RECITALS. The Contractor has been awarded a contract to provide services (the "Services"), as needed, for PGCC upon the terms and conditions set forth herein, and the Contractor is willing to undertake the Services upon such terms and conditions. The Contractor represents that the Contractor is qualified to render the Services required by PGCC.

NOW, THEREFORE, PGCC and the Contractor agree as follows:

1.0 PROFESSIONAL SERVICES

1.1 The Contractor shall perform the non-exclusive Services as described in Attachment A of this Agreement.

1.2 Services shall be performed in accordance with a schedule of activities agreed upon by the Parties issued as a Work Order by the College. The Contractor will provide all the necessary equipment, materials, and personnel to perform the Services in as expeditious a manner as is consistent with good professional skill and care and the orderly progress of the Services. In the event of any conflict in terms between Attachment A of this Agreement and the terms and conditions of this Agreement, the terms and conditions of this Agreement will take precedence.

1.3 PGCC will designate a staff member to act as manager ("Project Manager") between the College and the Contractor. Throughout the period of the Services, copies of
all correspondence, work products, specifications, estimates, and other materials prepared by the Contractor should be directed to the Project Manager and also to any other PGCC personnel designated by the Project Manager. Direct contact or communication by the Contractor with other PGCC offices or any other entity concerning the Services shall be made only with the prior knowledge and approval of the Project Manager.

1.4 The professional contractor for the Services shall be the same person identified in this contract unless (a) a change is requested by the Contractor and approved in writing by the Project Manager; or (b) a change is requested in writing by the Project Manager for good cause, in which case the Contractor shall make an appropriate substitution, subject to PGCC’s approval, and notify PGCC in writing. Major changes in the Contractor’s organization or personnel (other than the Contractor) shall be reported to PGCC in writing as they occur.

1.5 If applicable, any amendments to this Agreement, are made a part of this Agreement unless expressly contradicted by a term or condition of this Agreement. The Scope of Services which is set forth as Attachment A is made a part of this Agreement.

2.0 FEES AND PAYMENTS

2.1 The Contractor’s rates shall not exceed the fixed rates/fees provided in Attachment A and all such rates/fees include all expenses in the performance of the Services. Payments shall be made upon acceptance of deliverables as outlined in Attachment A of this Agreement or in Work Orders/written directives issued by PGCC. The maximum fee for all services provided under this Agreement shall not exceed $200,000.00 unless modified by an amendment or the reissuance of a Purchase Order, at a later date. The College does not guarantee the Services. The College shall issue Work Orders to the Contractor, as needed.

2.2 Payment requests (invoices) shall be submitted electronically to the Accounts Payable Department, Prince George’s Community College, 301 Largo Road, Largo MD 20774 at accounting@pgcc.edu and to the Project Manager.

2.3 Payment shall be paid within 30 days after PGCC’s receipt and acceptance of an undisputed invoice.

2.4 The Contractor shall include along with each invoice a summary of work/activities completed during the work period being invoiced. The Contractor shall clearly reference the Purchase Order or Contract number; the type of billing, i.e., the deliverable; and additional information as may be specifically required elsewhere in this Agreement.

2.5 No invoice will be processed if there is a dispute between PGCC and the Contractor as to the current or cumulative Services provided.

2.6 PGCC’s approval of periodic payments to the Contractor shall not constitute, in any
sense, approval or acceptance by PGCC of the work performed through the date of the invoice or of the Contractor’s assertion of percentage of the Services completed through the date of the invoice.

2.7 It is understood that there is no guarantee of dollar amount of work under this Contract. Payment will be issued on Services rendered. Adjustments to payments for non-performance may be taken by the College, at its sole discretion.

2.8 As an independent contractor of PGCC, no withholding of income tax, Social Security, or other sums will be made from the payment to the Contractor.

3.1 Upon completion and delivery of each deliverable by the Contractor, PGCC will begin the evaluation and acceptance process, which shall include, but not be limited to, the steps described below. Payments, in accordance with Section 3 of this Contract will be based on the completion/delivery of a deliverable by Contractor and acceptance by PGCC of each deliverable. The Contractor will demonstrate to PGCC that the deliverable has been completed or has occurred and will provide PGCC with written notice of the same.

3.2 Within the time period specified in the Contract including any Contract Amendments, or if not specified, then within five (5) business days of receipt by PGCC of a scheduled deliverable from the Contractor, PGCC shall determine whether such deliverable Materially Conforms to the specifications defined in the Contract. As used herein, the term “Materially Conforms” means that the deliverable is ready to be used in production and meets or exceeds its intended functionality and performance. If the deliverable Materially Conforms to the specifications, then PGCC will provide written confirmation to the Contractor that the deliverable is accepted.

3.3 If the deliverable does not Materially Conform, PGCC shall immediately return it to the Contractor with a written list of deficiencies. The Contractor, at no additional cost to PGCC, shall thereafter make all appropriate and necessary fixes to the deliverable and return it to PGCC within the time period specified, or if not specified, then within ten (10) business days for further evaluation by PGCC. If the deliverable again fails to Materially Conform, then this same process will be repeated one more time. If the deliverable fails to Materially Conform to the specifications after delivery for the second time then PGCC may, at its sole discretion, (a) further extend the timeframe for cure and (b) extend the warranty period, if applicable, or (c) begin the termination process as defined in Section 6.3 of this Contract. If PGCC does not elect to terminate this Contract after the second failure, it has not automatically waived its right to do so following any additional failed attempt at correction by the Contractor to which the Parties may agree.

3.4 If either party fails to meet the evaluation period described above, or any other periods of time as mutually agreed to, the other party may declare the Contract has been materially breached and begin the termination process as defined in Section 6.3 of this Contract.
