### MEMORANDUM OF UNDERSTANDING PRINCE GEORGE'S COMMUNITY COLLEGE & TOWSON UNIVERSITY

**September 18, 2018** 

#### ALLIED HEALTH B.T.P.S. Degree

Prince George's Community College, Largo, Maryland, and Towson University, agree to follow the articulation of courses outlined in the articulation (course equivalency) document, for completion of requirements for the Bachelor of Technical and Professional Studies degree in Allied Health (Attachment A), which is attached to, and incorporated by reference into, this Memorandum of Understanding (MOU). The following principles guide the operation of this MOU, with the requirements for transfer in specific curricula set forth in Attachment A.

- 1. Towson University will accept a maximum number of 64 credits from Prince George's Community College as outlined in the Attachment A. The number of transferable credits specific to this program is reflected in Attachment A.
- 2. Students who have completed the Associate of Applied Science Degree in the Health Information Technology program at Prince George's Community College may transfer into Towson University's Allied Health program with junior standing provided that the student has completed all courses identified on Attachment A (which is attached to, and incorporated by reference into, this MOU) with a cumulative GPA of 2.00 or higher. Courses completed at Prince George's Community College with 300- or 400-level Towson University course equivalencies will transfer as lower-level credit but will satisfy course content as indicated.
- 3. Only courses in which a grade of C (2.00) or better is earned will apply toward the major at Towson University.
- 4. In accordance with the MHEC transfer policy pertaining to general education requirements, Towson University will accept the completion of Prince George's Community College's general education requirements (GenEds) and students will be required to complete courses at Towson University to satisfy the remaining *University Core* requirements as shown in Attachment A.
- 5. Towson University recognizes college-level experiential learning gained through previous work, military and/or volunteer service or life experience. Credit for prior learning may also be established through course challenge or standardized credit by examination.
- 6. Prince George's Community College students transferring to Towson University will be given every consideration for financial aid and will be eligible to compete for academic scholarships upon entrance to Towson University subject to stated scholarship deadlines.
- 7. Both Prince George's Community College and Towson University agree to work together to facilitate the transfer of students from Prince George's Community College to Towson

University to work cooperatively to insure the high quality of the programs at the respective institutions. Transfer of students will be in accordance with policies and procedures of both institutions, as they may be amended from time to time.

- 8. This MOU will be in effect initially for ten years, beginning *fall 2018*, with a review every two years by both parties. Any revisions the parties deem necessary must be evidenced in writing and signed by the authorized officials of each institution. The MOU may be terminated by either party for due cause and after adequate notice of not less than six months is given to the other party.
- 9. Towson University will establish procedures to provide information on the academic progress of Prince George's Community College students enrolled as part of this MOU.
- 10. This MOU, when signed, constitutes the entire agreement between the parties and supersedes all prior agreements and understandings between the parties respecting the matter hereof.

<sup>\*\*</sup>Requires Course Directive for Core placement.

## PRINCE GEORGE'S COMMUNITY COLLEGE – HEALTH INFORMATION MANAGEMENT A.A.S. DEGREE TOWSON UNIVERSITY – ALLIED HEALTH B.T.P.S. DEGREE

### **PGCC Course Selection**

#### **COURSE PREREQUISITES:**

1) BIO 2050 Anatomy and Physiology I requires a prerequisite of BIO 1010 General Biology or BIO 1140 Principles of Biology. Health science practitioners may complete a departmental placement test in place of BIO 1010 or BIO 1140. Students who do not complete BIO 1010 or 1140 will still satisfy the Core Curriculum at TU with completion of BIO 2050 and BIO 2060.

**NOTE:** Students choose one of six tracks: Administration and Management, Advanced Respiratory Therapy, Education, Family Studies, Health Promotion, Wellness, Prevention & Community Health Education, or Science and Professional Preparation. A list of possible course electives for each track is available in the TU catalog. Other course selections are possible, subject to the approval of the program director. All students will complete an ethics course and a capstone course; the required ethics course varies by track. Each student's program of study and the courses they choose must be approved by an Allied Health advisor.

# PRINCE GEORGE'S COMMUNITY COLLEGE – HEALTH INFORMATION MANAGEMENT A.A.S. DEGREE TOWSON UNIVERSITY – ALLIED HEALTH B.T.P.S. DEGREE

TOTAL UNITS TO B.T.P.S. DEGREE:	120 UNITS	
PGCC Health Information Technology A.A.S. Degree	64	
Completion of Core Curriculum at TU	15	
TU Allied Health Major	24	
General Electives	17	

### **Additional Bachelor's Degree Requirements:**

- A C (2.0) or higher is required in all major and minor courses.
- A cumulative grade point average (GPA) of 2.0 is required.
- 32 units of the bachelor's degree must be completed at the upper level (courses numbered 300 or above).
