selection Committee: All Qualifying Proposals will be reviewed by a PGCC Evaluation and Selection Committee (the "Committee") established by the Procurement Officer. As the procurement progresses, the Committee may seek input from other appropriate College staff or request additional technical assistance from any other source.

2. Evaluation of Qualifying Proposals.

2.1 Initial Evaluation: Following the Procurement Officer's qualifying review, the Committee shall conduct its evaluation of the merit of the Proposals in accordance with the Evaluation Criteria listed above. Minor irregularities contained in Proposals, which are immaterial or inconsequential in nature, may be waived wherever it is determined to be in the College's best interest. The decision for progressing in the procurement process will be made based on the strengths, weaknesses, advantages, and deficiencies that the Technical Proposals represent.

2.2 Shortlisting: In accordance with the Evaluation Criteria set forth in in this RFP, a shortlist may be developed based on the Initial Evaluation results. All Offerors will be notified of the results as they pertain to their respective Proposal.

3. Interviews/Oral Presentations/Discussion Sessions.

3.1 Purpose: Based on the Evaluation Committee's Initial Evaluation, the College may invite, without cost to itself, the shortlisted Offerors to an oral presentation/discussion session ("Discussion Session"). The purposes of the Discussion Session are as follows:

- (i) To provide the Offeror the opportunity to demonstrate its product/services;
- (ii) To discuss/clarify any and all aspects of the Proposal, in particular the proposed Services/product, options, approach/methodologies, implementation process, schedule, staffing of the contract, and ongoing support of the product and other applicable professional services;
- (iii) To allow the College to meet the Offeror's key personnel and for these personnel to convey directly their experience and expertise in the proposed services/product and its implementation; and
- (iv) To provide an opportunity to clarify the scope of services for the intended contract and discuss any items addressed in the Technical Proposal that may require additional clarification.

3.2 Format: The Discussion Session will be informal, as the College is not interested in a sales presentation by executives and business development staff; rather, the College is requesting evidence of the Offerors ability to meet the College's requirements and an interactive discussion with each of the shortlisted Offerors. It is important that those key personnel who are proposed to be assigned to the College fully participate in the presentation and discussion. Ample time will be available for the College and the Offeror to ask questions and discuss issues and concerns related to the product, the scope of the services, and the Offeror's capabilities and qualifications. We anticipate that the Discussion Session will be approximately 60-90 minutes in length, to be determined at a later date.

3.3 Date: The times and dates for the Discussion Session(s) will be set upon completion of the Initial Technical Evaluation; however, it is anticipated that the Discussion Session(s) will be conducted on the times and dates listed per the Solicitation Schedule, as well as on the cover of this RFP. Offerors are therefore advised to set this(ese) date(s) aside in its (their) entirety on the calendars of the appropriate key personnel.

4. Second Phase Evaluation.

4.1 Criteria: Following the Discussion Session held with shortlisted Offerors, a Second Phase Evaluation will be conducted. The Evaluation Committee will re-evaluate all criteria of the Proposals of shortlisted Offerors, incorporating assessments of the Discussion Session and outcomes of reference checks, if performed. The College reserves the right to make a determination that an Offeror is not shortlisted prior to completing reference checks. The order of Evaluation Criteria remains the same.

4.2 Process: Further shortlists may result as the procurement progresses. At each phase of the process, those firms that do not remain shortlisted will not progress in the procurement. All Offerors will be notified of the results of the Technical Evaluation as they pertain to their respective Technical Proposals. It is PGCC's intent to incorporate references prior to establishing the final shortlist of proposals. However, the College reserves the right to modify scoring if pertinent information regarding a Proposer's capability is obtain prior to an award. Once a final shortlist of proposals is established, the Committee will rank the remaining Proposals from highest to lowest.

SECTION III
ARTICLE 3. Intentionally Left Blank

SECTION III
ARTICLE 4. FINAL EVALUATION, RANKING AND SELECTION

1. Recommendation of Award or Further Discussions.

The Committee may recommend an Offeror for contract award(s) based upon the Offeror's Proposal without further discussion. However, should the Committee find that further discussion would benefit the College, the Committee may recommend such discussions to the Procurement Officer. Should the Procurement Officer determine that further discussion would be in the best interest of the College, the Procurement Officer shall establish procedures and schedules for conducting discussions and will notify responsible Offerors.

2. Final Ranking and Selection.

2.1 Process: Following evaluation of the Proposals (and Best and Final Offers, if applicable), the Evaluation and Selection Committee will make an initial overall ranking of the Proposals and recommend to the Procurement Officer the award of the contract(s) to the Offeror whose Proposal(s) is (are) determined to be the most advantageous to the College. The decision of the award(s) of the Contract will be made at the discretion of the Procurement Officer and will depend on the facts and circumstances of the procurement. All Offerors will be notified of the award(s) selection.

2.2 Basis for Award: The College shall award on the basis of the Proposer's technical experience and pricing. Technical merit may have a greater weight than financial and price in the final ranking. Award may be made to the Offeror that demonstrates a high level of technical capability even if its fees and pricing is not the lowest. The Procurement Officer retains the discretion to examine all factors to determine the award of the contract. The goal is to contract with the Offeror(s) that would best meet the needs of the College as set forth in the RFP.

2.3 Negotiations: The College may select for award one or more Offeror(s) to negotiate the terms and conditions of the Contract. The College reserves the right to make an award with or without negotiation. In the event negotiations between the selected contractor and the College fail to mutually agree on any terms and conditions, the College may rescind the award and conduct negotiations with the 2nd highest ranked firm/contractor. Additionally, if the Contractor fails to actively pursue the finalization and execution of the Contract, the College may rescind the Contract, at any time prior to the full execution of the Contract.

3. Debriefing.

3.1 Request: Unsuccessful Offerors may request a debriefing. A request must be submitted in writing to the Procurement Officer **within ten (10) days** after the date on which Offeror knows, or should have known, that its Proposal was unsuccessful. Debriefings shall be conducted at the earliest feasible time. Requests received after 10 days from the Offerors' notice may not be scheduled, as the College's sole discretion.

3.2 Discussion: Debriefings shall be limited to discussion of the Offeror's Proposal only and shall not include a discussion of a competing Offeror's Proposal. The debriefing may include information on areas in which the unsuccessful Offeror's Proposal was deemed weak or insufficient. The debriefing may not include discussion or dissemination of the thoughts, notes, or ranking from an individual Evaluation Committee Member.

CONFLICT OF INTEREST INFORMATION

A. Each solicitation that will result in the selection of a Contractor who will assist a unit in the formation, evaluation, selection, award, or execution of a contract shall provide notice of the requirement of this regulation.

B. "Conflict of interest" means that, because of other activities or relationships with other persons, a person is unable or potentially unable to render impartial assistance or advice to the College or State, or the person's objectivity in performing the contract work is or might be otherwise impaired, or a person has an unfair competitive advantage.

C. "Person" has the meaning stated in COMAR 21.01.02.01B (64) and includes a bidder, offeror, Contractor, consultant or subcontractor or sub consultant at any tier, and also includes an employee or agent of any of them if the employee or agent has or will have the authority to control or supervise all or a portion of the work for which a bid or offer is made.

D. If the Procurement Officer makes a determination prior to award that facts or circumstances exist giving rise or which could in the future give rise to a conflict in interest, the procurement officer may reject a bid or offer under COMAR 21.06.02.03B.

F. A conflict of interest may be waived if the Procurement Officer, with approval of the agency head or designee, determines that waiver is in the best interest of the State. The determination shall state the reasons for the waiver and any controls that avoid, mitigate, or neutralize the conflict of interest.

G. Each bidder or offeror responding to a solicitation that will result in the selection of a Contractor who will assist a unit in the formation, evaluation, selection, award, or execution of another College or State contract shall provide the affidavit and disclosures set forth in Subsection H of this regulation to the Procurement Officer with the bid or offer and such other times as may be required by the Procurement Officer.
