The following amends the above referenced RFP documents. Receipt of this addendum is to be acknowledged by completing the enclosed "Acknowledgement of Receipt of Addenda Form" and including it in the Technical Proposal. The Solicitation Schedule is subject to further change modification, as required by the College.

1. Section 4. Response Requirements, 5th Bullet Point, is deleted and replaced in its entirety with the following:

   Therefore, proposers are to provide proof of all required, active/valid certifications and licenses (and laboratory accreditations, as required).

   Note: Awarded Third-Party Inspector(s) of Record must not be affiliated with either the Registered Design Engineers of Record and/or the selected General Contractor (and its hired subcontractors).
