REQUEST FOR PROPOSALS

FOR

Legal and Identity (ID) Theft Benefit Services

SECTION I. GENERAL INFORMATION

Summary.

1.1. Solicitation. The intent of this Request for Proposal (“RFP” or “Solicitation”) is to provide firms an opportunity to present their qualifications and experience, to providing the scope of services described in this RFP and in relation to the needs of Prince George’s Community College (“PGCC” or “College”). Proposals that concisely present the information requested in the order and manner requested will be considered more favorably than a Proposal (“Proposal” or “Offer”) from an Offeror of commensurate qualifications that displays a lack of organization, conciseness, or attention to detail.

The College is seeking a vendor for Legal and ID Benefit services that match or exceed current levels and are priced competitively compared to their peers. The College is also seeking a vendor that shall provide a high level of customer and member service, meet reporting and billing expectations, and meet the other requirements set forth within this Request for Proposal.

1.2. Procurement Regulations. This RFP shall be conducted in accordance with College’s Policies and Procedures. The procurement method is Competitive Sealed Proposals.

By providing a CD or flash drive, Offeror grants PGCC the right to reproduce and distribute copies of the Technical Proposal internally for evaluation purposes. Minority participation is important to PGCC. Prince George’s Community College strongly encourages qualified local minority businesses and local business to provide goods and services for the performance of College functions. Minority Business Enterprises (MBE) firms are strongly encouraged to respond to this solicitation. An MBE is defined by the College as follow: A Minority Business Enterprise (MBE) is any legal entity, other than a joint venture, organized to engage in commercial transactions which is at least 51% owned and controlled by one or more minority persons (African Americans, Hispanics, American Indians, Asians, women and the physically or mentally disabled), or a non-profit entity organized to promote the interest of the physically or mentally disabled.

Although State certification is not required, Offerors shall be required to provide adequate proof that each MBE proposed/utilized meets the College’s requirement/status and be
required to execute the College’s MBE Affidavit or other execute/provide other required documents determined by the College, at a later date.

Potential proposers that are not certified by the Maryland Department of Transportation (MDOT), are encouraged to initiate certification as soon as possible. For more information on the State’s MBE program or questions related to certification, please contact MDOT’s Office of Minority Business Enterprise/Equal Opportunity, telephone 800-544-6056 or view the MDOT website: [http://www.mdot.state.md.us/mbe/index.html](http://www.mdot.state.md.us/mbe/index.html).

MBE Contract Participation Goal/Commitment: 15%

The MBE goal is the minimum percentage the awarded vendor will retain for MBEs of the total overall contract(s) value that is established for this solicitation/awarded contract, unless waived by the College. This subcontracting goal will become part of the contract. The MBE goal may be fulfilled by an MBE prime, if awarded the contract.

Proposers are to provide within their proposal a completed and signed MBE Utilization Affidavit (see Appendix A) and include a completed MBE Participation Schedule. Proposers are strongly encouraged to include local (Prince George’s County based company/ies) MBEs within your firm’s proposal. The Procurement Officer may deem the proposal not susceptible of the award, if the MBE documents are not provided within the Technical Proposal.

6. Acceptance of Terms and Conditions.
   By submitting a Proposal, an Offeror shall be deemed to have accepted the terms, conditions, and requirements set forth in this RFP. The RFP including all addenda in total shall be incorporated into the Contract by reference. Any exceptions to the terms and conditions shall be submitted as specified in the Response Requirements section of this Solicitation. Contract exceptions not provided in the format required under this RFP shall not be accepted nor be made part of any Contract, if awarded.

7. Contractual Agreement and Term.
   It is intended that one (1) will result from this Solicitation.

   Any Contract arising from this RFP action shall commence on the date the Contract is executed on behalf of PGCC, or such other date as PGCC and the Contractor shall agree. The sample contract included is subject to change at the sole discretion of the College. The initial term of the Contract is anticipated to start on, before July 1, 2019.

SECTION III. PROCUREMENT PHASES
AND EVALUATION PROCESS

ARTICLE 1. TECHNICAL AND PRICE PROPOSAL REQUIREMENTS

1. General Requirements

1.1 Submission.
An original plus three (3) copies (for a total of 4), as well as a CD or a flash drive, of the Technical and Price Proposal must be received at the Issuing Office by the time and date per the Solicitation Schedule, as well as listed on the cover of this RFP, in order to be considered. Technical and Price Proposals must be in a sealed envelope or container. Offerors should clearly mark the original hard copy of the Technical and Price Proposal, as this is considered by PGCC to be the official Offer from the Proposer. By providing a CD or flash drive, Offeror grants PGCC the right to reproduce and distribute copies of the Technical Proposal internally for evaluation purposes. The Technical and Price Proposal on the CD/flash drive must be compiled as one document and provided in pdf and WORD/Excel for ease of use by PGCC.

Clearly mark on the coversheet and binder which proposal is the original.

1.2 Transmittal Letter: A transmittal letter prepared on the Offeror’s business stationery must accompany the Technical Proposal. The letter should be an executive summary that clearly and concisely summarizes the content of the Technical Proposal. The letter must be signed by an individual who is authorized to bind the firm to all statements, including services and financial statements, contained in the Proposal. (See 1.2 below.) Include the Offeror’s official business address and state in which it is incorporated or organized (if Offeror is not an individual). An appropriate contact name, title, phone number, and email address should also be provided for PGCC’s use during the procurement process. Do not include price information in the transmittal letter.

1.3 Signing of Forms: A Proposal, if submitted by an individual, shall be signed by the individual. If submitted by a partnership, a Proposal shall be signed by such member(s) of the partnership with authority to bind the partnership. If submitted by a corporation, a Proposal shall be signed by an officer, and attested by the corporate secretary or an assistant corporate secretary; if not signed by an officer, there must be attached a copy of a board resolution or that portion of the by-laws, duly certified by the corporate secretary, showing the authority of the person so signing on behalf of the corporation.

2. Initial Technical Criteria
Clear, concise, yet detailed responses to the technical criteria below are to be provided in the Technical Proposal. In addition, the Bid/Proposal Affidavit and Acknowledgement of Receipt of Addenda (if applicable) must be included. Standard sales material may be provided, but must be attached as an appendix rather than included within the body of the
Proposal.  Offerors must paginate the Proposal and are requested to provide tabs to separate responses to each of the technical criteria.

The following information (Response Requirements) must be furnished in the Proposal per this solicitation, and as more fully described below. Failure to include any of the items listed below may disqualify your firm’s response.  Offerors are requested to compile their Proposals in the same order provided below. It is the Offeror’s responsibility to tailor its response to demonstrate its qualifications to perform the scope of work specifically for PGCC.

The College may elect to request Best and Final Price Proposals (BAFO’s).

Note: A separate Excel Workbook is provided as a separate document for ease of use when completing and submitting your firm’s responses to the applicable sections.

Note: The College may elect to request Best and Final Technical and/or Price Proposals (BAFO’s).
SECTION III
ARTICLE 2. PROPOSAL EVALUATION PROCESS

1. Qualifying Proposals.
   1.1 Procurement Officer Review: The Procurement Officer shall first review each Proposal for compliance with the mandatory response requirements of this RFP (i.e., susceptibility of award). Failure to comply with any mandatory response requirement will normally disqualify a Proposal. The College reserves the right to waive a mandatory requirement when it is in its best interest to do so.

   Offerors responding to this solicitation must meet all requirements contained herein. If a firm does not meet all technical proposal submission requirements, the College may classify the firm’s bid as unresponsive/unacceptable. Should a proposal be found unacceptable or if an offeror is found not responsible, the proposal will neither be scored nor considered further.

   1.2 Evaluation and Selection Committee: All Qualifying Proposals will be reviewed by a PGCC Evaluation and Selection Committee (the “Committee”) established by the Procurement Officer. As the procurement progresses, the Committee may seek input from other appropriate College staff or request additional technical assistance from any other source.

   2.1 Initial Technical Evaluation: Following the Procurement Officer’s qualifying review, the Committee shall conduct its evaluation of the technical merit of the Proposals in accordance with the Evaluation Criteria. Minor irregularities contained in Proposals, which are immaterial or inconsequential in nature, may be waived wherever it is determined to be in the College’s best interest. The decision for progressing in the procurement process will be made based on the strengths, weaknesses, advantages, and deficiencies that the Technical Proposals represent.

   The College’s Proposal Evaluation team will rate and score the proposals based the Offeror’s overall submission, including but not limited to experience, MBE participation and pricing.
SECTION III
ARTICLE 3. FINAL EVALUATION, RANKING AND SELECTION

1. Recommendation of Award or Further Discussions.
The Committee may recommend an Offeror for contract award(s) based upon the Offeror’s Technical Proposal and Price Proposal without further discussion. However, should the Committee find that further discussion would benefit the College, the Committee may recommend such discussions to the Procurement Officer. Should the Procurement Officer determine that further discussion would be in the best interest of the College, the Procurement Officer shall establish procedures and schedules for conducting discussions and will notify responsible Offerors.

2. Final Ranking and Selection.

2.1 Process: Following evaluation of the Technical Proposals and the Price Proposals (and Best and Final Offers, if applicable), the Evaluation and Selection Committee will make an initial overall ranking of the Proposals and recommend to the Procurement Officer the award of the contract(s) to the Offeror whose Proposal(s) is (are) determined to be the most advantageous to the College. The decision of the award(s) of the Contract will be made at the discretion of the Procurement Officer and will depend on the facts and circumstances of the procurement. All Offerors will be notified of the award(s) status or selection.

2.2 Basis for Award: Technical merit may have a greater weight than financial and price in the final ranking. Award may be made to the Offeror with a higher technical ranking even if its Financial and Price Proposal is not the lowest. The Procurement Officer retains the discretion to examine all factors to determine the award of the contract. The goal is to contract with the Offeror(s) that would best meet the needs of the College as set forth in the RFP.

2.3. Negotiations: The College may select for award one or more Offeror(s) to negotiate the terms and conditions of the Contract. The College reserves the right to make an award with or without negotiation.

3. Debriefing.

3.1 Request: Unsuccessful Offerors may request a debriefing. A request must be submitted in writing to the Procurement Officer within ten (10) days after the date on which Offeror knows, or should have known, that its Proposal was unsuccessful. Debriefings shall be conducted at the earliest feasible time.

3.2 Discussion: Debriefings shall be limited to discussion of the Offeror’s Proposal only and shall not include a discussion of a competing Offeror’s Proposal. The debriefing may include information on areas in which the unsuccessful Offeror’s Proposal was deemed
weak or insufficient. The debriefing may not include discussion or dissemination of the thoughts, notes, or ranking from an individual Evaluation Committee Member.

A. Each solicitation that will result in the selection of a Contractor who will assist a unit in the formation, evaluation, selection, award, or execution of a contract shall provide notice of the requirement of this regulation.

B. "Conflict of interest" means that, because of other activities or relationships with other persons, a person is unable or potentially unable to render impartial assistance or advice to the College or State, or the person's objectivity in performing the contract work is or might be otherwise impaired, or a person has an unfair competitive advantage.

D. If the Procurement Officer makes a determination prior to award that facts or circumstances exist giving rise or which could in the future give rise to a conflict in interest, the procurement officer may reject a bid or offer.

E. After award the College may terminate the contract, in whole or in part, if it deems such termination necessary to avoid an actual or potential conflict of interest. This Agreement (“Agreement” or “Contract”) is made this 6th day of December, 2019, between the Prince George’s Community College (“PGCC” or “College”), and ___________________________ (“Contractor” or “Consultant” or “Firm”), with an address __________________________________________, collectively the “Parties”.

**CONTRACT DOCUMENTS AND TERM**

This Agreement consists of multiple documents as follows in the order of precedence:

- This Agreement Form (pages 1 through 11) and any Amendments;
- Attachment A: RFP ___ and Contractor’s Proposal dated ______________;
- Work Orders, and Purchase Orders Terms and Conditions, issued under this Contract, whether attached hereto or not.

This as needed, non-exclusive Agreement shall be effective upon the date of execution by both Parties and shall continue through ______________, or until the work deliverables are completed, per Attachment A or unless extended by amendment.

**RECTITALS.** The Contractor has been awarded a contract to provide services, as needed, for PGCC upon the terms and conditions set forth herein, and the Contractor is willing to undertake those services (“the Services”) upon such terms and conditions. The Contractor represents that the Contractor is qualified to render the Services required by PGCC.

NOW, THEREFORE, PGCC and the Contractor agree as follows:

1.0 **PROFESSIONAL SERVICES**

1.1 The Contractor shall perform the non-exclusive Services as described in Attachment A to this Agreement.

1.2 Services shall be performed in accordance with a schedule of activities agreed upon by the Parties issued as a work order by the College. The Contractor will provide all the necessary equipment and materials to perform the Services in an expeditious manner as is consistent with good professional skill and care and the orderly progress of the Services. In the event of any conflict in terms between Attachment A and this Agreement, the terms and conditions of this Agreement take precedence.

1.3 The PGCC will designate a staff member to act as manager (“Project Manager”) between the College and the Contractor. Throughout the period of the Services, copies of all correspondence, work products, specifications, estimates and other materials prepared by the Contractor should be directed to the Project Manager and also to any other PGCC personnel designated by the Project Manager. Direct contact or communication by the Contractor with other PGCC offices or any other entity concerning the Services shall be made only with the prior knowledge and concurrence of the Project Manager.
1.4 The professional contractor for the Services shall be the same person identified in this contract unless (a) a change is requested by the Contractor and approved in writing by the Project Manager; or (b) a change is requested in writing by the Project Manager for good cause, in which case the Contractor shall make an appropriate substitution, subject to PGCC's approval, and notify PGCC in writing. Major changes in the Contractor's organization or personnel (other than the Contractor) shall be reported to PGCC in writing as they occur.

1.5 If applicable, any amendments thereto, are made a part of this Agreement unless expressly contradicted by a term or condition of this Agreement. The Scope of Services which is set forth as Attachment A is made a part of this Agreement.

2.0 FEES AND PAYMENTS

2.1 Contractor’s rates shall not exceed the fixed rates/fee provided in Attachment A and all such rates/fee include all expenses in the performance of the Services. Payments shall be made upon acceptance of deliverables as outlined in Attachment A of this Agreement or in work orders/written directives or marketing advertisement schedules issued by PGCC. The maximum fee for all services provided under this Agreement shall not exceed $____________for services provided during ______________, 2019, unless modified by an amendment, at a later date.

2.2 Payment requests (invoices) shall be submitted electronically to the Accounts Payable Department, Prince George’s Community College, 301 Largo Road, Largo MD 20774 at accounting@pgcc.edu and the Project Manager.

2.3 Payment shall be paid within 30 days after PGCC’s receipt and acceptance of invoice.

2.4 The Contractor shall include along with each invoice a summary of work/activities completed during the work period being invoiced. The Contractor shall clearly reference the Purchase Order or Contract number; the type of billing, i.e., the deliverable; and, additional information as may be specifically required elsewhere in this Agreement.

2.5 No invoice will be processed if there is a dispute between PGCC and the Contractor as to the current or cumulative services provided.

2.6 PGCC's approval of periodic payments to the Contractor shall not constitute, in any sense, approval or acceptance by PGCC of the Services work performed through the date of the invoice or of the Contractor's assertion of percentage of the Services completed through the date of the invoice.
2.7 It is understood that there is no guarantee of dollar amount of work under this Contract. Payment will be issued on services rendered. Adjustments to payments for non-performance may be taken by the College, as its sole discretion.

2.8 As an independent contractor of PGCC, no withholding of income tax, Social Security or other sums will be made from the payment to the Contractor.

3.0 EVALUATION AND ACCEPTANCE PROCEDURE

3.1 Upon completion and delivery of each deliverable by Contractor, PGCC will begin the evaluation and acceptance process, which shall include, but not be limited to, the steps described below. Payments, in accordance with Section 3 of this Contract will be based on the completion/delivery of a deliverable by Contractor and acceptance by PGCC of each deliverable. Contractor will demonstrate to PGCC that the deliverable has been completed or has occurred and will provide PGCC with written notice of the same.

3.2 Within the time period specified in the Contract including any Contract Amendments, or if not specified, then within five (5) business days of receipt by PGCC of a scheduled deliverable from Contractor, PGCC shall determine whether such deliverable Materially Conforms to the specifications defined in the Contract. As used herein, the term "Materially Conforms" means that the deliverable is ready to be used in production and meets or exceeds its intended functionality and performance. If the deliverable Materially Conforms to the specifications, then PGCC will provide written confirmation to Contractor that the deliverable is accepted.

3.3 If the deliverable does not Materially Conform, PGCC shall immediately return it to Contractor with a written list of deficiencies. Contractor, at no additional cost to PGCC, shall thereafter make all appropriate and necessary fixes to the deliverable and return it to PGCC within the time period specified, or if not specified, then within ten (10) business days for further testing by PGCC. If the deliverable again fails to Materially Conform then this same process will be repeated one more time. If the deliverable fails to Materially Conform to the specifications after delivery for the second time then PGCC may, at its sole discretion, (a) further extend the timeframe for cure and (b) extend the warranty period, if applicable, or (c) begin the termination process as defined in Section 6.3 of this Contract. If PGCC does not elect to terminate this Contract after the second failure, it has not automatically waived its right to do so following any additional failed attempt at correction by Contractor to which the parties may agree.

3.4 If either party fails to meet the testing period described above, or any other periods of time as mutually agreed to, the other party may declare the Contract in material breach and begin the termination process as defined in Section 6.3 of this Contract.

4.0 ONSITE AND OFFSITE MEETINGS

The College may request the Contractor to attend meetings or working sessions PGCC’s offices/campuses and/or at designated offsite locations, as needed.

5.1 For the consideration payable under this Agreement, all work product derived from the Services and required by this Agreement shall be considered a work made for hire within the meaning of that term under the copyright laws of the United States, applicable common law and corresponding laws of other countries. PGCC shall have sole right and authority to seek statutory copyright protection and to enjoy the benefits of ownership of the work. The Contractor hereby assigns all rights, title and interest in and to the work derived from the Services and agrees to require all members of the production, as well as any agents or subcontractors of Contractor involved in Services, to agree in writing that they assign to PGCC all right, title and interest in work product derived from the Services required by this Agreement. All work product required by this Agreement shall also be protected by the attorney client and attorney work product privileges available under Maryland law.

Contractor shall retain ownership of any pre-existing intellectual property it held prior to this Agreement, and to any intellectual property it develops outside this Agreement without reference to any materials or work it exposed to under this Agreement.

5.2 Notwithstanding the terms of Paragraph 5.1, Contractor is permitted with written consent to retain all rights to the intellectual capital (including without limitation, ideas, methodologies, processes, inventions and tools) developed or possessed by the Contractor prior to, or acquired during, the performance of the Services under this Contract.

6.0 OTHER TERMS AND CONDITIONS

6.1 Maryland Law – The laws of Maryland shall govern the interpretation and enforcement of this Agreement.

6.2 Termination for Convenience - The College may terminate this Agreement, in whole or in part, without showing cause upon prior written notice to the Contractor specifying the extent and the effective date of the termination.

6.3 Termination for Default - When the Contractor has not performed or has unsatisfactorily performed the Services; payment shall be withheld at the discretion of the College. Failure on the part of a Contractor to fulfill contractual obligations shall be considered just cause for termination of the contract and the Contractor will not be entitled to recover any costs incurred by the Contractor up to the date of termination.

6.4 Changes - This Agreement may be amended with the consent of both parties. Amendments may not change significantly the scope of the Agreement.

6.5 Disputes - Pending resolution of a claim, the Contractor shall proceed diligently with the performance of the Agreement in accordance with the Procurement Officer's
decision. Claims not resolved by action of the Procurement Officer may be reviewable by
other College officials.

6.6 Suspension of Work - The Procurement Officer unilaterally may order the
Contractor in writing to suspend, delay, or interrupt all or any part of the work for such
period of time as he may determine to be appropriate for the convenience of the College.

6.7 Delays and Extension of Time - The Contractor agrees to prosecute the work
continuously and diligently and no charges or claims for damages shall be made by it for
any delays or hindrances from any cause whatsoever during the progress of any portion of
the work specified in this Agreement.

Time extensions will be granted only for excusable delays that arise from unforeseeable
causes beyond the control and without fault or negligence of the Contractor, including but
not restricted to, acts of God, acts of the public enemy, acts of the State in either its
sovereign or contractual capacity, acts of another Contractor in the performance of a
contract with the State, fires, floods, epidemics, quarantine restrictions, strikes, freight

in any manner against an employee or applicant for employment because of race, color,

6.13 If the appropriate funds or if funds are not otherwise made available for continued
performance of this Contract, this Contract shall be canceled automatically for which funds
were not appropriated or otherwise made available; provided, however, that this will not
affect either the College's rights or the Contractor's rights under any termination clause in
this Contract. The effect of termination of the Contract hereunder will be to discharge both
the Contractor and the College from future performance of the Contract, but not from their rights and obligations existing at the time of termination.

The Contractor shall be reimbursed for the reasonable value of any non-recurring costs incurred but not amortized in the price of the Contract. The College shall notify the Contractor as soon as it has knowledge that funds may not be available for the continuation of this Contract for each succeeding fiscal period beyond the first.

7.0 CONFIDENTIAL INFORMATION

7.1 Contractor acknowledges and understands that in connection with this Agreement, the performance of the Services and otherwise, Contractor has had or shall have access to, has obtained or shall obtain, or has been or shall be given the College’s Confidential Information (as defined herein). For purposes of this Agreement, “Confidential Information” means all information provided by the College to Contractor, including without limitation information concerning the College’s business strategies, political and legislative affairs, students, employees, vendors, contractors, student records, customer lists, finances, properties, methods of operation, computer and telecommunications systems, and software and documentation. Confidential Information includes information in any and all formats and media, including without limitation oral, and includes the originals and any and all copies and derivatives of such information.

7.2 Contractor shall use the Confidential Information only if and when required for the performance of the Services, and for no other purpose whatsoever, and only by Contractor employees engaged in that performance.

7.3 Contractor shall not, in any manner whatsoever, disclose, permit access to, or allow use of Confidential Information to any person or entity except as specifically permitted or required under this Contract.

7.4 Contractor acknowledges and understands that PGCC is required to protect certain Confidential Information from disclosure under applicable law, including but not limited to the Family Educational Rights and Privacy Act (“FERPA”), the Gramm Leach Bliley Act (“GLBA”), or the Maryland Public Information Act (“PIA”), including regulations promulgated thereunder, as the laws and regulations may be amended from time to time (collectively the “Privacy Laws”). The Confidential Information that is protected under FERPA was provided to the Contractor as it is handling an institution service or function that would ordinarily be performed by PGCC’s employees. The Contractor agrees that it shall be obligated to protect and may only maintain and use the Confidential Information in its possession or control in accordance with the Privacy Laws to the same extent as PGCC would be obligated if the Confidential Information was in the possession or control of PGCC. The Contractor further agrees that it is subject to the requirements governing the use and redisclosure of personally identifiable information from education records as provided in FERPA.
7.5 Contractor may disclose Confidential Information as required by legal process. If Contractor is required by legal process to disclose Confidential Information, Contractor shall immediately notify the College, and before disclosing such information shall allow PGCC reasonable time to take appropriate legal action to prevent disclosure of the Confidential Information.

Prince George’s Community College  
301 Largo Road, Largo MD 20774

7.9 Except to the extent otherwise required by applicable professional standards, the obligations under this section do not apply to information that (a) is or becomes generally known to the public, other than as a result of disclosure by Contractor, (b) had been previously possessed by Contractor without restriction against disclosure at the time of receipt by Contractor, (c) was independently developed by Contractor without violation of this Contract, or (d) Contractor and the College agree in writing to disclose. Each party shall be deemed to have met its nondisclosure obligations under this section as long as it exercises the same level of care to protect the other’s information as it exercises to protect its own confidential information, except to the extent that applicable law or professional standards impose a higher requirement.

7.10 All Confidential Information received by Contractor shall be returned to the College or destroyed upon completion or termination of this Contract.

8.0 INDEMNIFICATION

To the fullest extent permitted by law, the Contractor shall indemnify and hold harmless College and their respective agents, servants and employees, from and against all claims, damages, losses and expenses, including but not limited to attorney's fees, arising out of or resulting from the performance of the Services work by the Contractor, provided that such claim, damage, loss, or expense is caused in whole or in part by any negligent or willful act or omission of the Contractor or any employee, agent or subcontractor of the Contractor. At PGCC’s request, the Contractor will defend PGCC or settle any suit, claim, or proceeding brought against PGCC in relation to this contract. This obligation is not intended to be or to imply a waiver of the sovereign immunity of PGCC. The College does not assume any obligation to indemnify, hold harmless, or pay attorney’s fees that may
arise from or in any way be associated with the performance or operation of this Agreement.

9.0 RELATIONSHIP OF THE PARTIES

9.1 Nothing in this Agreement shall be construed to establish a relationship of servant, employee, partnership, association, or joint venture between the parties. Neither party shall bind or attempt to bind the other to any contract, warranty, covenant or undertaking of any nature whatsoever unless previously specifically authorized in writing in each instance. Nothing in this Agreement is intended to create a joint employment relationship.

9.2 It is understood and agreed that Contractor is an independent contractor of the College, and not an employee. Except as set forth in this Agreement, the College will not withhold income taxes, social security or any other sums from the payments made to Contractor hereunder. All employees or contractors of Contractor shall in no way be considered employees of the College, but rather they shall be employees or contractors of Contractor, and Contractor shall bear full responsibility for compensating those persons and for the performance of the Services by way of them.

9.3 Each party reserves the right to review all press releases or other public communications of the other party that may affect the party’s public image, programs or operations.

9.4 Contractor may not assign or subcontract any rights or delegate any of its duties under this Agreement without Client’s prior written approval.

The Contractor shall maintain in full force and effect adequate insurance coverage to protect against the risks associated with the performance of services under this Agreement. APPENDIX M

MINORITY BUSINESS ENTERPRISE PROVISIONS AND INFORMATION
APPENDIX M TO SOLICITATION

PRINCE GEORGE’S COMMUNITY COLLEGE
MINORITY BUSINESS ENTERPRISE PARTICIPATION

I. PURPOSE

Contractor shall structure its procedures for the performance of the work required in this contract to attempt to achieve the minority business enterprise (MBE) goal stated in the Invitation for Bids or Request for Proposals. MBE performance must be in accordance with this Exhibit. Contractor agrees to exercise all good faith efforts to carry out the requirements set forth in this Exhibit.

II. MBE Goals and Sub Goals

An MBE subcontract participation goal percent of the total contract dollar amount has been established for this procurement. By submitting a response to this solicitation, the bidder or offeror agrees that this percentage of the total dollar amount of the contract will be performed by minority business enterprises.

By submitting a response to this solicitation, the bidder or offeror agrees that these percentages of the total dollar amounts of the contract will be performed by minority business enterprises as specified.

A prime contractor — including an MBE prime contractor — must accomplish an amount of work not less than the MBE subcontract goal with preferably certified MBE subcontractors.

A prime contractor comprising a joint venture that includes MBE partner(s) must accomplish the MBE subcontract goal with preferably certified MBE subcontractors.

III. TECHNICAL PROPOSAL REQUIREMENTS

A bidder or offeror must include with its TECHNICAL PROPOSAL:

1. A completed MBE Utilization Affidavit (see Appendix A) whereby the bidder or offeror acknowledges the MBE participation goal or requests a waiver, commits to make a good faith effort to achieve the goal, and affirms that MBE subcontractors were treated fairly in the solicitation process.

2. MBE Participation Schedule (see Appendix B) whereby the Proposer/Offeror responds to the expected degree of Minority Business Enterprise participation as stated in the solicitation, by identifying the specific commitment of certified MBEs at the time of submission of the Price Proposal. The bidder or offeror shall specify the percentage of the contract value or dollar amount and the items of work associated with each MBE subcontractor identified on the MBE Participation Schedule.
If a bidder or offeror fails to submit the MBE Utilization Affidavit with the bid or offer as required, the Procurement Officer may deem the bid non-responsive or shall determine that the offer is not reasonably susceptible of being selected for award.

IV. NOTICE OF CONTRACT AWARD: Within 10 working days (unless modified by the College) from notification that it is the apparent awardee or from the date of the actual award, whichever is earlier, the apparent awardee must provide the following documentation to the Procurement Officer.

1. Outreach Efforts Compliance Statement (Attachment M-C)
2. Subcontractor Project Participation Statement (Attachment M-D)
3. If the apparent awardee believes a waiver (in whole or in part) of the overall MBE goal or of any sub goal is necessary, it must submit a fully documented waiver request that complies with the provisions in this solicitation.
4. Any other documentation required by the Procurement Officer to ascertain bidder or offeror responsibility in connection with the MBE participation goal.

If the apparent awardee fails to return each completed document within the required time, the Procurement Officer may determine that the apparent awardee is not responsible and therefore not eligible for contract award. If the contract has already been awarded, the award is voidable.

V. CONTRACT ADMINISTRATION REQUIREMENTS

Contractor shall:

1. Submit monthly (unless otherwise modified by the Procurement Officer) to the Procurement Officer, hereafter referred to as “Department” or the College’s third party designee a report listing any unpaid invoices, over 30 days old, received from any certified MBE subcontractor, the amount of each invoice and the reason payment has not been made.

2. Include in its agreements with its MBE subcontractors a requirement that those subcontractors submit monthly to the Department a report that identifies the prime contract and lists all payments received from Contractor in the preceding 30 days (unless otherwise modified by the Procurement Officer), as well as any outstanding invoices, and the amount of those invoices.

3. Maintain such records as are necessary to confirm compliance with its MBE participation obligations. These records must indicate the identity of minority and non-minority subcontractors employed on the contract, the type of work performed by each, and the actual dollar value of work performed. Subcontract agreements documenting the work performed by all MBE participants must be retained by the Contractor and furnished to the Procurement Officer or designee on request.

4. Consent to provide such documentation as reasonably requested and to provide right-of-entry
at reasonable times for purposes of the College’s representatives verifying compliance with the MBE participation obligations. Contractor must retain all records concerning MBE participation and make them available for State inspection for three years after final completion of the contract.

5. At the option of the College, upon completion of the contract and before final payment and/or release of retainage, submit a final report in affidavit form and under penalty of perjury, of all payments made to, or withheld from MBE subcontractors.

Note:

A. MBE Utilization Affidavit (must be submitted with Technical Proposal)

B. MBE Participation Schedule (must be submitted with the Technical Proposal)

C. Outreach Efforts Compliance Statement, M-C (must be submitted within 10 working days of notification of apparent award or actual award, whichever is earlier), unless modified by the College, at a later date.

D. Subcontractor Project Participation Statement, M-D (must be submitted within 10 working days of notification of apparent award or actual award, whichever is earlier), unless modified by the College, at a later date.

PRINCE GEORGE’S COMMUNITY COLLEGE

MINORITY BUSINESS ENTERPRISE PARTICIPATION ADDITIONAL PROVISIONS

MBE 1. Noncompliance. If the college determines that the apparent successful bidder/contractor has not complied with the certified MBE subcontract participation contract goal, and has not obtained a waiver in accordance with MBE 2, or if the bidder/contractor fails to submit the documentation required by the solicitation, the College, may reject the bid or offer or cancel the award of the contract. The reasons for this action shall be specified in writing and mailed or delivered to the bidder.

MBE 2. Waiver.

MBE 2.1. If, for any reason, the apparent successful bidder/contractor is unable to achieve the contract goal for MBE participation, the bidder may request, in writing, an exception to the goal with justification to include the following:

(a) A detailed statement of the efforts made to select portions of the work proposed to be performed by MBEs in order to increase the likelihood of achieving the stated goal;

(b) A detailed statement of the efforts made to contact and negotiate with certified MBEs, including:

   (1) The names, addresses, dates and telephone numbers of MBEs contacted, and;

   (2) A description of the information provided to MBEs regarding the specifications, and anticipated time schedule for portions of the work to be performed;

(c) As to each MBE that had placed a subcontract quotation or offer which the successful bidder/contractor considers not to be acceptable, a detailed statement of the reasons for this conclusion; and

(d) A list of minority subcontractors found to be unavailable. This list may include a statement from the apparent successful bidder/contractor that the minority business refused to give the required documentation, or documentation proving reasonable outreach and verification from the MBEs.

MBE 2.2. A waiver of a MBE contract goal may be granted only upon a reasonable demonstration by the bidder that MBE participation was unable to be obtained or was unable to be obtained at a reasonable price and if the College determines that the public interest is served by a waiver. In making a determination under this section, the College may consider engineering estimates, catalogue prices, general market availability, and availability of MBEs in the area work is to be performed, other bids or offers and subcontract bids or offers substantiating significant variances between MBE and non-MBE cost of participation, and their impact on the overall cost of the contract to the college and any other relevant factor.
MBE 2.3. The College may waive any of these provisions for a sole source, expedited or emergency procurement in which the public interest cannot reasonably accommodate use of these procedures.

MBE 3. Amendment for Unforeseen Circumstances. If at any time before execution of a contract, the apparent successful bidder/contractor determines that a MBE listed on the schedule for participation has become or will become unavailable, then the apparent successful bidder/contractor shall immediately notify the Procurement Officer. Any desired change in the schedule for participation shall be approved in advance by the Procurement Officer and shall indicate the Contractor’s efforts to substitute another MBE subcontractor to perform the work. Desired changes occurring after the date of Contract execution may occur only upon written approval by the Procurement Officer and subsequently by Contract amendment.

MBE 4.1. To assure compliance with certified MBE subcontract requirements, the college may require the Contractor to furnish documentation that include but not limited to; forms M-E and M-F, and:

(a) Copies of purchase orders, subcontracts, cancelled checks, and other records that may indicate the number, names, dollar value of MBE subcontracts, dates, and schedule time for performance of work by an MBE subcontractor; and

(b) Entry for an on-site verification inspection.

The College reserves the right to modify change the format of these forms or the format in which MBE reporting shall be provided to the College during the duration of the Contract.

MBE 4.2. Upon determining the Contractor’s non-compliance, the college shall notify the Contractor in writing of its findings and shall specify what corrective actions are required. The Contractor shall be required to initiate the corrective actions within 10 days and complete them within the time specified by the college.

MBE 4.3. If the college determines that substantial non-compliance with MBE subcontract provisions exists and that the Contractor refuses or fails to take the corrective action required by the college, then the following sanctions may be invoked:

(a) Termination of the Contract in whole or in part for cause;

(b) Liquidated damages;

(c) Initiation of any other specific remedy identified by Contract; or

(d) The college may use any other compliance mechanism authorized by Contract or by law.
MBE 4.4 Liquidated Damages.

Liquidated damages may include but are not limited to:

1) a per-day penalty in an amount determined by the College for failing to provide reports in full compliance with the College’s MBE provisions;

2) a per-subcontract penalty for every subcontract that does not require subcontractors to submit payment reports per the College’s MBE provisions;

3) a penalty for terminating, canceling, or changing the scope of work or value of a contract with an MBE subcontractor and/or amending the MBE participation schedule in an amount that equals the difference between the dollar value of the MBE participation commitment on the MBE participation schedule for that specific MBE firm and the dollar value of the work performed by that MBE firm for the contract; and

4) a penalty for failure to meet the Contractor’s total MBE participation goal and subgoal commitments in an amount equal to the difference between the dollar value of the total MBE participation commitment on the MBE participation schedule and the MBE participation actually achieved.

MBE 4.5 Other Provisions

The College at its sole discretion may change and modify any MBE provisions or requirements at any given time during the life of a contract. Written notification will be provided to the Contractor of any MBE provision changes.
APPENDIX S

SOLICITATION TERMS AND CONDITIONS

This solicitation and any subsequent award are further subject to:

1. **Contractor’s/Offeror’s Responsibility.**
   Offerors are advised to read the requirements very carefully to ensure that each requirement is understood. If in doubt, develop and submit applicable questions in writing to the contact at the Issuing Office. An Offeror’s misinterpretation of requirements shall not relieve the Offeror of the responsibility to address accurately the requirements of the RFP or to perform the Contract, if awarded. PGCC will enter into a contractual agreement with the selected Contractor(s) only. The selected Contractor(s) shall be solely responsible for all services as required by this RFP. Subcontractors, if any, will be the responsibility of the Contractor(s) and the role of subcontractors must be clearly identified in the proposal. The use of a subcontractor(s) does not relieve the Contractor(s) of liability under a Contract.

2. **Rejection or Acceptance of Proposals.**
   The College reserves the right to: (i) accept or reject any and all proposals, in whole or in part; (ii) to waive minor irregularities; and (iii) to negotiate in any manner necessary to best serve the interests of the College. Further, the College reserves the right to make a whole award, multiple awards, a partial award, or no award at all. Offerors judged by the Procurement Officer not to be responsible or Offerors whose Proposals are classified as not reasonably susceptible to being selected for award shall be so notified. The College reserves the right to increase or decrease the quantities of any materials, equipment, supplies or services.

3. **Cancellation of the RFP.**
   PGCC may cancel this RFP, in whole or in part, at any time.

4. **Incurred Expenses.**
   PGCC shall not be responsible for any expenses that Offerors may incur in preparing and submitting Proposals or in making oral presentations of their Proposals, if required.

5. **Payment.**
   The College issues payments on a net 30 day basis for PGCC approved invoices. Payment provisions shall be in arrears, with late payment and interest calculated as provided by Maryland law. For purposes of determining whether a prompt-payment discount, if applicable, may be taken by PGCC, the starting date of such reckoning period shall be the later of the date of a properly executed invoice or the date of completion of service and/or delivery of product.

6. Intentionally Left Blank
7. Confidentiality.

7.1. PGCC’s Information during the Procurement Process: The selected Contractor may have access to, may obtain, or be given confidential information, including without limitation information concerning the College’s business strategies, political and legislative affairs, students, faculty, employees, vendors, contractors, customer lists, finances, properties, methods of operation, computer and telecommunication systems, and software and documentation. Certain confidential information may be protected under the Family Educational Rights and Privacy Act (“FERPA”), the Gramm-Leach-Bliley Act, and the Maryland Public Information Act. The selected Contractor must have administrative, technical, and physical safeguards to protect the security, confidentiality, and integrity of the PGCC’s confidential information. PGCC may conduct discussions with Offerors in order to evaluate their abilities and responsiveness to the RFP. In order to facilitate the discussions and to allow Offerors to propose responsive solutions to PGCC’s needs and requirements, PGCC is willing to disclose certain confidential information to Offerors, including without limitation information concerning PGCC’s business strategies, political and legislative affairs, students, employees, vendors, contractors, customer lists, finances, properties, methods of operation, computer and telecommunications systems, and software and documentation (“Confidential Information”). By submitting a proposal in response to this RFP, Offerors agree: (i) to use Confidential Information solely for purposes of responding to and discussing the RFP; and (ii) not to disclose, permit or cause use of, or provide access to Confidential Information to any third person or entity. Upon request by PGCC, Offerors may be required to sign a Non-Disclosure Agreement.

7.2. Offeror’s Information: Offerors should give specific attention to the identification of those portions of the Proposal that the Offeror deems to be confidential, proprietary information, or trade secrets and provide any justification why such materials, upon request, should not be disclosed by the State under the Access to Public Records Act, State Government Article, Title 10, Subtitle 6, Annotated Code of Maryland. Offerors are advised that, upon request for this information from a third party, the Procurement Officer is required to make an independent determination as to whether the information may or may not be disclosed to the requesting party. That decision will take into consideration the Offeror’s position regarding its Proposal. A blanket statement by a Offeror that its entire Proposal is confidential or proprietary will not be upheld.

8. Multiple Proposals.
Contractors may submit more Proposal, per service/program category.

Contractors may submit an alternate to the solution given in this RFP.

10. Contractor Responsibilities and Use of Subcontractors
The College shall enter into contractual agreement with the selected Contractor(s) only. The Contractors(s) shall be responsible for all products and/or services required by this RFP. PGCC will consider Proposals that reflect primary and secondary service providers or a prime/subcontractor relationship. There should be proof of ability of the primary to
manage a subcontractor and successfully coordinate the delivery of quality service and support in a timely manner. Subcontractors, if any, shall be identified and a complete description of their role relative to the proposal shall be included. PGCC’s intent is not to direct the use of any particular subcontractor, however, PGCC strongly encourages the Contractor to consider the utilization of local MBEs when possible. In addition, the Contractor may not contract with any such proposed person or entity to whom PGCC has a reasonable objection. Notification of such objection will be made by PGCC within fifteen (15) days of Contract. The Contractor shall be fully responsible for the acts and omissions of its subcontractors and of persons directly or indirectly employed by them. The use of subcontractors does not relieve the Contractor of liability.

11. **Access to Contractor Records for Quality Assurance and Auditing Purposes.**
The Contractor and its principal subcontractors must provide access to pertinent records by College personnel or its representatives (including internal auditors, external auditors, representatives, and agents) to provide quality assurance and auditing.

12. **Arrearages.**
By submitting a Proposal, an Offeror shall be deemed to represent that it is not in arrears in the payment of any obligation due and owing the College, including the payment of taxes and employee benefits and that it shall not become so in arrears during the term of the Contract if selected for Contract Award.

13. **Taxes.**
Contractor shall exempt PGCC from taxes as applicable. Exemption Certificates shall be provided upon request.

14. **RFP Response Materials.**
All written materials submitted in response to this RFP become the property of PGCC and may be appended to any formal documentation that would further define or expand the contractual relationship between PGCC and the Contractor(s).

15. **Maryland Public Ethics Law, Title 15.**
The Maryland Public Ethics Law prohibits, among other things, State employees or officials (and in some cases, former employees) and businesses in which such an individual is employed or holds a financial interest from: (i) submitting a bid or proposal; (ii) negotiating a contract; and (iii) entering into a contract with the governmental unit with which the individual is affiliated per the Maryland Code Annotated, State Government Article, § 15-502.

If the Offeror has any questions concerning application of the State Ethics law to the Offeror's participation in this procurement, it is incumbent upon the Offeror to seek advice from the State Ethics Commission: The Office of The Executive Director, State Ethics Commission, 9 State Circle, Suite 200, Annapolis, Maryland 21401. For questions regarding the applicability of this provision of the Public Ethics Law, call the State Ethics Commission’s toll-free phone number, 877-669-6085, or see the website, [http://www.ethics.maryland.gov](http://www.ethics.maryland.gov). The Procurement Officer may refer any issue raised by
a Proposal to the State Ethics Commission. The Procurement Officer may require the Offeror to obtain advice from the State Ethics Commission and may reject a Proposal that would result in a violation of the Ethics law.

A resulting Contract is cancelable in the event of a violation of the Maryland Public Ethics Law by a Contractor or any State of Maryland employee in connection with this procurement.

16. **Assistance in Drafting.**
Under the State Government Article, § 15-508 of the Annotated Code of Maryland, an individual or person who employs an individual who assists an executive unit in drafting specifications, an invitation for bids, a request for proposals for a procurement, or the selection or award made in response to an invitation for bids or request for proposals may not submit a bid or proposal for that procurement or assist or represent another person, directly or indirectly, who is submitting a bid or proposal for that procurement. For questions regarding the applicability of this provision of the Public Ethics Law, call the State Ethics Commission’s toll-free phone number, 877-669-6085, or see the website, [http://www.ethics.maryland.gov](http://www.ethics.maryland.gov).

17. **Addenda Acknowledgment.**
Offerors must acknowledge in writing the receipt of any and all addenda, amendments, and/or changes issued. Such acknowledgement must be included in the Technical Proposal.

18. **Duration of Offers.**
Proposals (consisting of a Technical Proposal and, if applicable, a Price Proposal) shall remain irrevocable for 120 days following the closing date of the Price Proposal due date. This period may be extended by mutual agreement between the Offeror and the College.

19. **Minority Business Enterprises.**
Minority Business Enterprises (MBE) are strongly encouraged to respond to this solicitation notice. If a sub-contracting goal and/or subgoals has been set in Section I of the solicitation, refer to Appendix M for further information regarding required process and documentation.

20. **Living Wage Requirements.**
A solicitation for services under a contract valued at $100,000 or more may be subject to Maryland’s Living Wage requirement, located at Maryland Code Annotated, State Finance and Procurement Article, Title 18, §§ 18-101 through 18-109. Additional information regarding the Living Wage requirement is contained in Appendix B, if applicable to this solicitation. An Offeror that fails to submit and complete the Affidavit of Agreement contained in Appendix B, if applicable, may be deemed not responsible by the Issuing Office. The College reserves the right to waive this requirement at any time during the procurement process.
21. **Conflict of Interest.**
The Contractor awarded the Contract shall provide the specified services for PGCC, and must do so impartially, and without any conflicts of interest. If the Procurement Officer makes a determination that facts or circumstances exist that give rise to or could in the future give rise to a conflict of interest within the meaning of the provisions described in the solicitation, the Procurement Officer may reject a Contractor’s Proposals. Contractors should be aware that the State Ethics Law, State Government 15-508, might limit the selected Contractor’s ability to participate in future related procurements, depending upon specific circumstances. Refer to Paragraphs15 and 16 above. By submitting a response to the solicitation, the Contractor affirms its understanding and compliance with this clause.
