Alumni Association
The Prince George's Community College Alumni Association is open to students who have completed at least 15 credit hours. Alumni Association members receive newsletters, invitations to various campus events, and access to the library, career, and computer centers. Benefits also include discounts for the college bookstore, the association's annual scholarship golf tournament, theatre production tickets, the Robert I. Bickford Natatorium (includes 50-meter pool, weight room, and racquetball courts), and computers purchased through the employee plan. Upon graduation or transfer to a four-year institution, students are eligible to receive one year of free membership. Thereafter, the annual fee is $25.00. For additional information or a membership application, please contact the Office of Institutional Advancement, Accokeek Hall, Room 312, or call 301-546-0858.

Banking
The college has five automated teller machines (ATMs) on campus. There are four located on the Largo campus and one located at Prince George's Community College at University Town Center. There is one Bank of America ATM located in the Largo Student Center across from the college bookstore. There is also an Educational Systems Federal Credit Union ATM located on the second floor of the Largo Student Center at the top of the main stairs. In addition, there are three HigherOne ATMs on campus. There is one HigherOne ATM located in the Largo Student Center also across from the college bookstore, one located in Bladen Hall next to the Campus Police Substation, and one ATM located at Prince George's Community College at University Town Center. They are all available for use during the college's normal operating hours.

College Police Department/Campus Safety
College police provide continuous security and law enforcement to the college community. College police officers provide 24-hour patrol and may be reached by telephone and two-way radios to provide information and respond to emergencies. Officers can instantly communicate with the county fire department, emergency medical service, and local police when needed. College police are available to escort students to their cars upon request. College
police officers are trained in advanced first aid and certified as police officers.

Report a crime or suspicious activity to the college police at 301-546-0666 when off campus and extension 0666 when on campus. Incidents occurring at one of the degree/extension center locations should be reported to the supervisor on duty.

Do not leave personal objects (wallet, purse, or books) unguarded. Engrave or mark your personal belongings with an identifying name or symbol. Remember to fasten all security devices. Do not leave property visible in your car. Lock your doors and trunk when parking and report stolen articles quickly and in as much detail as possible.

**If you see a suspicious person**
Call the college police at once. Do not approach the person yourself. Report the type of suspicious activity and give a general description of the subject (number of persons, sex, race, dress, vehicle, and location). College police will investigate your report immediately. If all members of the campus community become security conscious and report suspicious activity, thefts and related incidents will be measurably reduced.

**If you see a suspicious package**
Do not handle it; contact the college police by calling 301-546-0666.

**If you are assaulted**
Call the college police as soon as possible. Try to remember as much about the person as possible. Important characteristics include: sex; race; hair color, length, and texture; body size; clothing; scars and other noticeable marks; mode of travel; and type of vehicle, color, and license number. The campus will be searched immediately for suspects, and neighboring police agencies will be notified.

**If you receive a bomb threat**
It is important to remember not to panic and to obtain as much information from the caller as possible. The things to ask include: 1) location of bomb, 2) time of explosion, and 3) description of bomb. Observe the caller’s voice and any background noises you may hear. Call college police immediately. They will take appropriate action.

**Fire Safety/Evacuation Procedures**

1. Learn where exits are now.
2. Participate in fire drills.
3. In case of fire, smoke, or irritating fumes
   - Don’t hesitate—sound alarm.
   - Leave the building.
     - Crawl if there is smoke.
     - Do not use the elevators; they are dangerous in fire.
     - If possible, take the exit across to the adjacent building instead of taking the stairs.
     - Otherwise, take stairs. Stairways are designed to be free of smoke and fire when fire doors are closed.
   - If you are disabled
     - Plan ahead
     - Know how to tell someone how to help you.
     - Learn more than one exit from all buildings.
To help someone else get down the stairs:
- Partner with another person for the two-person carry.
- Position yourselves on either side of the person needing help; have them grasp your upper arms or shoulders.
- Place the arms of the person you’re helping around your shoulders and the shoulders of the other helper.
- Look for areas of refuge, for example, on the other side of the fire doors away from smoke, fire, or danger.
- Call 0111 (emergency dispatcher) on a campus phone, report location of fire, and give any other pertinent information. The campus alarm does not automatically notify firehouse.

4. Fire Extinguishers

Only use extinguishers if you are trained and knowledgeable in their use. Fire extinguishers are only effective for very small fires. If an extinguisher doesn't put out the fire, leave immediately and call for help. Even if you think the fire is out, call for help.

Degree/Extension Centers

There are currently six degree/extension centers—Prince George's Community College at Joint Base Andrews, Laurel College Center, Prince George's Community College at University Town Center, Prince George's Community College at John Eager Howard Community Center, Prince George's Community College at Westphalia Training Center, and the Skilled Trades Center. Classes at degree/extension centers are identical in title, number, course content, credit, and transferability to those offered on the Largo campus. All college policies and academic regulations in effect on the Largo campus also apply at the degree/extension centers. Additional information can be found at www.pgcc.edu/go/extctr.

Emergency College Closings/Delayed Openings

It is the practice of the college to hold all regular classes on all days scheduled on the college calendar. Should an emergency arise that requires the cancelation of classes and activities, the following radio stations will be asked to announce the college's closing shortly after the decision is made—WMAL, WRC, WTOP, WGAH, WAVA, WASH, WHUR, WPGC, and WWMX. The following TV stations will be asked to announce the closing—WRC (4), WTTG (5), WJLA (7), WUSA (9), and NewsChannel 8. Information concerning the college closing can also be obtained on the college website at www.pgcc.edu. Students are encouraged to register with Owl Alert. Those registered will receive a cell phone text-message and an e-mail if an e-mail address is registered.

In case of hazardous weather, degree/extension center classes will be canceled at local public school locations when the Prince George’s County Board of Education announces that the public schools will be closed. Other sites, such as Prince George’s Community College at Joint Base Andrews, Laurel College Center, and Prince George’s Community College at University Town Center will follow the Largo campus weather schedule. If the Largo campus closes as a result of inclement weather, classes at degree/extension centers and sites will be canceled.

When the college announces a delayed opening, all classes with at least 45 minutes of class time remaining at the time of the opening will be held. For example, in the event of a 10 a.m. opening, a 9:30–10:45 a.m. class will be held. This procedure applies to all credit classes.

Lost and Found

All lost items can be returned or claimed within 30 days at the College Life Services front desk in the Largo Student Center. After 30 days, items are donated to local shelters. College Life Services is open Monday–Thursday, 8:30 a.m.–8 p.m., and closes at 5 p.m. on Fridays. For additional information, contact 301-546-0853.
Parking on Campus
Parking on campus is available free to all students, employees, and visitors to the college. All motor vehicles operated on campus must display a parking permit in the front window regardless of ownership (with the exception of those in designated visitor parking areas). Parking policies at degree/extension centers and off-campus locations vary, and in some cases students and visitors may be required to pay.

Any registered credit student may receive a parking permit at the college police substation located in Bladen Hall. Parking and traffic regulations apply to all who drive on any part of the Largo campus. Any vehicle parked in a student or staff parking lot without displaying the appropriate parking permit may be ticketed or towed. Parking permits are available three weeks after classes begin each semester. See course schedule for parking permit requirements.

Parking for Students with Disabilities
The Health Education Center, Bladen Hall, Room 132, issues temporary permits for close-in parking when a driver—1) has a physical disability of a temporary nature or 2) needs a “grace” period to obtain the permit for permanent disability from the Motor Vehicle Administration (MVA). All requests for close-in parking will be considered on the basis of need, as determined by the professional judgment of the college nurse.

Persons who have permanent disabilities are advised to obtain permits from the MVA as soon as possible. A PGCC permit may be issued to allow time for obtaining the MVA permit. This grace period will not exceed two months.

Photocopying
Photocopy machines are available for a fee and are located in the library (Accokeek Hall) on the Largo campus. A vending copier is available for student use at Prince George’s Community College at University Town Center in Hyattsville, Room 201, the student lounge.

Smoking and Tobacco on Campus
Prince George’s Community College is a smoke/tobacco-free college and workplace. The purpose is to create a safe, clean and healthy environment for students, faculty, staff and visitors. This policy applies to the Largo campus and applicable extension centers. Use of tobacco or tobacco related products shall not be permitted in any enclosed place or outdoors on all Prince George’s Community College campus property, including parking lots.

Social Media Expectations
Social media expectations apply to Prince George’s Community College students who share content on college-sponsored social media. Students should safely and effectively share lawful, respectful, and relevant content that furthers the mission and vision of the college using the same social constructs they would follow in face-to-face communication. The following activity is prohibited on Prince George’s Community College social media pages:

- Posting content that violates state or federal law
- Commercial or political activity
- Online gambling
- Endorsement of any product, service, or private organization
- Posting personal information or material protected by copyright
- Posting viruses or Trojan-infected content
• Uploading pornographic content or images that depict hazing, harassment, vandalism, or alcohol or drug paraphernalia
• Using inappropriate or profane language
• Demeaning other users
• Sharing information that could potentially harm an individual, organization, or institution

Remember, when using college social media:
• Be respectful of all viewpoints
• Adhere to all Prince George's Community College technology and computing policies
• Review the terms of service for each social media platform

The Prince George's Community College logo and visual identity are trademarked and cannot be used without permission from the Office of Marketing and Creative Services.

Prince George's Community College may choose to use content generated by members of the college's online community on the main website at www.pgcc.edu, on official social media sites, and for marketing purposes. To join the college's online community, visit www.pgcc.edu and look for social media badges on the home page.

**Student ID Cards**

All students must obtain and carry a college issued photo ID card. The college expects that students will be able to provide their college photo ID upon request and as a requirement prior to the use of college facilities and services. All credit students must have their validated PGCC photo ID card visible.

New students may obtain an ID card at the library, the Admissions and Records Office, or from the Weekend Office, after registration in their first semester. A paid tuition receipt and another photo ID card or a current passport/work authorization card/permanent resident card must be presented before obtaining a new ID card. Returning students should go to the Admissions and Records Office in Bladen Hall, Room 126, the library circulation desk in Accokeek Hall, or the Weekend Office in Marlboro Hall, Room 1095 to have their ID cards validated for each semester of enrollment.

**Admission and Records Office photo ID hours:**
Monday–Thursday, 8:30 a.m.–7:30 p.m.
Friday, 8:30 a.m.–4:30 p.m.

**Library photo ID hours:**
Monday–Thursday 10 a.m.–5 p.m.
Friday, 10 a.m.–3 p.m.

**Weekend Office**
Saturday, 8:30 a.m.–4 p.m.
Sunday, 12:30 p.m.–4 p.m. (fall and spring semesters only)

Photo ID cards and validation stickers are also available at Prince George's Community College at University Town Center, Laurel College Center, and Prince George's Community College at Joint Base Andrews degree centers.

Your photo ID will allow you access to various college departments and services, including but not limited to the library, computer labs, testing center, natatorium, campus special events, and as identification at the college bookstore. Students who lose their ID card must pay a $10 re-issue fee.
Academic Information
Chapter 2

Academic Calendar
The official academic calendar for each semester is published in the schedule of credit classes. It is also available on the college website (www.pgcc.edu) and on mypgcc.edu, under academic resources.

Academic Complaints
Complaints of an academic nature are generally resolved within the division offering the course in which the complaint occurs. Questions about grades and performance in class normally should be discussed first with the instructor. Complaints that are not resolved in this fashion, or that are not suitable for resolution in this way, should be referred to the department chair, who will attempt to resolve the issue. If this is not successful, the dean, as the administrative supervisor of the division's faculty, will examine the complaint and provide a ruling. Appeals of decisions in academic matters may be directed to the vice president for academic affairs or designee. Appeals of other matters, particularly those related to student conduct, may be referred to the vice president for student services, Kent Hall, Room 119. Concerns arising at one of the off-campus centers should be brought to the attention of the supervisor on duty.

Academic Standing
Students whose cumulative GPAs and course completion rates meet the college's criteria are considered to be in good academic standing. Those who fail to meet these criteria are placed in one of three other categories, depending on the current semester grades and their status at the end of the previous semester. These categories are as follows:

- **Academic Warning**, which limits enrollment to a maximum of 13 credits in a given semester.
- **Academic Restriction**, which limits enrollment to two classes, as prescribed by an advisor.
- **Academic Dismissal**, which prohibits enrollment for one or more semesters.

A complete explanation of the categories, as well as the criteria for good academic standing, can be found in the college catalog.

Students who are receiving financial aid should be aware that standards of progress for students receiving federal financial aid may be more stringent than standards held by the college. Students are responsible for knowing and meeting both sets of criteria if they are receiving financial aid.
Changes to Personal Information
Every student is responsible for keeping the college informed of changes to name, address, phone numbers and e-mail address as soon as they occur. Changes may be submitted online, through Owl Link, or via fax (301-546-0119). Changes also can be submitted at any degree center. While post office boxes may be used as mailing addresses, they may not be substituted for legal addresses. Students who wish their mail to go to a post office box must submit proof of legal residence before the post office box can be used. Mail returned to the college as nondeliverable because of an incorrect address will result in a hold being placed on the student’s record until the address has been verified with appropriate documentation.

Note: name changes will not be accepted unless a copy of the legal basis for the change is submitted (i.e., a marriage license, court order, or similar document).

Attendance
All students are expected to regularly attend classes. Those who are absent from one or more classes will be held responsible for material missed during their absence. Individual faculty members (or the members of a department collectively) may establish specific attendance requirements for passing and achieving particular grades in individual courses. Students will be notified in writing of any such requirements at the beginning of the term. Copies of all such requirements also will be on file in the office of the division offering the course. It is the student’s responsibility to clearly understand any announced attendance requirements for a course he or she is taking and to act accordingly.

Schedules of Classes
The college publishes three credit schedules of classes—fall, spring, and summer—each year. Each schedule contains lists of courses being offered, the official academic calendar, the final examination schedule, and a variety of other important dates and deadlines that are not published anywhere else. The schedule is available online prior to the start of registration. Limited numbers of printed schedules are available upon request at all college locations.

Final Exam Schedule
The final exam schedule is included in the schedule of classes and is posted online. The last week of credit classes in the fall and spring semesters is scheduled differently from previous weeks so that comprehensive final examinations may be given. While not all credit classes may include comprehensive final exams during this time, all classes will meet for the scheduled time for whatever activities the instructors feel are appropriate to conclude the semester.

Students are responsible for knowing when their courses’ final meetings will be and for planning their time accordingly.

Grade Reports
Grades may be viewed online through Owl Link as soon as they are submitted and verified. The college no longer mails grade reports. Students who have an outstanding debt with the college will not be able to view grades until the debt is paid.

Students who wish to receive their grades by mail must request that service in writing at the Office of Admissions and Records each semester.

Any student who wishes to question a grade should contact the instructor of the course within 30 days of the electronic posting of the grade. Appeals that are filed after 30 days of the electronic posting of the grade will not be considered.
Early Warning Notices
Many faculty issue early warning notices to students whose attendance and/or academic progress in the class within the first three to four weeks of class has been poor. The notice is forwarded to you via your Owl Mail account and to your advisor. Be sure to check your e-mail on a regular basis for important messages and follow up with your professor and your advisor should you receive an early warning message. The college offers many support services to assist you in achieving your academic and personal goals. For further information, contact Retention Services at 301-546-0840.

Graduation Requirements
Students are eligible to graduate upon successful completion of all courses listed for their curricula. The application for graduation is available at no cost via Owl Link and must be completed and submitted according to the following. Deadlines for submitting the application are September 14 for the fall semester, February 16 for the spring semester, and July 18 for the summer.

Though degree requirements may change from catalog year to catalog year, the changes do not apply to students already in a program. Students should therefore follow the requirements of the catalog in effect at the time of their first enrollment. Students who stop attending PGCC for a period of two years or more should follow the requirements in effect at the time of re-enrollment. Students can check progress toward graduation through Owl Link by running an academic program evaluation. See an academic advisor if you have questions about the requirements that apply to you. The e-mail address is advising@pgcc.edu.

**Records Disclosure Notice to Students**
The Family Educational Rights and Privacy Act (FERPA) gives students certain rights with respect to their educational records. See page 128 for more detailed explanation.

**Refunds**
The college’s refund policies and deadlines for each semester are published in the schedule of classes. Refunds will not include the application fee or the registration fee. Forms received after the deadline will be processed as withdrawals but will not generate a refund.

**myPGCC**
Access all online college services and information using the myPGCC portal. This is accessible from the main page of the college’s website. View college announcements, current events, sports schedules, e-mail (Owl Mail), Blackboard, your personal calendar, all of your personal student academic information located in Owl Link and more—all in one place.

**Owl Link**
Owl Link is the name of the Web student system at Prince George's Community College. It empowers you, as a student at Prince George's Community College, to access important online services. Using Owl Link you will be able to register and pay for classes, and view the status of your financial aid and your final grade reports.

You can print your own unofficial transcripts and class schedules, submit e-mail address changes, and request transcripts to be sent to other colleges. You also will be able to interact with your advisor, run your own degree audits, and run “what if ” scenarios to see how the courses you’ve taken might fit into another degree program. Continuing Education students also may use Owl Link to apply, register for classes, and pay tuition charges.

To access Owl Link, you must be a student at Prince George's Community College and you must have your current, working e-mail address on file. Virtually all Owl Link transactions are acknowledged by e-mail, as are responses to any questions you may submit.
Newly admitted students will receive an e-mail from the college providing information necessary to access Owl Link for the first time. Students having difficulty accessing Owl Link should contact the Help Desk, 301-546-0637 or helpdesk@pgcc.edu.

Owl Mail
All credit students are issued a PGCC e-mail account, called Owl Mail. Students are expected to activate this account immediately. Owl Mail is the only e-mail address college faculty/staff will use when communicating with students. Continuing Education students will be issued Owl Mail accounts only when they are enrolled in courses that require them to use Owl Mail.

Students will be notified by an e-mail to their personal e-mail address as soon as their Owl Mail account is available.

Residency Status
All students are placed in one of three legal residency categories as a direct result of information provided on the application for admission. These categories—1) Prince George's County resident, 2) out-of-county Maryland resident, and 3) out-of-state resident—determine the tuition rate to be paid.

Students who are not citizens of the United States must show their current visa or permanent residency card in order to avoid being charged the out-of-state tuition rate.

The college reserves the right to ask any student to provide acceptable proof of residency at any time. Any mail returned to the college as undeliverable will automatically result in a hold on the student's record until such proof has been supplied. See the college catalog for a listing of acceptable documents to use for proof of residency. Residency status is shown at the top of a student's registration statement.

Transcripts
Official transcripts may be requested in one of three ways: 1) in person, 2) by mail through the Office of Admissions and Records and at any degree/extension center at a cost of $6 per copy or, 3) via the college website at www.pgcc.edu. Web requests cost $8 per copy. Unofficial transcripts are available through Owl Link, the college's student Web system, for current students only.

No student with an outstanding debt to the college may receive a transcript. “On demand” transcripts are available Monday through Thursday, 9 a.m.–7 p.m. and Friday, from 9 a.m.–4 p.m. at the Office of Admissions and Records, Bladen Hall, Room 126. During peak periods, a 24-hour wait may be required. Students who wish to pick up a transcript must provide a picture ID. Unofficial transcripts can be viewed by students online through Owl Link.

Withdrawal from Classes
Students who wish to end their enrollment in any or all classes must officially “drop” or withdraw from them to avoid a failing grade. Students can withdraw through Owl Link or they can complete a “Drop/Add Form,” available at the Office of Admissions and Records, Bladen Hall, Room 126, or at any degree center. Students who are unable to come to the campus may mail or fax to the Office of Admissions and Records a written request to be dropped from one or more classes, provided the courses to be dropped are clearly indicated and the request is received on or before the withdrawal deadline published in the official calendar for that semester. All written requests for course or semester withdrawals must include the student's signature. No e-mailed withdrawal requests will be accepted. Failure to officially withdraw may result in a failing grade.
**Workforce Development and Continuing Education**

Employment trends show that the world is changing and, while a strong academic education is important, it may not automatically ensure your success in the workplace. According to PGCC’s Workforce Development and Continuuing Education (WDCE) area, many jobs now require specialized training with demonstrated industry-specific knowledge. Employers are looking for individuals who can step right in and contribute to their bottom line. Workforce development programs focus on preparing students for immediate entry or advancement in specific career fields and on upgrading knowledge, skills, and abilities to improve personal success. Workforce development focuses on preparing people for real jobs by providing basic job skills training that can supplement an academic education and by preparing students for specific occupational certification.

The college also offers community education, which provides a variety of noncredit cultural, educational, practical, and inspirational programs and classes with something for everyone—for both personal growth and just for fun!

For more information and a list of program offerings, visit WDCE’s Web page on the PGCC website [www.pgcc.edu](http://www.pgcc.edu) and click on class schedules, or visit WDCE offices on the second floor of Kent Hall on the Largo campus.

Services for Students
Chapter 3

Advising and Transfer Services

Academic Advising
The Advising and Transfer Services staff assists students with development of an educational plan to accomplish their educational and career goals. Advisors:

- Interpret placement test scores
- Provide an overview to Owl Link online services and instruction on Student Planning
- Advise on general academic policies and procedures
- Provide information on transfer to other institutions
- Evaluate (unofficially) transcripts from other institutions to determine course eligibility
- Advise on choice of program of study appropriate for educational and career goals
- Assist students with Satisfactory Academic Progress Appeal request
- Assist students with Academic Reinstatement request
- Participate in SOAR (Student Orientation, Advising, Registration) programs for new students
- Refer students to campus programs and services to meet individual needs

International student advisors are also located in Bladen Hall, Room 124. Academic advisement is available for students attending Joint Base Andrews, 301-546-0778; Prince George's Community College at University Town Center in Hyattsville, 301-546-5934; or Laurel College Center, 1-866-228-6110.

Students interested in selective admissions programs such as nursing, radiography, respiratory therapy, nuclear medicine technology, or health information management must meet with an advisor to discuss special procedures to be followed for admission to these programs. The advising office in Largo is open Monday through Thursday, 8:30 a.m.–8 p.m. and Friday, 8:30 a.m.–5 p.m. Students must sign in a half hour prior to the office closing.
Academic Advising Process and Owl Link

Owl Link provides important online services to help students accomplish educational and career goals. Advisors provide students with an overview of Owl Link and the functions of the My Credit Academic Records section of the Credit Students menu. Most importantly, advisors instruct students in the use of the Student Planning tool.

International Student Advising

The college has special testing and advising services for international students. The academic advisors will assist students in determining whether additional coursework is needed to increase English language proficiency. They also will help students select appropriate courses and programs of study and inform them of other resources available to meet their needs. International students who graduate from U.S. high schools and were in an English-as-a-second-language (ESOL or EFL) program during their school years are strongly encouraged to take the Michigan Test. The e-mail address is advising@pgcc.edu.

Student Planning

This online tool allows students to plan coursework in advance, keeping them on track to successfully complete their program of study. Students electronically plan coursework in advance for their entire program of study and then register for those future semesters when registration opens to them. Student Planning combines several tools to check the student’s progress by looking at four areas—1) program requirements, 2) completed coursework, 3) in-progress coursework, and 4) planned coursework.

After logging in to Owl Link and selecting My Credit Academic Records from the Credit Students menu, students can do the following directly through Student Planning:

- Verify academic information.
- Review My Progress for program of study requirements. This tool personalizes program requirements with the student’s coursework and provides a thorough report of an individual student’s academic progress. Planned courses immediately appear on the My Progress tool. Course status is updated at the time of registration and again after course completion.
- Students select courses from learning foundations, general education, and program concentration categories for planning.
- Create a Timeline checking course descriptions and prerequisites for proper course sequencing and select the semester each course will be taken.
- View and change the Timeline.
- Register for planned coursework.
- Contact assigned Advisor or e-mail advising@pgcc.edu with questions about program requirements or course selection.

The Advising and Transfer Services office and Student Planning tool are important resources that assist students in successfully planning and achieving educational goals.

Transfer Advising Services

Students need to plan early for transfer to a four-year college or university. The Advising and Transfer Services staff will assist with transfer needs. Extensive resources are available to provide information about Maryland state universities and some limited resources are available to help with transfer outside of the state. Transfer Day is held each semester and all state universities and many private colleges send representatives to speak
with our students to answer their questions. Special transfer and advising events are sponsored during the year. Look for announcements on myPGCC and on PGCC social media. Workshops for using ARTSYS (http://www.artsys.usmd.edu) are available in the Advising and Transfer Services office. ARTSYS is a Web-based University System of Maryland program that lists the courses you can take at Prince George's Community College that will transfer to all state universities in specific majors. Some private universities are also available on ARTSYS. Make an appointment with Veronica Alford through the Student Self-Service MyAppointment scheduling tool for your own personal workshop. Visit Transfer Services in Bladen Hall, Room, 124, call 301-546-0134 or e-mail, articulation@pgcc.edu. We are open from 8:30 a.m. to 8 p.m., Monday through Thursday and 8:30 a.m. to 4:30 p.m. on Friday. Students must sign in a half hour prior to the office closing.

**ADV-300 (Advising for Academic Success)**
ADV-300 is a student success workshop designed to promote and address satisfactory academic progress and good academic standing. Students will receive information on various academic success strategies and skills. The workshop is delivered in a group setting by professional academic advisors and is scheduled by appointment through the Advising and Transfer Services Office.

**Blackboard (pgcconline.blackboard.com)**
Blackboard is a Web-based program used for online and on-campus courses. Online courses are conducted entirely through Blackboard, with few or no on-campus meetings. When taking an online course, Blackboard is your online classroom. Using Blackboard, online students complete weekly lessons, communicate with their instructors and fellow classmates, take quizzes, submit assignments, and complete other course activities.

All on-campus credit courses use Blackboard as a Web enhancement for posting announcements, the course syllabus, the course schedule, the faculty contact information, and student grades. Faculty may also require students to use Blackboard to access other course documents, take quizzes, and participate in online discussions and activities. It is important for students to communicate with their faculty member to determine how Blackboard is used in each of their courses. Continuing Education students will use Blackboard only when they are enrolled in courses that use Blackboard.

Students will use their Owl Link username and password to login to Blackboard. Students have access to Blackboard while enrolled in classes. Blackboard course sites become available four days prior to the start date of the course and will remain available until two weeks after the end date of the course. For complete details about Blackboard, visit eLearning Services online at www.pgcconline.com or on campus in Accokeek Hall, Room 346 or call 301-546-0463.

**Career Services**
The Career Services staff members help students at all stages of career planning and job acquisition, including career exploration, choice of college major, assistance through career transitions, and assistance in acquiring internship positions or engaging in supervised work experiences that align with their major course of study. Advisors assist students to identify their career goals that use their skills, interests, and values. The staff provides assistance for seeking employment by offering help with job-hunting strategies, interviewing techniques, and resume writing. The office maintains job and internship announcements and a list of currently available positions in the metropolitan area. Various employers visit the campus throughout the year for on-campus recruitment and interviewing. The Career Center is located in Marlboro Hall, Room 2102. To be eligible to participate in the internship program, students must have completed 15 credits, six of which must be in their majors and maintain a 2.0 or higher GPA.
- All students regardless of degree program are encouraged to seek an internship experience that will enhance their learning and marketability with future employers. Please visit the Career Services office for additional information.

**VPC-300**
Sexual assault, dating violence and stalking are occurring on college campuses nationwide. According to a
national survey, 1 in 5 women and 1 in 16 men are sexually assaulted while in college. Though these statistics are
staggering, Prince George’s Community College recognizes that there is something that can be done to address
these problems. That something is to teach students how to help prevent these forms of violence from occurring.

To further this goal, the College has partnered with Everfi to provide Haven to all new students. Haven is
an online sexual violence prevention training. The training consists of interactive modules that addresses sexual
assault, dating violence and stalking.

New students may register for a course called VPC-300 if they are interested in completing Haven in a
supportive environment. VPC-300 is a free, in person course. New students are able to register for a section of
VPC-300 as a Workforce Development and Continuing Education class at no cost to them.

New students also have the option of completing Haven on their own without having to register for and
attend a VPC-300 class. For instructions on how to complete Haven independently, please send an e-mail mes-
 sage to merelasx@pgcc.edu.

Please note that all new students are required to complete Haven during their first semester at the College.
New students who have not completed the training during the first year at the College face the risk of having a
hold placed on their records, which will prevent them from registering for future courses.

For more information about Haven and VPC-300, please contact Simpy Merelan, Program Coordinator of
the Violence Prevention Center, at merelasx@pgcc.edu.

**Notes**
Introduction to College Life Services

Believing there is more to college than academics, the Office of College Life Services provides support and advising to every student organization to promote participation, leadership and personal growth that complement the academic experience. We support the successful fulfillment of student goals and promote student success through our support for leadership programs, college-wide events and activities, entertainment, cultural and social activities and College-wide committees (e.g. College Civility and Disaster Relief) that include the Prince George’s Community College community. Student organizations bring to the campus, nationally and locally renowned speakers and performers. The Office of College Life Services sponsors two major festivals each year, the Caribbean Festival in the spring and the Bluebird Blues Festival in the fall.

Involvement in a student organization helps students meet new friends, joins individuals with similar views, and promotes and celebrates common interests, while building interpersonal skills. Students who participate in student organizations receive opportunities that enrich their college experiences through the development of core competencies that include effective communication, intellectual growth, self-awareness and collaboration with others. Participation in student organizations and leadership programs help students to become more engaged and integrated into campus life and gain more from their college experience. Student governance provides opportunities for student involvement in the administrative, legislative and judicial processes of the College. Students have the opportunity to write articles of interest, poems and short stories in The Owl newspaper and Reflections literary magazine.

Leadership Development

Becoming a student leader is empowering and the College Life Services team at Prince George’s Community College believes involvement in co-curricular activities allows students to become more engaged in campus life and ascertain more from their college experience. Students can choose to participate in one of two Leadership Certificate Programs, the Pathways Student Leadership Program and/or the Maryland Community College
Certificate Program. These programs provide unique opportunities for students to learn skills that they need to possess in order to be effective leaders in campus organizations and in the greater community. These opportunities can give students a competitive edge as they enter the workforce, apply for scholarships, or transfer to a four-year college or university.

The Pathways Student Leadership Program is open to all enrolled students and offers interactive and engaging leadership development opportunities to develop leadership awareness, skills and abilities through a variety of different components such as leadership workshops, retreats and conferences.

**Eligibility and Selection for Student Offices**

Any registered student in credit or non-credit courses is eligible for membership in any organization. Eligibility to seek or hold student offices representing all students requires valid registration for classes, a 2.00 cumulative grade point average and “good standing” with the college. Offices to which this policy applies include the Student Governance Board, the Campus Activities Board, the Student Affairs Finance Board, organization officers and editors of student publications. Offices that require “previous semester” grade-point averages shall use grades earned only during fall and spring semesters. The Office of the Vice President for Student Services or designee will certify eligibility. For more information, contact College Life Services office in the Largo Student Center, Room 149 or call 301-546-0853. **The Student Affairs Finance Board**

The Student Affairs Finance Board (SAFB) is an advisory organization that recommends the allocation of student activities revenues for the student organizations listed on pages 96–97. The SAFB holds hearings throughout the year and makes recommendations to the college president or his/her designee as to the allocations, policies, and procedures involved in the distribution of student activity fee revenues. The SAFB is comprised of students, faculty, and staff members. Copies of the organizational structure, rules and regulations, and appeals process, are available by request from the Office of College Life Services, Largo Student Center, Room 149.

**Student Governance Association**

The Student Governance Association (SGA) is the governing body for the Associated Students (student body) of Prince George’s Community College. The elected students of the SGA are here to serve the student body. SGA executive officers and student representatives who serve on various college committees act as a liaison for students to the administration, faculty, and staff. They provide input that may influence administrative decisions directly affecting students. The Constitution of the Associated Students of Prince George’s Community College is included in the Student Organizational Handbook available in the Office of College Life Services. Students interested in eligibility to seek or hold office on the Student Governance Association may contact the Office of College Life Services in the Largo Student Center, Room 149. The constitution of the CAB appears in the Student Organizational Handbook, available in the Office of College Life Services. The Spring Formal, Caribbean Festival, Spring Fling and Fridays at the Movies are a few of the activities the CAB sponsors.
The Student Publications Board

Only those newspapers and magazines that are approved by the Publication Board may be funded. The following publications are approved by the Student Publications Board:

The Owl Newspaper

How to Create a Student Organization
If there is not a current student organization focused on a particular interest, students are invited to create a new student organization. In order to do so, at least four enrolled students with a minimum grade point average (GPA) of 2.00 must be willing to serve as the leadership team for the new group. The mission of the group must support the co-curricular and social needs of the Prince George's Community College student body. Interested students should consult with staff members in the Office of College Life Services when proposing a new student organization and familiarize themselves with the Student Organizational Handbook which details the requirements, policies and procedures for all student organizations. Copies of the handbook are available in the Office of College Life Services. To become involved in a current student organization or create one of your own, please contact the Office of College Life Services in the Largo Student Center, Room 149. Telephone: 301-546-0853.

Student Organizations
All student organizations at Prince George's Community College are housed within the Office of College Life Services and funded by the Student Affairs Finance Board. These groups are completely organized and run by students, for students, with advice from a faculty or staff advisor. All student organizations support the co-curricular and social needs of the student body and provide a venue of expression for other students. Recognizing the value student organizations contribute to the community, each group participates in one community service project per semester. Also, all club activities with the exception of the Student Governance Board and the Campus Activities Board will end on the last day of class each semester. A listing of student organizations available at Prince George's Community College can be found on pages 98–99.

To become involved in a current student organization or create one of your own, please contact the Office of College Life Services in Largo Student Center, Room 149, or call 301-546-0853.

While most student organizations may change each year depending upon student interest, the student organizations that are advised through College Life Services are organized each year and provide leadership opportunities for students. These organizations are for student governance, student programming, and student publications.

Student Code of Conduct

A. Policy Statement.
Prince George's Community College reserves the right to change the policies and procedures within the Student Code of Conduct throughout the academic year. Once those changes are posted online, they are in effect. The college is afforded this right due to ongoing legislation and state-wide changes in best practices within student conduct. Members of the college community are responsible to stay aware of current policies and procedures. Students are encouraged to check online for the updated versions of all policies and procedures via the following link: http://www.pgcc.edu/uploadedFiles/Resources/pdf/Student_Handbook/StudentHandbook.pdf. Copies of this Code may be obtained from the Office of the Vice President for Student Services, Kent Hall, Room 119. This code will be reviewed and amended as necessary annually.

B. Philosophy and Purpose:
(1) Philosophy: The Prince George's Community College community is committed to fostering a campus environment that is conducive to academic inquiry, a productive campus life and thoughtful study and discourse. The College is comprised of a community of learners, educators, and professionals that value civility and accountability. The student conduct program, housed within the Office of the Vice President for Student Services, is committed to an educational and developmental process that balances the interests of individual students with the interests of the college community.

A community exists on the basis of shared values and principles. At the College, student members of the community are expected to uphold and abide by certain standards of conduct that form the basis of the Student Code of Conduct. These standards are embodied within a set of core values that include integrity, social justice, respect, responsibility, and community standards which are further defined below:
  (i) Integrity: College students exemplify honesty, honor and a respect for the truth in all of their dealings.
  (ii) Social Justice: College students are just and equitable in their treatment of all members of the community and act to discourage and/or intervene to prevent unjust and inequitable behaviors.
  (iii) Respect: College students show positive regard for each other, for property and for the community.
(iv) Responsibility: College students are given and accept a high level of responsibility to self, to others and to the community.

(v) Community Standards: College students build and enhance their community.

The Prince George's Community College Student Code of Conduct, adopted by the Board of Trustees, defines the rights and responsibilities of students and establishes a system of procedures for preserving the academic integrity, safety and welfare of the college community and its visitors. A student enrolling in the college assumes an obligation to conduct himself/herself in a manner compatible with the community standards of this educational institution.

Students who fail to adhere to college policies may be subject to corrective action. The college is committed to providing educational interventions that strengthen ethical and moral progression of its students.

(2) The purpose of the Student Code of Conduct is to:

(i) Ensure that all faculty, staff, and students have a clear understanding of the rules, regulations, and policies on student conduct at the college.

(ii) Hold students accountable for the alleged violations of the code.

(iii) Promote healthy life choices and decision making skills.

(iv) Offer educational interventions to students that violate the code in effort to bring their behavior in compliance with college policies.

(v) Maintain a safe and secure campus through proactive responses to student misconduct.

C. Authority:

(1) The president of the college is the chief student conduct officer for the college and reserves the right to designate another party to facilitate the student conduct program. As such, the vice president for student services owns that designation. The vice president for student services delegates all student conduct matters to the program coordinator for student conduct and community standards, the director of student services operations and/or other key college officials that may serve in this capacity.

(2) All offenses and violations of the Student Code of Conduct committed by students and/or their visitors fall under the jurisdiction of the Office of the Vice President for Student Services.

(i) The vice president for student services, and/or official designee, may immediately impose a warning or interim suspension upon a student when circumstances warrant it.

(ii) If a student is charged with or convicted of an off-campus violation of law, the matter is of no disciplinary concern to the College; however, the College may impose sanctions if the misconduct demonstrated an obvious disregard for the rights of others that affect his/her suitability as a student. In such cases, expulsion is not permitted until the student has been adjudicated guilty in a court of law, and the student shall be reinstated if he/she is acquitted or the charges are withdrawn.

(iii) If alleged violations of this code or other college policies, rules, or regulations occur in connection with a college-sponsored or supervised activity not on college property, the student accused of such violation(s) shall be subject to educational interventions and sanctioning.

(iv) The Student Code of Conduct may be applied to behavior conducted online, via e-mail or other electronic medium. Students should also be aware that online postings such as blogs, Web postings, chats and social networking sites are in the public sphere and are not private. These postings can subject a student to allegations of conduct violations if evidence of policy violations is posted online. The College does not regularly search for
this information but may take action if and when such information is brought to the attention of college officials. However, most online speech by students not involving college networks or technology will be protected as free expression and not subject to this code, with two notable exceptions:

(a) A true threat, defined as “a threat a reasonable person would interpret as a serious expression of intent to inflict bodily harm upon specific individuals”;
(b) Speech posted online about the College or its community members that causes a significant on-campus disruption.

(v) The Student Code of Conduct applies to guests of community members whose hosts may be held accountable for the misconduct of their guests. The Code may also be applied to high school bridge/extension/partner/dual-enrollment and continuing education programs by contractual agreements. Visitors to and guests of the college may seek resolution of violations of the Student Code of Conduct committed against them by members of the college community.

(vi) There is no time limit on reporting violations of the Student Code of Conduct for the following: sexual misconduct, stalking, dating violence, discrimination and harassment; however, the longer someone waits to report an offense, the harder it becomes for college officials to obtain information and witness statements and to make determinations regarding alleged violations.

(vii) Though anonymous complaints are permitted, doing so may limit the College’s ability to investigate and respond to a complaint. Those who are aware of misconduct are encouraged to report it as quickly as possible to the program coordinator for student conduct and community standards and/or to College Police.

(viii) A responding student facing an alleged violation of the Student Code of Conduct is not permitted to withdraw from the College until all allegations are resolved.

(ix) College e-mail is the College’s primary means of communication with students. Students are responsible for all communication delivered to their college e-mail address.

### F. Student Conduct Process

1. Any member of the college community may submit an Incident Report in response to an alleged Student Code of Conduct violation enacted by a student. The vice president for student services and/or official designee has the discretion to dismiss the alleged charges or file formal charges against the respondent. Other forms of reporting that may initiate possible action being taken upon a respondent are as follows:
   - College Police report or a report from another law enforcement agency in the surrounding community and/or state/federal government.
   - Written statement(s) from any member of the college community that indicates a student has allegedly violated the Student Code of Conduct.

2. The Office of the Vice President for Student Services sends all students that may have violated the Student Code of Conduct an official letter informing the student of his/her alleged violation(s) and to attend a Student Rights Information Session. Students are granted seven business days to respond to this letter and attend the Student Rights Information Session.
   - Once this initial letter is sent to an official student e-mail account, that student is known as a respondent for the duration of the conduct process. Upon completion of a Student Rights Information Session, the respondent can decide to accept the charges as they stand (Summary/Informal Resolution) or select a formal hearing.

3. If a formal hearing is selected, the program coordinator for student conduct and community standards and the respondent set a date for the formal hearing. Hearings are scheduled within seven days of the Student Rights Information Session. However, the vice president for student services and/or designee reserve the right to extend this timeframe based on the circumstances of involved parties.
   - If there are any witnesses that would like to give testimony or provide a written statement to be read into the record at the hearing, the Office of the Vice President for Student Services must be made aware of those individuals five days prior to the formal hearing date.

4. The program coordinator for student conduct and community standards has ten days, from the date of the formal hearing, to issue a student conduct hearing outcome letter. The student conduct hearing outcome letter contains the following:
   - List of the violations of the Student Code of Conduct;
(iv) Brief description of behavior that may have violated the Student Code of Conduct;
(v) Decision rationale; and,
(vi) Appeal information (should respondent be found responsible for Student Code of Conduct violations).

The Incident Report Form is located on the Student Conduct and Community Standards Program website. The Incident Report Form can also be found on the “MyPGCC” portal under the “Safety & Security” tab or via the following link:

The Incident Report Form is electronic and is sent directly to the program coordinator for student conduct and community standards upon submission.

H. Filing Time
(1) Complainants and/or victims must file the Incident Report to the Office of the Vice President for Student Service no later than 90 days following the date of the incident. The vice president for student services, and/or official designee, reserves the right to extend this filing time in cases of sexual misconduct, harassment, stalking, and acts that endanger the wellbeing of the college community.

(4) Should the respondent be facing concurrent criminal charges, attorneys may represent respondents in student conduct cases or request the student conduct process be halted until all court proceedings have been completed and a decision has been rendered in court. Please be advised that respondents may be placed on interim suspension should the aforementioned request be approved.

K. Interim Suspension Rationale
(1) In a situation where a student, or a group of students, displays behavior that may be an immediate threat to others in the college community, they may be immediately removed from campus until permitted to return by the vice president for student services and/or an official designee. Decisions are solely based on the information presented (i.e. incident report, evidence, and information discovered through investigation by the Office of the Vice President for Student Services).

R. Appeals

(1) The Committee on Student Conduct serves as the appellate board for all student conduct cases. The Committee on Student Conduct consists of eight members from the faculty senate, and three members of the student governance association. This committee is led by an official designated by the vice president for student services. For each appeal, the committee leader, one member from the faculty senate group, and one member from student governance association group shall meet with the appealing party and decide whether to uphold the decision of the hearing outcome letter, or alter the educational interventions and/or sanctions applied to the respondent. The recommendation of the Committee on Student Conduct will be sent to the president for a final decision.

(2) Respondents & Complainants
   (i) Should a respondent and/or complainant choose to appeal the student conduct hearing outcome, he/she must establish the basis for the appeal in writing and submit it to the Office of the Vice President for Student Services. Recordings are securely kept in the respondent’s student conduct file. Student conduct files are strictly confidential.
S. Code of Academic Integrity

(1) Academic Integrity is one of the highest standards to which students, faculty, and staff should adhere. The Code of Academic Integrity, which upholds the values of honesty and integrity, advances the basic principle of honest representation in students’ work. Faculty members are responsible for making students aware of the Code of Academic Integrity at the beginning of every semester.

It is the student’s responsibility to know, understand, and be conversant with the tenets and sanctions associated with a violation of the Code of Academic Integrity. Lack of awareness of the policy shall not be considered a defense against the allegation of plagiarism or cheating. The College shall maintain responsibility for providing information about the Code of Academic Integrity through its student admissions, enrollment, and advising processes as well as through faculty orientation/professional development programs.

(2) Procedures for Suspected Plagiarism/Cheating:

(i) A faculty or staff member (in cases involving Student Assessment Services) who suspects plagiarism or cheating has occurred is responsible for gathering any and all evidence that supports the allegation of plagiarism/cheating within a reasonable time after the date of the suspected infraction. Once the faculty member has been sent or has gathered the evidence, the faculty member shall confer with the student to discuss the alleged infraction. At that conference, which can be conducted by telephone, e-mail, or in person, the faculty member must present the evidence that supports the suspected violation.

(ii) The student shall be given the opportunity to admit to or refute the charge of plagiarism/cheating based on the evidence provided. The student has the right to appeal any decision of the faculty member that may result in sanctions. (Refer to Section T: Appeals Procedure for Breaches of Academic Integrity). Please be advised that students cannot appeal the F*, only the sanctions associated with their alleged violation of academic integrity.

(iii) If, after conferring with the student, the faculty member determines that the evidence supports the charge of plagiarism/cheating and/or the student admits to the charge of plagiarism/cheating, the faculty member shall complete and submit an Incident Report Form with accompanying documentation to the Office of the Vice President of Student Services.

The Incident Report Form is located on the Student Conduct and Community Standards Program website. The Incident Report Form can also be found on the “MyPGCC” portal under the “Safety & Security” tab or via the following link:

(iv) Faculty members may choose to send a copy of the Incident Report Form to their college e-mail account and forward the Incident Report to the department chair and academic dean.

(3) Academic Integrity Sanctions

(i) After the Incident Report Form has been submitted to the Office of the Vice President of Student Services:

(a) The faculty member shall assign a grade of “zero” for the assignment.

(b) The Office of the Vice President for Student Services shall send written notification of the report to the student.

(ii) If the charge of plagiarism/cheating outlined in the Incident Report Form is validated by the Office of the Vice President for Student Services and is considered to be the student’s first violation, the vice president for student services and/or designee:
(a) Shall create a breach of academic integrity record and shall send a letter to the student's college e-mail and physical address of record explaining the nature of the offense with an admonition that any further instances will result in disciplinary action.

i. Faculty members shall be copied on letters sent from the Office of the Vice President for Student Services.

(b) Shall meet with the student to discuss the alleged violation(s).

(iii) If the vice president for student services and/or designee finds that the student has committed one or more previous violations of the Code of Academic Integrity, then the Office of the Vice President for Student Services:

(a) Shall notify the reporting faculty member of the student's previous violations of academic integrity.

(b) Shall call a disciplinary hearing at which appropriate sanctions will be determined.

(c) Shall consult with the faculty member and the Vice President of Academic Affairs after the hearing and determine if an “F*” is warranted. If warranted, an “F*” will be added to the student's transcript for the class in which the second or higher infraction occurred. An “F*” on the academic transcript denotes a violation of the Code of Academic Integrity.

i. Dual F* Process: The Offices of the Vice President for Student Services and the Vice President for Academic Affairs work in tandem to ensure that “F*” grades are properly reviewed and processed. The Vice Presidents for Student Services and Academic Affairs must both approve of the grade change before it is completed. Academic Affairs provides the final signature for approval in this process.

(c) Shall apply the relevant provisions governing disciplinary proceedings in the Student Code of Conduct. A record of multiple violations may result in suspension or expulsion.

(e) Shall send official notice to the faculty member's college e-mail account detailing the final outcome of the disciplinary hearing.

i. The student conduct process must continue should the student fail to attend a scheduled hearing.

ii. A student's failure to attend a scheduled hearing after reasonable attempts to contact the student indicates responsibility for the alleged violation(s).

(iv) If, after a decision to award an “F*” has been made, a student withdraws or changes from credit to audit status in the class in which the incident occurred, the Office of the Vice President for Student Services:

(a) Shall approve a grade substitute of “F*” on the student's transcript.

(b) Shall notify the faculty member of the “F*” grade change and shall send written notification to the Admissions and Records Office that an “F*” is to be recorded for the course.

(c) Shall notify the student in writing using the student’s college e-mail.

T. Appeal Procedure for Breaches of Academic Integrity

(1) Students have the right to appeal alleged breaches of the Code of Academic Integrity with the exception of Condition (iii) and (iv) from previous section S-3 stated above.

(2) A student may appeal a first offense to the department chair, or, if the faculty member instructor is the department chair, to the division dean. Written notice of intent to appeal the decision of a faculty member must be received by the department chair and/or divisional dean and the Office of the Vice President for Student Services no later than seven calendar days after the faculty member confers with the student. The notification of the appeal may be
delivered in person or deposited in the U.S. mail. The student is responsible for insuring that timelines are met. If the college is not open on the seventh day, the time for such notice to be received shall be extended to the next business day on which the college is open. For the purposes of delivering appeals, business days shall be considered Monday through Friday.

(3) Written notice of the intent to appeal the decision on more than one infraction must be made to the Office of the Vice President for Student Services. The student’s written appeal must be received no later than seven calendar days after case resolution, a decision is rendered and outcome letter has been sent to the student. The notification of appeal may be delivered in person or deposited in the U.S. mail and postmarked in accordance with the timeline for appeals. If the college is not open on the seventh day, the time for such notice to be received shall be extended to the next business day on which the college is open. For the purposes of delivering appeals, business days shall be considered Monday through Friday.

U. **Student Academic Complaints**

(1) Complaints of an academic nature are generally resolved within the division offering the course in which the complaint occurs. Questions or disagreements about grades, performance in class, assignments, and class rules and procedures must be discussed first with the instructor outside of the classroom environment. If the issue cannot be resolved with the instructor, the student may then speak with the instructor’s supervising coordinator. If there is no supervising coordinator, the student should complete a Request for Meeting with the Department Chair or Dean form to request a meeting with the department chair. (The form may be obtained from any academic department office.) If the issue is not resolved after speaking with the supervising coordinator and/or the department chair, the student may take the complaint to the dean of the division. If the complaint is not satisfactorily resolved by the dean, the student may file a final appeal with the vice president for academic affairs or his/her designee. After meeting with the student, the instructor, supervisor, department chair, and dean must complete the Student Complaint/Appeal Administrative Tracking Form and provide it and any supporting data to the next person who hears the complaint no longer than 30 days after the submission of appeal.

V. **Sexual Misconduct & Discrimination**

(1) As defined by Title IX, Prince George’s Community College is committed to eliminating sexual harassment and discrimination on the basis of race, color, creed, sex, sexual orientation, marital status, personal appearance, age, national origin, political, physical and mental disability.

(2) Any student, who believes that an employee or fellow student of the college has sexually harassed and/or discriminated against him/her, may submit an Incident Report and/or complaint to the Office of the Vice President for Student Services within 90 days. The Incident Report and/or complaint will automatically be sent to the program coordinator for student conduct and community standards.

(3) Investigation:

(a) Upon receiving a sexual misconduct and discrimination Incident Report and/or complaint, the program coordinator for student conduct and community standards in conjunction with, if appropriate, the affirmative action officer shall conduct an investigation, which may involve meeting with the student, witnesses, and the individual against whom the complaint was made. Upon conducting the investigation, the
program coordinator for student conduct and community standards and/or the affirmative action officer shall make a determination whether the student was wrongfully aggrieved and take appropriate action to remedy the situation.

(4) Hearing:
   (a) If the student is dissatisfied with the results of the investigation, he or she may file a written request for a hearing to the Office of the Director of Student Services Operations within 30 days of the program coordinator for student conduct and community standards determination.
   (b) Upon receiving a request for a hearing, the Director for Student Services Operations shall conduct the hearing.
   (c) The hearing will be conducted informally and witnesses shall testify under oath.
   (d) A tape recording of all testimony at the hearing shall be made.
   (e) Representation of person(s) at a hearing is permitted only by those persons authorized by law to serve as “legal representative,” except that if the college as an entity, or a department or other unit or employee of the college is designated as a party, the college or unit or employee may be represented by an appropriate administrator.

(5) Decision:
   (a) Within 30 days of the hearing, the Director of Student Services Operations shall issue a written decision to all involved parties within the college community.

(6) Appeal:
   (a) Within 15 days of the decision, either party may file a written request for an appeal to the Vice President for Student Services. The vice president shall then appoint a designee to review the decision and all evidence presented at the hearing. The appeal will be denied if the decision is supported by substantial evidence.
   (b) If any party is dissatisfied with the determination on appeal, a request may be made to the Board of Trustees to review the decision based on the evidence presented at the hearing. The Board of Trustees reserves the right to decline to review the determination. All decisions of the Board of Trustees are final.

(7) Discrimination, Sexual Misconduct and Sexual Harassment Policy:
   (a) Please review §3-1601 of the College CODE for further information on campus resources, community resources, and assistance.

W. Violations of State & Federal Law
   (1) If a student is charged with or convicted of an off-campus violation of law, the matter is of no disciplinary concern to the College; however, the College may impose sanctions if the misconduct demonstrated an obvious disregard for the rights of others that affect his/her suitability as a student. In such cases, expulsion is not permitted until the student has been adjudicated guilty in a court of law, and the student shall be reinstated if he/she is acquitted or the charges are withdrawn.
   (2) The president may immediately impose warning or interim suspension upon a student when circumstances warrant it. If alleged violations of the Student Code of Conduct or other college policies, rules, or regulations occur in connection with a college-sponsored or -supervised activity not on college property, the student accused of such violations shall be subject to discipline under this Code.
X.  **Restraining Orders**  
(1) Should a member of the college community have a restraining order in place, please contact the Office of the Vice President for Student Services. Official documentation must be provided to the Office of the Vice President for Student Services, Kent Hall, Room 119.  
(2) College Police will be notified and receive a copy of the restraining order also as they will be responsible for enforcing violations of the restraining orders. This is to ensure the safety of you, the other person, and to certify that all parties involved are in full compliance with the restraining order.

Y.  **Disciplinary Holds**  
(1) Disciplinary holds are placed on a student’s account when he/she does not adhere to the following:  
   (a) Student/Respondent has not responded to official correspondence from the Office of the Vice President for Student Services.  
   (b) Respondent, found responsible for a violation of the Student Code of Conduct, has not completed educational intervention(s)/sanction(s).  
   (c) Respondent has been placed on interim suspension.  
   (d) Respondent has been suspended or expelled from the college for Student Code of Conduct violations.  
(2) Disciplinary holds are removed from a student’s account:  
   (a) Upon satisfactory completion of educational intervention(s)/sanction(s) and a student meeting has been conducted with the program coordinator for student conduct and community standards.  
   (b) Once the student’s status of interim suspension, suspension or expulsion has expired and the student has met with the program coordinator for student conduct and community standards.

Z.  **Student Disciplinary Records**  
(1) Student disciplinary records are property of Prince George’s Community College and maintained by the Office of the Vice President for Student Services, in accordance with the Family Educational Rights and Privacy Act (FERPA).  
(2) Student Disciplinary Records may include incident reports, hearing/appellate documentation, audio recordings, and other case related information. These records are maintained for a maximum of seven years, except in cases of expulsion. Records of expulsion are indefinitely maintained by the College.

AA.  **Student Organizations**  
Students have the right and are encouraged to join organizations formed for any legal purpose.  
(1) Student organizations are required to comply with the Student Code of Conduct and with college policies, rules, and regulations and are subject to revocation of registration or other discipline for violations of same.  
(2) A student organization shall not use the name of the College, or abbreviations thereof, as part of its own name except in accordance with college regulations.  
(3) A registered student organization may state that its membership is composed of students of Prince George’s Community College, but shall not indicate or imply that it is acting on behalf of the college or with its approval or sponsorship.
(4) Student organizations, whether or not registered, may take positions on issues if they expressly state in so doing that they are not necessarily representing the views of the College or its student body.

(5) A student organization must subscribe to its stated aims and meet its stated obligations without regard to race, religion, or national origin, and shall achieve and retain the status of a registered student organization by complying with the following:

   (i) Submitting a current list of its officers and copies of its constitution and bylaws to the coordinator of college life services, and by submitting all changes in officers, when effective, and amendments within one week after adoption.

   (ii) If it is affiliated with an external organization, submitting that organization’s constitution and bylaws to the coordinator of college life services and submitting amendments within a reasonable time after adoption.

   (iii) Reporting all outside sources of funds to the program director of college life services.

(6) Approval or disapproval by the College of the aims, objectives, and policies of any student organization is not to be inferred or implied from the registration or non-registration of such organizations.

(7) Registered student organizations may be accorded the use of college facilities without charge under approved policies and procedures, except as limited by federal and state law, subject to the following:

   (i) Not more than an insubstantial number of persons attending, or solicited or invited to attend, any activity or function in a college facility shall be persons who are not bona fide members of the college community or members of their families. This limitation shall not be applicable to theatrical or musical performances, intercollegiate athletics competitions, and other recognized competitive events.

   (ii) The registered student organization applying for the use of college facilities has, on previous occasions of such use, fully complied with all applicable rules and regulations.

(8) Registered student organizations may receive financial support from student activity fees in accordance with duly approved policies and procedures, subject, however, to approval of the budget of the student activity fund by the president and further provided that the following student organizations, whether or not registered, are not entitled to receive such financial support, nor are they entitled to receive indirect financial support from the Student Governance Association, any other registered student organization, or the College in the form of stationery, supplies, postage, telephone, reproduction services, secretarial service, or otherwise.

   (i) Organizations: An organization is a political organization if it is empowered to or does devote more than an insubstantial part of its activities to attempting to influence legislation by propaganda or otherwise. For this purpose, an organization will be regarded as attempting to influence legislation if the organization contacts, or urges its members or the public to contact members of a legislative body for the purpose of proposing, supporting, or opposing legislation; or advocates the adoption or rejection of legislation. The term “legislation,” as used in this subdivision, includes action by the Congress, by any state legislature, by any local council or similar governing body, or by the public in a referendum, initiative, constitutional amendment, or similar procedure. An organization will not fail to meet the operational test merely because it advocates, as an insubstantial part of its activities, the adoption or rejection of legislation. An organization is a political organization if it participates or intervenes, or encourages its members to participate or intervene, directly or indirectly, in any political campaign on behalf of or in opposition to any candidate for public office. The term “candidate for public office” means an individual who offers himself/herself, or is proposed by others, as
a contestant for an elective public office, whether such office be national, state, or local. Activities that constitute participation or intervention in a political campaign on behalf of or in opposition of written or printed statements or the making of oral statements on behalf of or in opposition to such a candidate.

An organization is a political organization if it has the following two characteristics: (1) its main or primary objective or objectives (as distinguished from its incidental or secondary objectives) may be attained only by legislation or a defeat of proposed legislation; and (2) it advocates or campaigns for the attainment of such main or primary objective or objectives as distinguished from engaging in nonpartisan analysis, study, or research and making the results thereof available to the public. An organization is not a political organization solely because it invites as a speaker a candidate for public office or a person attempting to influence legislation, if it extends an equal invitation to opposing candidates and persons with opposing views regarding such legislation.

(ii) Other Unsupported Organizations Non-registered student organizations and other organizations whose activities are not deemed entitled to receive financial support, include those which are empowered to or do devote more than an insubstantial part of their activities to:

(a) Solicit or invite or encourage their members or others to solicit or invite the attendance at any function or activity on College property, except a theatrical or musical performance, intercollegiate athletic event or other recognized competitive event, of more than an insubstantial number of persons who are not members of the College community or members of their families.

(b) Create or encourage their members or others to create disturbances interfering with or disrupting the educational processes of the College, or the peaceful conduct of the faculty, administration or other students on the campus or programs, meetings or activities of the College or other student organizations, or which interrupt guest speakers and others in addressing lawful assemblies.

(c) Encourage their members or others to use techniques disturbing the atmosphere of free and responsible discussion and of intellectual exploration on the campus.

(d) Engage in or encourage their members or others to engage in discourteous conduct to others.

(e) Otherwise engage in activities or encourage their members or others to engage in activities inappropriate to an academic community.

None of the foregoing shall be construed or utilized to impair or inhibit the right of any student or organization to engage in free inquiry, expression, assembly and advocacy but they are intended to safeguard the freedom to learn to which all members of the College community are entitled, and to prohibit support of any organization which denies that freedom to others.

The foregoing is not intended to authorize or condone the described conduct, or to excuse or exempt any student engaging in the described conduct from appropriate disciplinary action.

(f) In determining whether an organization has the characteristics of a political or other unsupported organization, all the surrounding facts and circumstances, including the constitution, by-laws, and all activities of the organization are to be considered.
AB.  **Speech and Advocacy:**
Students have the right to free inquiry, expression, assembly, and advocacy. The purpose of this article is to assure the exercise of these rights and the rights of others in the effective use of college facilities, and to minimize possible interference with the college's responsibility as an educational institution.

1. Discussion and expression of all views relevant to the subject matter is permitted in the classroom subject only to the responsibility of the teaching faculty member to maintain order. Information about student views, beliefs, and political associations acquired by faculty and administrative staff members in the course of their work as teachers, advisors, and counselors is confidential and is not to be disclosed to persons outside the college community, unless under legal compulsion.

2. Students and other members of the college community may gather at reasonable places and times on college property consistent with the orderly conduct of college affairs, the maintenance of college code, regulations, and procedures promulgated by the president, and college policies concerning use of facilities. Interference with entrances to buildings and college functions or activities, disturbance of offices, classes, and study facilities, and harm to property are prohibited.

3. Students may engage in orderly picketing and other forms of peaceful protest on College property provided the form and manner of student conduct does not violate any other provisions of this Code or any other College rules, regulations and policies.

4. Registered student organizations may invite non-college speakers to address meetings on college property only upon prior notification to the president or his/her designated representative, who may deny the use of available college facilities only if he/she deems the meeting to be incompatible with the educational objectives of the college. Individual students or student organizations that have not qualified as registered student organizations may not invite non-college speakers to address meetings on college property. Whenever the president considers it appropriate in furtherance of educational objectives, he/she may require that the meeting be chaired by a person approved by the president, and/or that the speaker be subject to questions from the audience.

5. A student or student organization may distribute noncommercial written material on college property without prior approval in accordance with such regulations as may be in force concerning such distribution, providing such distribution does not disrupt the operations of the college. All such material must contain thereon the name of the sponsoring student or student organization.

6. The student press is to be free of censorship. The editors and managers shall not be arbitrarily suspended or disciplined because of student, faculty, administration, alumni, or community disapproval of editorial policy or content. This freedom entails a corollary obligation of responsible journalism, which the editors and managers will be required to meet. In the event that disagreements arise concerning the definition of responsible journalism, appeals will be heard by a board known as “The Publication Board.”

7. All student publications shall explicitly state that the opinions expressed are not necessarily those of the college or its student body.

AC.  **General Provisions**

1. Persons who are not members of the College community, while on College property, are required to adhere to the provisions of this Code applicable to students and to abide by all other College policies, rules and regulations.

2. The College has consistently pursued a policy against discrimination based on race, religion, or national origin. The College community, and all organizations and groups within the College, are
governed by this policy of nondiscrimination. All organizations using College property for meet-
ing or events shall allow participation on a nondiscriminatory basis.

(3) Student records are “public records,” access to which shall be denied except as provided by federal statute, the Annotated Code of Maryland, and the College’s educational records policy

Alternative Procedure for Dealing with Disruptive Student Behavior
in Instructional Areas

1. **Purpose.** The purpose of this rule is to implement the Policy on Student Rights and Responsibilities by providing a procedure that an instructor may elect to follow in dealing with disruptive student behavior in instructional areas, as an alternative to, or in addition to, the procedures contained in the Code of Conduct. This procedure is designed to provide an efficient, informal process for resolving student-instructor classroom conflicts.

2. **Definitions.** As used in this rule, the following definitions shall apply:
   (i) “Disruptive behavior” and “disruption” mean any behavior that willfully disturbs the orderly conduct of the learning environment. There are two levels of disruptive behavior and disruption. Level I includes, but is not limited to, unwarranted talking, noisemaking, discussing, or demonstrating about matters that are not relevant to the subject matter of the class or activity; interrupting the instructor or other students; unnecessary physical activity or movement in an instructional area, or persistent tardiness that interrupts an instructional activity. Level II, in addition to behavior that disrupts the instructional area, is behavior that presents a threat to the safety of those present, and may include, but is not limited to, being under the influence and/or in possession of alcohol or illicit drugs, fighting, assault, battery, threatening others with assault or physical harm, carrying a gun or other deadly or dangerous weapon, or engaging in other verbal or physical conduct that creates an intimidating, hostile, or threatening educational environment. Any student whose behavior falls into a Level II category will automatically be subject to a charge of a violation of the Code of Conduct.
   (ii) “Instructional area” means any area of the college where instructional activities take place. This includes, but is not limited to, classrooms, laboratories, studios, gymnasium, library facilities, faculty offices, clinical practice facilities, or field trip sites.
   (iii) “Instructor” means any person performing an instructional function for the college. This includes, but is not limited to, instructors, tutors, counselors, advisors, librarians, co-op coordinators, and mentors.
   (iv) “Interim suspension” means exclusion from the college and all classes, authorized by the president, for a limited period of time pending adjudication of a charge of alleged violation of the Code of Conduct.

3. **Nondiscrimination.** This procedure is to be applied in a nondiscriminatory manner, without regard to a person’s gender, race, age, color, religion, veterans status, disability, ancestry, marital status, sexual orientation, or national origin.

4. **Election.** If a disruption occurs in an instructional area, the instructor may elect to take either or both of the following actions:
   (i) proceed under this rule as described in the following procedures, and/or
   (ii) file a charge with the office of the vice president for student services, in which event the matter will proceed under the Code of Conduct.

   (i) Level II: If a student's behavior, in addition to disrupting the instructional area, presents a threat to the safety of those present, which may include, but is not limited to, being under the influence and/or in possession of alcohol or illicit drugs, fighting, assault, battery, threatening others with assault or physical harm, carrying a gun or other deadly or dangerous weapon, or engaging in verbal or physical conduct that creates an intimidating, hostile, or threatening educational environment, the instructor should:
      (a) order the student to stop the disruptive behavior and leave the area;
      (b) call, or assign someone to call, the emergency phone number (ext. 0111) for the campus police to remove, and if necessary, arrest the student; and
      (c) notify the department chair and dean and file a charge under the Code of Conduct with the vice president for student services.
      (d) If the instructor believes that the student's presence within the college presents an immediate threat to the safety of the college community, the instructor should request, through the dean and vice president for student services, that the student be placed on interim suspension.
      (e) Unless interim suspension has been imposed by the Vice President of Student Services, the disruptive student will be required to meet with the dean and/or the vice president for student services prior to being permitted to return to class. The instructor also will be present at the meeting unless specifically excused for good cause by the dean and/or vice president. The meeting will be held at the earliest time practicable, but in no event later than three working days subsequent to the instructor's action. The meeting shall be informal in nature. The official conducting the meeting shall seek to determine whether the student should be permitted to return to the instructional area or should be excluded pending resolution of the matter, and provide the student with an explicit warning as to the consequences of any future disruption. The results of this meeting will determine the student's access to work missed.
      (f) In addition, the instructor may file charges under various criminal laws, such as §26-101 of the Education Article of the Maryland Code, which provides criminal penalties for persons found guilty of willfully disturbing activities at an institution of higher education.

   (ii) Level I: Except for disruptive behavior provided for under section (i) above, the following procedures should be used:

      FIRST VIOLATION: The first time a particular student causes a disruption, the instructor, depending on the seriousness of the infraction, should:
      (a) order the student to immediately stop the disruptive behavior and give the student a verbal warning;
      (b) make a written note of the warning for the instructor's files; and
      (c) talk with the student after class to explain the consequences of any further disruption.

      SECOND VIOLATION: The second time a student causes a disruption, or if a student fails to stop behavior that constituted the first violation, the instructor should:
      (a) inform the student of the infraction and order the student to leave the instructional area;
(b) if the student leaves voluntarily, the instructor shall select from the following options for possible readmission into the class, and, to the extent practicable, inform the student of the option before the next class period:

[1] permit the student to return the next class period, whether or not a charge is filed under the Code of Conduct; or

[2] require that the student meet with one or more responsible officials, including the department chair, the dean, and/or the vice president for student services, prior to being permitted to return to class, whether or not a charge is filed. Classes missed during the time period in which the student fails to attend this meeting will be recorded as unexcused absences and will be handled as such in accordance with the official course syllabus. The meeting, which will be held prior to the next class, if possible, shall be a mediation/problem-solving session and shall produce a written warning establishing the consequences of any future infraction, or alternatively, an agreement binding the student to specific penalties or sanctions in the event of any future infractions. There will be no student advisor at this meeting. Following this meeting, the student will be allowed to return to class. Notwithstanding any prior discussions or agreements between the student and the instructor, the vice president, for good cause, including, but not limited to, any record of previous infractions at Prince George's Community College, may impose further conditions or sanctions that he/she may deem warranted, and/or may institute proceedings under the Code of Conduct.

[3] Failure or refusal by the student to attend the scheduled meeting will result in the matter being referred to the vice president for student services for such further action that the vice president deems appropriate, and the student shall be excluded from class until the matter is settled.

(c) If the student refuses to leave, the instructor shall advise the student that the failure to leave voluntarily renders the student liable for immediate suspension, dismissal, or expulsion, as well as criminal prosecution for trespass. If the student still refuses to leave, the instructor shall call the campus police to have the student removed.

(d) If the student has had to be removed by the campus police, the instructor is obligated to file a charge under the Code of Conduct, and unless interim suspension has been imposed, the student will be required to meet with the dean and/or the vice president for student services prior to being permitted to return to class. The instructor will also be present at the meeting unless specifically excused for good cause by the dean and/or vice president. The meeting will be held at the earliest time practicable, but in no event later than three working days subsequent to the instructor's action. The meeting shall be informal in nature. The official conducting the meeting shall seek to determine whether the student should be permitted to return to the instructional area or should be excluded pending adjudication of the charge. The results of this meeting will determine the student's access to work missed.
THIRD OR SUBSEQUENT VIOLATION, OR VIOLATION OF AGREEMENT: If the instructor determines that the student has been disruptive for the third time, or has violated any agreement as a result of a second violation, a charge against the student under the Code of Conduct is mandatory on the part of the instructor; in addition, the instructor shall:

(a) order the student to leave the instructional area, and if the student refuses to leave, call the campus police, who will remove the student;
(b) notify the department chair and dean of the infraction, and bar the student from further attending class until the matter has been finally resolved by the vice president for student services. An informal meeting will be convened by the vice president for student services and shall include the student, an advisor chosen by the student, if the student desires one, the instructor, and others as determined by the vice president for student services.
(c) The role of the advisor is limited to observer of the proceedings and counselor to the student, and does not extend to legal representative for the student. The advisor is not an advocate and may not comment, question witnesses, or present argument, and may be excluded from doing so. The student will be given a reasonable opportunity during the course of the meeting to confer in private with the advisor. If the student has selected an advisor with personal knowledge of the events leading to this meeting, he/she may give his/her recollection of the events. No continuances will be granted to allow the advisor to attend.
(d) The conditions for readmission to class, if permitted at all, shall be determined by the vice president for student services and communicated through the dean to the instructor.

6. Appeals. A student may appeal to the vice president for student services any adverse action taken or decision made under this rule, except that appeals from decisions of the vice president shall be to the president, who may appoint a designee to consider the same. A student may also seek redress through the department chair of any adverse academic impact of an absence from class imposed under this rule.

(i) Any such appeal must be in writing and delivered to the vice president for student services (or president, if the appeal is from the vice president's decision) not later than two working days after the student receives notice of the decision. Notice may be delivered to the student or mailed to the student at his or her last address recorded in the Office of Admissions and Records. Notice by mail shall be conclusively presumed to have been received by the student five days after the date it is deposited in the mail, first class, postage prepaid, properly addressed.

(ii) The party considering the appeal will expeditiously conduct such investigation as he or she deems appropriate to determine whether or not the decision appealed is supported by substantial credible evidence, and will give the student an opportunity to present his or her side of the case before deciding the appeal.

(iii) The decision will be affirmed if supported by substantial credible evidence and if consistent with college policies, procedures, regulations, and rules.

(iv) A student otherwise barred from attending class will not be permitted to attend class pending appeal except with the written permission of the vice president for student services or president, if the appeal is from the vice president's decision.

7. Evaluation. The vice president for student services will seek faculty and student participation in a periodic review of this alternative procedure and recommend appropriate changes to the president.

      [2] The type of relationship;
      [3] The frequency of interaction to include all electronic forms between the persons involved in the relationship.

(ix) “Harassment” means unwelcome verbal or physical conduct based upon gender, race, color, religion, national origin, age, disability, sexual orientation or marital status that has the purpose or effect of unreasonably interfering with an individual’s work performance or learning experience, or creating an intimidating, hostile or offensive working or learning environment. Conduct of this type between employees and/or students, is prohibited regardless of where it occurs. Examples of prohibited racial harassment include derogatory comments, taunting, slurs, jokes, cartoons, or graffiti about or motivated by a person’s race. Unprofessional actions and remarks become harassment when they are unwelcome. Individuals who believe they have been harassed by supervisors, co-workers, peers or students are encouraged to effectively address their concerns or objections regarding the incident directly with the person demonstrating the harassing behavior. In as professional a way as possible, make it clear that such behavior is offensive. If the unwelcome behavior continues, follow the process outlined in section IV under Complaint and Investigation Procedures in this document.

(x) “Stalking” means a course of conduct directed at a specific person because of his or her gender or gender identity/expression that is unwanted and unwelcomed and that would cause a reasonable person to fear for his or her safety, security or well-being. Stalking includes repeated implicit or explicit harassing or threatening behaviors. Examples may include but are not limited to:
(a) following a person;
(b) appearing, or leaving messages or objects at a person’s home, place of business, classroom, or other places a person is known to frequent;
(c) making harassing phone calls;
(d) sending messages by mail or electronic means, including e-mails or texts;
(e) vandalizing personal property

(xi) “Sexual Exploitation” means when an individual takes non-consensual or abusive sexual advantage of another for their own advantage or benefit, or to benefit or advantage anyone other than the one being exploited, and that behavior does not otherwise constitute one of the other sexual misconduct offenses.

(xii) “Sexual Assault” means any type of sexual contact or behavior that occurs by force or without consent of the recipient of the unwanted sexual activity. Included in the definition of sexual assault is sexual activity such as forced sexual intercourse, sodomy, child molestation, incest, fondling, and attempted rape. It includes, but is not limited to, sexual acts against people who are unable to consent either due to age or lack of capacity.

(xiii) “Consent” means informed, knowing and voluntary. It is active, not passive. Silence, in and of itself, cannot be interpreted as consent. For that reason, relying solely on non-verbal communication can lead to misunderstanding. Consent can be given by words or actions, as long as those words and actions create mutually understandable permission regarding the conditions of sexual activity. Consent to one form of sexual activity cannot imply consent to other forms of sexual activity and previous relationships or consent cannot imply consent to future sexual acts. Consent must be present throughout sexual activity and may be withdrawn at any time. If there is confusion as to whether there is consent or whether prior consent has been withdrawn, it is essential that the participants stop the activity until the confusion is resolved. Consent cannot be given by someone known to be—or should be known to be—mentally or physically incapacitated. In order to give consent, one must be of legal age. Consent is the responsibility of the person who wants to engage in the activity. Consent cannot be obtained by use of physical force, compelling threats, intimidating behavior or coercion.

(xiv) “Coercion” means unreasonable pressure for sexual activity. Coercive behavior differs from seductive behavior based on the type of pressure used. When someone makes clear that he/she does not want sex that he/she wants to stop, that he/she does not want to perform certain acts or that he/she does not want to go beyond a certain point, continued pressure can be coercive.

(xv) “Non-consent: Non-consensual contact—any intentional sexual touching, however slight, with any object, by a person upon a person that is without consent and/or by force. Sexual contact includes, but is not limited to, intentional contact with the breasts, buttocks, groin, or genitals, or touching another with any of these body parts, or making another touch you or themselves with or on any of these body parts; any intentional bodily contact in a sexual manner, though not involving contact with/of/by breasts, buttocks, groin, genitals, mouth or other orifice.

(xvi) “Non-consensual sexual intercourse” means committed by physical force, coercion, threat, or intimidation, actual or implied, by a person(s) known or unknown to the victim. Sexual intercourse can involve anal, oral, or vaginal penetration, no matter how slight.
(4) **Complaint and Investigation Procedures.**

(i) Any member of the College community who believes he or she has been subjected to, or has observed or been informed of, discrimination, sexual harassment, or sexual misconduct prohibited by this policy, should promptly report it to the one of the designated reporting authorities:

(a) College Police  
(b) Title IX Coordinators  
(c) Affirmative Action Officer  
(d) Dean of Human Resources, or  
(e) Coordinator of Violence Prevention Center  

Affected member may also report to employee's supervisor, department chair or department head.

(ii) Any member of the College community who is advised of discrimination, sexual harassment, or sexual misconduct prohibited by this policy, including any reports made anonymously, or who otherwise has reason to believe that a violation of this policy has occurred, should promptly notify the designated reporting authorities as noted above.

(iii) Human Resources or the affirmative action officer is responsible for promptly investigating and resolving all employee complaints. The vice president for student services, or designee, is responsible for promptly investigating and resolving all student complaints. Ordinarily this should include:

(a) Meeting with the complainant, documenting the complaint and explaining that the complaint will be investigated as confidentially as possible. Employees or students involved in the complaint may be asked to document their version of the incident.  
(b) Notifying the accused employee or student of the allegations and giving him or her an opportunity to respond.  
(c) Interviewing other potential witnesses, if necessary.  
(d) Advising all employees or students involved in the investigation, including the complainant, that the complaint and investigation should be treated as confidential.  
(e) Informing both the complainant and the accused of the results of the investigation and ensuring that appropriate corrective action is taken if warranted; and  
(f) Maintaining a confidential record of the complaint, including a summary of the allegations and the accused's response, and the manner in which the complaint was resolved.  
(g) Although anonymous complaints may be difficult to investigate, Human Resources, the affirmative action officer, or the vice president for student services, nevertheless, should investigate such complaints, to the best of their ability, and take appropriate corrective action if it is determined that a violation of this policy has occurred.

(5) **Investigative Procedures, Protocol and Reporting.**

**Privacy and Confidentiality**

(i) “Privacy” generally means that information related to a report of misconduct will only be shared with a limited circle of individuals. The use of this information is limited to those College employees who “need to know” in order to assist in the active review, investigation or resolution of the report. While not bound by confidentiality, these individuals will be discreet and respect the privacy of all individuals involved in the process.
(ii) “Confidentiality” means that information shared by an individual with designated campus or community professionals cannot be revealed to any other individual without the express permission of the individual. These campus and community professionals include mental health providers, ordained clergy, rape crisis counselors and attorneys, all of whom have legally protected confidentiality. These individuals are prohibited from breaking confidentiality unless there is an imminent threat of harm to self or others or a suspicion of child abuse.

(iii) “Reporting”

(a) “Voluntary Confidential Reporting” means if victims of a crime do not want to pursue action within the College or the criminal justice system, they may still want to consider making a confidential report. With victims’ permission, a designated reporting authority, such as, College Police, Title IX Coordinators, dean of Human Resources, or other College administrators, can file a report on the details of the incident without revealing their identity. The purpose of a confidential report is to comply with their wish to keep the matter confidential, while taking steps to ensure the future safety of themselves and others. With such information, the College can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the College community to potential danger. Reports filed in this manner are counted and disclosed in the annual crimes statistics for the institution.

(b) “Limited Voluntary Confidential Reporting” means the College encourages anyone who is the victim or witness to any crime to promptly report the incident to the police. Confidential reports for purposes of inclusion in the annual disclosure of crime statistics can generally be made to other PGCC Campus Security Authorities as identified below.

(c) “Campus Security Authorities” means any official of an institution who has significant responsibility for student and campus activities, or who manages or otherwise oversees student and campus activities. For example, staff responsible for College Life Services, the Largo Student Center, or student extra-curricular activities; Program Directors and other designated reporting authority at all College extension centers; a director of athletics or a team coach; faculty advisors to student groups; staff responsible for student conduct. Check the following link for the Campus Security Authority Memorandum: http://www.pgcc.edu/Campus_Info/campus_police/Campus_Police.aspx.

(d) Counselors and Confidential Crime Reporting—College “Professional Counselors” and the Coordinator of the Violence Prevention Center, when acting as such, are not considered to be a campus security authority and are not required to report crimes for inclusion into the annual disclosure of crime statistics. As a matter of policy, they are encouraged, if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion into the annual crime statistics.

Pending resolution of the report, the individual or organization may be denied access to campus, campus facilities and/or all other College activities or privileges for which the student might otherwise be eligible, as the College determines appropriate.

[i] If the action taken is termination of employment, regular employees maintain the right to utilize the General Grievance Procedure.

(7) **Relation to Other Policies and Rules.**

(i) There are some intersections with this policy and the requirements outlined by other laws and regulations.

   (a) Clery Act: The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act or Clery Act applies to institutions of higher education and is confined to campus crimes, which occur on campus, adjacent to campus, or off-campus when associated with the institution. Under the Clery Act the College must provide a timely warning of any crime that presents an ongoing threat to the campus community. The Clery Act also requires the College to compile and make available an Annual Security Report of all campus crimes. Reports for Title IX offenses must be included in the Annual Security Report. The report is found online at: [http://www.pgcc.edu/Campus_Info/campus_police/Annual_Security_Report.aspx](http://www.pgcc.edu/Campus_Info/campus_police/Annual_Security_Report.aspx)
(b) Family Educational and Rights and Privacy Act: The Family Educational Rights and Privacy Act of 1974 (FERPA) is a federal mandate designed to protect the privacy of students’ records. It includes academic records, financial aid records, attendance records and any other personally identifiable information collected by the College that, if shared, could violate the privacy rights of students and former students.

(c) Sex Offender Registry: The federal Campus Sex Crimes Prevention Act requires institutions of higher education to issue a statement advising the campus community where law enforcement agency information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a State to provide notice, as required under State law, of each institution of higher education in that State at which the person is employed, carries on a vocation, or is a student. The state of Maryland maintains an Internet registry located at www1.dpcs.state.md.us/sor.

(d) Academic Freedom: Evaluation of perceptions of behavior as sexually harassing assumes special importance in the context of carrying out responsibilities in the classroom, laboratory, studio, library, office, and similar contexts in fulfilling our educational objectives as related to teaching, learning, and scholarship. Speech or expression of a sexual nature, which is professional and appropriate to a lesson or teaching strategy, may be disturbing without also being harassing. Such speech or expression may, however, depart so far from professional or appropriate behavior that it is not protected by academic freedom. The professional teaching of controversial issues shall not be construed as constituting such a departure. However, speech or expression that is determined to be too far from professional, or that is, upon investigation, determined to be inappropriate behavior is unacceptable, and is not protected by academic freedom.

(ii) This policy is not intended to supersede any of the College’s responsibilities under state or federal statutes and regulations, or other College policies and rules, such as Grievance/Review, which addresses Regulations on Nondiscrimination on the basis of handicap, Americans with Disabilities Act, as well as all Affirmative Action complaints pertaining to discrimination in employment on the basis of race, color, religion, sex, national origin, or sexual orientation.

(iii) Nothing in this policy is meant to preempt or foreclose the pursuit of other remedies available to alleged victims of discrimination, sexual harassment, or sexual misconduct under applicable state or federal statutes and regulations.

Mandated Acts

Clery Act
In compliance with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act (20 USC § 1092(f)), Prince George’s Community College provides information regarding the safety and security of college community members. Drug-Free Act of 1988. In addition, the college expects all members of the college community to comply with all federal, state, and local laws pertaining to the possession, use, manufacture, distribution, or dispensing of alcohol and drugs. **Family Educational Rights and Privacy Act (FERPA)**

The Family Educational Rights and Privacy Act (FERPA) affords you, the student, rights with respect to your education records. They are:

1. The right to inspect and review the education records within 45 days of the day PGCC receives your request for access.

   You must submit to the director of admissions and records a written request that identifies the record(s) you wish to inspect. The director will make arrangements for access and notify you of the time and place where the records may be inspected. If the records are not maintained by the Office of Admissions and Records, the director will advise you of the college official to whom the request should be addressed.

2. The right to request the amendment of education records that you believe are inaccurate or misleading.

   You must write the college official responsible for the record, clearly identify the part of the record you want changed, and specify why it is inaccurate or misleading.

   If the college decides not to amend the record as requested, the college will notify you of the decision and advise you of your right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to you at that time.

3. The right to consent to disclosures of non-directory, personally identifiable information contained in your education records, except to the extent that FERPA authorizes disclosure without consent.

   One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the college in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the college has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees.

   A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

   Directory information is information which may be released to a third party without your written consent. Directory information includes, but is not limited to, name, address, telephone number, e-mail address, date and place of birth, dates of attendance, degrees earned, and previous colleges attended. While the college does not routinely release such information to anyone who inquires, it may legally do so if the third party demonstrates a legitimate need to know such information. You may refuse to permit such disclosure without your written consent by notifying the director of admissions and records in writing of your wish to be excluded from such a release of information.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the college to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

   Family Policy Compliance Office

**Sex Offender Registry and Access to Related Information**

The federal Campus Sex Crimes Prevention Act requires institutions of higher education to issue a statement advising the campus community where law enforcement agency information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a State to provide notice, as required under State law, of each institution of higher education in that State at which the person is employed, carries on a vocation, or is a student. The State of Maryland maintains an Internet registry located at [www.dpscs.state.md.us/sorSearch/](http://www.dpscs.state.md.us/sorSearch/)

**Student Right to Know Act**

In compliance with the Student Right to Know Act of 1990, Prince George's Community College provides information regarding the graduation/persistence rates of designated student population groups in degree and/or certificate programs. **Guidelines for Use of Alcoholic Beverages on College Property**

The essence of a community college suggests community participation, community needs, and community norms. In a general sense, the “laws of the land” of the community college should be consistent with the “laws of the land” of the community. Therefore, the norms of the community should be incorporated into the norms of the campus. In this respect, the use of alcoholic beverages can be a positive element when included within program elements of the institution. However, due to the primary educational mission of the community college, the use of alcoholic beverages should be considered as a secondary activity supplementing the primary educational goals of the co-curricular program.

The financial structure of the college that provides for fiscal support of co-curricular programs through mandatory student fees places certain additional constraints upon the use of alcoholic beverages at campus events. The college recognizes the legitimate concerns of those students who pay fees but do not support the use of alcoholic beverages. Therefore, no student activity fees may be used to purchase alcoholic beverages. In addition, the number of college wide events at which alcoholic beverages are permitted is limited to ensure a variety in programming consistent with the interests of the diverse student population served. Finally, alcoholic beverages will be permitted under no circumstances at certain types of events, such as concerts, which have historically presented unique programming problems both on the campus and in the larger community.

The Prince George's Community College Student Code of Conduct lists under types of misconduct subject to disciplinary action the following in Section E(4i): “Drinking or possessing any alcoholic beverage on college property, except as expressly permitted by the president.” Administrative regulations defining the conditions under which the president's permission may be granted can be found in the College CODE in Title 3, Subtitle 10, § 3-1001 (Facilities Use), subsection (7) Alcoholic Beverages.

Campus Visitors
The college hosts a wide variety of educational and community service activities throughout the year and welcomes all individuals who come to participate in college-sponsored activities or other scheduled events.

All visitors are subject to college policies and procedures governing access to, and use of, campus facilities, as well as rules regarding conduct at college-sponsored programs and events. All college personnel have the responsibility for informing the college police of any apparent infractions of college policies, procedures, or rules regarding such participation and conduct.

Children under 16 years of age who are not registered credit or noncredit students, who are not participating in an authorized college activity, or who are not attending a scheduled event shall not be left unattended anywhere on the college campus.

Only properly registered students may attend scheduled classes. Instructors should not permit other individuals, including children, relatives, or friends of enrolled students to remain during class sessions. Instructors should make their classes aware of this rule at the initial class meeting.
Ten Points to Empower Students

The focused academic action list below can be used to empower one to become more academically aware, thereby avoiding some frustrating and often avoidable situations.

1. Your Advisor—Advisors are professionals at giving academic guidance; however, they are not mind readers. If you do not share your concerns, goals, and needs with them, then they cannot provide the best advice possible. Prepare questions and appropriate paperwork prior to meeting with an advisor. Take the time to meet with an advisor outside of the hectic registration period. Share the good and the bad, listen to their advice, and accept responsibility for your own progress.

2. Your Catalog—We know that the college catalog will never appear on the best-seller list, but it does have a wealth of important information in it, particularly your degree requirements and prerequisites. For an exception to any policy, you should consult your catalog first and see what the published policies and procedures are and how they could affect you. If you do not have a catalog, request one or go to the college website.

3. Directions and Documentation—Read all directions carefully and slowly before you begin. When given material such as curriculum guides, grade sheets or any official letter from the college read it carefully then create a file and bring the form with you if it pertains to your visit with an advisor, professor or other college employee. It is your responsibility to fill out all forms and review them for correctness and accuracy.

4. Deadlines and Due Dates—All academic institutions have official add/drop periods. Some also have late start and second half semester start classes. Make certain to write these on your calendar and adjust your schedule as needed within these time frames. Make special note of due dates for essays and dates of final exams.

5. Your Grades—Your grade point average (GPA) can determine your eligibility for certain programs, the Dean’s list, financial aid, and scholarships. It can also determine your academic progress and actions like warning, probation, suspension, and dismissal. These are all serious actions and should not come as a surprise; nevertheless, students are often shocked to learn that they are ineligible to enroll in classes due to one of these actions. Talk to

Chapter 6—Strategies for Success

Chapter 6—Strategies for Success 141
your advisor (#1) about your academic progress and review your catalog (#2) to make certain you understand how your GPA is calculated.

6. Your Body—Try to eat some healthy food, get some exercise, and sleep regularly. Most importantly notice when your body is talking to you. If you are falling asleep in class, losing your appetite, not leaving your room, or feeling depressed, then seek help immediately. Your mind cannot perform at its best when your body is being ignored.

7. Your Employment—Many students have to work at least part-time while attending college. Talk to your employer about your academic goals and see how much flexibility is available. If you are working full-time, be especially careful not to attempt a full-time course load. You will likely end up missing a deadline and overstressing yourself physically and mentally.

8. Your Finances—Try not to get too deeply into debt. There are literally thousands of scholarship opportunities that students do not explore (due to lack of time, perhaps, or a lack of confidence). Attending school part-time and taking only the course load you can afford really can help you progress towards your degree.

9. Your Friends—Look out for each other and stay connected. When the end of the add/drop periods approach, for example, remind your friends to make adjustments and verify their own schedules. If you believe a friend is in trouble physically or emotionally, encourage him/her to get help as soon as possible.

10. The Internet—E-mail and the Web are valuable tools, but they are easily misused and can lead to misunderstandings. When e-mailing your advisor or professor, review your message for spelling and grammar, and never send an e-mail out of frustration or anger. When conducting research, keep in mind that anyone can publish his or her ideas on the Web, and that does not mean the information is well-written, truthful, or accurate. Think carefully about what you read and make certain to cite anyone else’s ideas. If you take an idea from the Web without giving that person credit, you have committed plagiarism.
